Hartford, CT 06141-0270

RE: **DOCKET NO. 370** - The Connecticut Light and Power Company Certificate of Environmental Compatibility and Public Need for the Connecticut portion of the Greater Springfield Reliability Project that traverses the municipalities of Bloomfield, East Granby and Suffield, Connecticut. Vegetation Clearing.

Dear Mr. Carberry:

At a public meeting of the Connecticut Siting Council (Council) held on June 21, 2012, the Council considered your letter of notification dated April 24, 2012 regarding additional vegetation clearing on the right-of-way in East Granby that deviated from the Development and Management (D&M) Plan for the Greater Springfield Reliability Project 345-kV overhead transmission line.

Pursuant to Connecticut General Statutes §16-50hh, the Council hereby orders CL&P to allow the area identified as the "Area of Concern" attached to the April 24, 2012 notification letter from CL&P to naturally re-vegetate.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u.

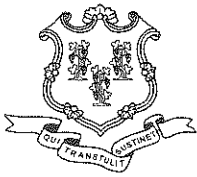

Thank you for your attention and cooperation.

Very truly yours,

Robert Stein  
Chairman

RS/CMW/laf
