Re: Docket 373A- Continued Hearing & Settlement Discussion  
New Cingular Wireless PCS, LLC ("AT&T")  
224 Lovely Street, Avon, Connecticut

Dear Chairman Caruso and Members of the Council:

We are in receipt of August 16, 2010 correspondence to the Siting Council from the Town Planner, Mr. Steven Kushner and have reviewed it along with the August 5, 2010 revised tower site drawings prepared by Hudson Design Group that were supplied to the Town as part of a settlement discussion. I am writing to advise the Council that New Cingular Wireless PCS, LLC ("AT&T") consents to the Council approving the modifications that are incorporated into these revised plans as part of a modified Certificate in reopened Docket No. 373A. Thank you for your consideration of the enclosed.

Very truly yours,
