Susan J. Bellion
Project Siting Specialist – Transmission Siting
Eversource Energy
P.O. Box 270
Hartford, CT 06141-0270

RE: **DOCKET NO. 461A** - Eversource Energy Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 115-kilovolt (kV) bulk substation located at 290 Railroad Avenue, Greenwich, Connecticut, and two 115-kV transmission circuits extending approximately 2.3 miles between the proposed substation and the existing Cos Cob Substation, Greenwich, Connecticut, and related substation improvements.

Dear Ms. Bellion:

Pursuant to Regulations of Connecticut State Agencies §16-50j-62 (b) and in response to your email dated September 27, 2019, the Connecticut Siting Council (Council) staff hereby approves a temporary change to the Development and Management (D&M) Plan for additional construction hours necessary to complete transformer foundation work at the Greenwich Substation. The additional work hours would total three hours per day on October 2 and October 3, 2019, with work shifts from 5AM to 7PM instead of the previously approved work shifts of 7AM to 6PM.

This approval applies only to the temporary additional work hours requested in your email of September 27, 2019. Any additional changes to the D&M Plan require advance notification and approval in accordance with the Council's approval of the D&M Plan on January 17, 2019. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-62.

Please be advised that deviations from this plan are enforceable under the provisions of the Connecticut General Statutes § 16-50u.

Thank you for your attention and cooperation.

Sincerely,

A handwritten signature in blue ink that reads "Melanie Bachman".

Melanie Bachman
Executive Director
