Re: Docket 370 – CT Valley Electric Transmission Reliability Projects

Dear Mr. Phelps:

With this letter, I am hand-delivering to you the following:

1. Four copies of the "CEII Appendix" to the Application in the above docket, each of which consists of:
 - A. Supplement to Vol. 1, Section F – Project Need, composed of two sections. Section I consists of text on paper, and Section II consists of data on a Compact Disc. Both sections provide detailed results of power-flow studies identifying specific weaknesses and vulnerabilities in the Bulk Power Supply system.
 - B. Complete Chapter Six and Appendices A-2 and A-3 of *Report of ICF Resources LLP: Assessment of Non-Transmission Alternatives to the NEEWS Transmission Projects: Greater Springfield Reliability Project*, September 2008. A copy of this report, with redactions to Chapter Six and Appendices A-2 and A-3, is included in Vol. 5 of the Application. The full chapter reproduced in the CEII Appendix provides detailed results of power-flow studies identifying specific weaknesses and vulnerabilities in the Bulk Power Supply system.
2. Two bound volumes that together provide, in print, the data contained on the CD included as Part II of the CEII Appendix. These volumes are entitled: *Pre-Greater Springfield Reliability Project ("GSRP") Base Case Summary* and *Post-Greater Springfield Reliability Project ("GSRP") Power-Flow and Plot Tutorial*.

3. An original and 20 copies of a Motion for Protective Order and supporting affidavit relating to items 1 and 2 above;
4. A Memorandum of Law supporting the Motion for Protective Order, together with Exhibits A-E.
5. A CD containing, in digital format, copies of items 3 and 4 and of this letter.

As indicated in the Motion for Protective Order, items 1 and 2 are being filed in sealed envelopes pending a ruling on the Motion for Protective Order.

Very truly yours,

Anthony M. Fitzgerald
