D&M Plan Revision.

Dear Attorneys Fisher and Laub:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated January 9, 2014 regarding the revision to the Development and Management (D&M) Plan for the above-referenced site that was approved by the Council on May 30, 2013. Your request for the installation of a shared emergency backup generator in lieu of the installation of a single carrier emergency backup generator at the site is hereby approved.

This approval applies only to the D&M Plan revision dated January 9, 2014. Any significant changes to the D&M Plan require advance Council notification and approval.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u.

Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-77. The Council hereby acknowledges the notification in your D&M Plan revision request dated January 9, 2014 that construction of the facility has commenced.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
