Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 9, 2016, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a six-month extension of time until August 3, 2017, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Dear Ms. Bachman:

On February 3, 2016, the Siting Council approved the above-referenced Sub-Petition for modifications to the existing telecommunications facility at 250 Meriden-Waterbury Turnpike in Southington, Connecticut. Cellco has not yet completed the approved modifications at this site but expects to do so in 2017. We are, therefore, requesting an extension of six (6) months, to August 3, 2017, to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,
