Dear Ms. Roberts:

On behalf of SBA Towers III (“SBA”), we respectfully withdraw the Development and Management Plan (“D&M Plan”) in the above-referenced proceeding pending before the Siting Council. At this time SBA is continuing to coordinate final details requested by the Siting Council and coordinate additional information from CL&P. Once these details are finalized, the D&M Plan will be resubmitted to the Siting Council for review and approval.

Please do not hesitate to contact me should you have any questions or need anything further.

Very truly yours,
