Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 7, 2016, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a one-year extension of time until July 10, 2017, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

**Re: PE1133-VER-20150528 – Cellco Partnership d/b/a Verizon Wireless
6-8 Grand Street, Niantic, Connecticut**

Dear Ms. Bachman:

On July 10, 2015, the Siting Council approved Cellco's request to install antennas and associated equipment at an existing wireless base station at 6-8 Grand Street in Niantic, Connecticut. Cellco has not yet completed the approved facility modifications. We are, therefore, requesting an extension of the Council's approval for one (1) year to July 10, 2017.

If you have any questions please do not hesitate to contact me. Thank you in advance for your cooperation.

Sincerely,

Kenneth C. Baldwin
