RE: **PE1133-VER-20180305a** – Cellco Partnership d/b/a Verizon Wireless sub-petition for a declaratory ruling for approval of an eligible facility request for modifications to an existing telecommunications facility located at 169 Cross Street, Middletown, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated February 4, 2019, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a six-month extension of time until October 2, 2019, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Re: **PE1133-VER-20180305a – Cellco Partnership d/b/a Verizon Wireless  
162 Cross Street, Middletown, Connecticut**

Dear Ms. Bachman:

On April 2, 2018, the Siting Council approved Cellco's request to establish a telecommunications facility at 162 Cross Street in Middletown, Connecticut. Cellco has not yet completed the approved base station modifications but expects to do so in the Spring of this year. In an excess of caution, we are requesting an extension of six (6) months, to October 2, 2019, to complete this installation.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
