RE: **PE1133-VER-20150928** – Cellco Partnership d/b/a Verizon Wireless declaratory ruling for approval of an eligible facility request for modifications to an existing telecommunications facility located at 234 Sherman Avenue, Meriden, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated November 30, 2016 regarding the minor project changes to the eligible facility request for the above-referenced site that was approved by the Council on November 5, 2015.

Pursuant to the Council's Petition No. 1133 sub-petition decision of March 6, 2015 and the November 5, 2015 decision on this sub-petition, the proposed modifications including relocating the eastern faux chimney and antenna structure on the building rooftop, relocating the roof hatch, and increasing the size of and relocating the backup generator are hereby approved.

This approval applies only to the minor project changes dated November 30, 2016. Any minor changes to the eligible facility request require advance notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie Bachman  
Acting Executive Director
