CONNECTICUT SITING COUNCIL E-MAIL SERVICE OF DOCUMENTS

Pursuant to Section 16-1-15 of the Regulations of Connecticut State Agencies, the Connecticut Siting Council (Council) is offering the use of e-mail to deliver its outgoing documents and for service among participants. Individuals and companies can elect to receive most regulatory documents by e-mail rather than by U.S. mail. (Final Decisions will still be sent certified mail to participants.) This will provide a more rapid and efficient delivery of documents, reduces waste, and minimizes cost.

This is voluntary. However, those who prefer U.S. mail delivery of all documents will receive them one or more days later than those who opt for e-mail service.

The service list for each proceeding will identify those who have agreed to electronic service and their e-mail address(es). The Council emphasizes that those who accept e-mail delivery do not give up their right to request copies of bulk items or specific filings as necessary. If a request is received, the participant who generated the document(s) should provide the hard copy(ies).

Please note, however, that all proceeding submissions to the Council still need to be filed with an original and 15 copies for staff and Council member distribution, as well as an electronic filing to facilitate the Council's ability to place pending proceeding documents of the record on the Council's website (www.ct.gov/csc under the link Pending Proceedings).

To accept electronic service of documents, please complete the form below and mail it to The Connecticut Siting Council, Ten Franklin Square, New Britain, Connecticut 06051 or e-mail the document to siting.council@ct.gov. Please note that this form need only be completed once for all pending and future proceedings. You may contact us at any time if you wish to add addresses, change e-mail information, or be removed from this service.

Thank you for assistance in implementing these cost-saving and environmentally friendly efforts.

.....
I authorize e-mail service of documents in Connecticut Siting Council proceedings in which I am associated rather than U.S. mail.
