RE: **DOCKET NO. 399** - T-Mobile Northeast, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located 166 Pawcatuck Avenue, Stonington, Connecticut. Development and Management Plan.

Dear Attorney Langer:

On Sheet A-1 of the Development and Management Plan for this facility, the tower is depicted as having a six-foot diameter satellite dish installed at a centerline height of 97 feet above ground level. Does T-Mobile have any specific agreement in place to install such a dish or is its depiction an example of what could be installed?

Very truly yours,

Linda Roberts
