Melanie:

I am writing to confirm that construction of Sprint's installation at the Hawley Lane site in Stratford, which the subject of the Petition for Declaratory Ruling filed on March 20, 2018, must commence on April 2, 2018 in order to complete the work during Connecticut Light and Power's scheduled outage beginning on that date. Thank you again for expediting the review of the Petition and let me know if you need any additional information.

Good morning, Tom. Got the petition. Does it reference the 4/2 planned outage? If not, could you please provide that date via e-mail so we have it for the record? Thanks!
