REQUEST BY NEW CINGULAR WIRELESS PCS, LLC ("AT&T")  
TO INTERVENE IN THIS PROCEEDING

Pursuant to Section 16-50n of the Connecticut General Statutes and Section 16-50j-15a of the Regulations of Connecticut State Agencies, New Cingular Wireless PCS, LLC (AT&T) respectfully requests permission of the Connecticut Siting Council ("Council") to participate, as an intervenor, in the application and hearing process for SBA's application for a certificate of environmental compatibility and public need for the construction, maintenance and operation of a telecommunications facility in the Town of Warren, Connecticut.

AT&T is licensed by the Federal Communications Commission ("FCC") to construct and operate a wireless communications system in various areas of the United States of America including the State of Connecticut in order to provide cellular and personal communication services to the public. AT&T has an interest in the application process to aid the Council in evaluating the public interest considerations set forth in Section 16-50g and 16-50aa of the Connecticut General Statutes. AT&T has an interest in and need for a new tower facility in the area to provide its services in the southern portion of the Town of Warren and northern portions of the adjacent Town of Washington.

The Council has admitted AT&T as an intervenor in previous dockets and AT&T proposes to participate in this application in support of the need for a new tower facility in this area of the State. For all the foregoing reasons, AT&T respectfully requests that it be named an intervenor in this proceeding.
