RE: **PETITION NO. 1138** – The United Illuminating Company declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed replacement and relocation of the existing 115-kV transmission lines crossing the Housatonic River located in Stratford and Milford, Connecticut and related switching station improvements

Dear Ms. Hicks:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time for this declaratory ruling, dated January 25, 2018 per the memo from the Council to Energy and Telecommunications Industry Representatives dated May 29, 2015. Pursuant to the conditions listed in the memo, I have considered your request for an extension of construction time for this project and grant an extension of time until December 31, 2018, to complete the construction of this project.

This extension is granted with the understanding that the Council will be notified should The United Illuminating Company decide not to proceed with construction.

Sincerely,

Melanie A. Bachman  
Executive Director

Dear Chairman Stein:

The United Illuminating Company (“UI”) submits this Request for Extension pursuant to the Connecticut Siting Council’s (“Council”) May 29, 2015 Memo to Energy and Telecommunications Industry Representatives regarding Petitions for Declaratory Rulings - Construction Deadlines, in the above captioned request. UI respectfully requests an extension, until December 31, 2018, to complete construction activities, as certain coordination challenges have delayed this project.

Please do not hesitate to contact me with any questions or concerns regarding this request at (203) 499-2586. Thank you for your consideration.

Sincerely,

Amy Hicks  
The United Illuminating Company
