Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated July 28, 2016, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a one-year extension of time until October 2, 2017, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Re: **PE1133-VER-20150818– Cellco Partnership d/b/a Verizon Wireless
330 Bishop Street, Waterbury, Connecticut**

Dear Ms. Bachman:

On October 2, 2015, the Siting Council approved Cellco's request to install antennas and associated equipment on an existing wireless base station at 330 Bishop Street in Waterbury, Connecticut. Cellco has not yet completed the approved wireless installation at this site. We are, therefore, requesting an extension of the Council's approval for one (1) year to October 2, 2017.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
