Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated September 14, 2017, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a second extension of time until December 17, 2018, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Dear Ms. Bachman:

On November 24, 2015, the Siting Council approved the above-referenced Sub-Petition for modifications to the existing telecommunications facility at 1057 East Main Street in Waterbury, Connecticut. Cellco's approval was extended to November 24, 2017. Due to changes in Cellco's build program, Cellco has not yet completed the approved modifications. We are, therefore, requesting an additional extension of one year, to December 17, 2018, to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
