RE: **PETITION NO. 907** – Montville Power LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the retrofit and operation of a 40 MW Biomass-Fueled Generation Unit at the Montville Station in Uncasville, Connecticut.

Dear Attorney Golden:

In response to your request, at the September 16, 2009 hearing the Connecticut Siting Council (Council) granted party status in Petition No. 907 to The Connecticut Light and Power Company.

All filings submitted to the Council must consist of an original and fifteen copies, labeled with the petition number, properly collated and paginated, and bound. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders or separators.

Additionally, parties and intervenors are required to serve all other parties and intervenors a copy of any material submitted in this petition, unless service is waived. Please advise us in writing if you are willing to waive service of documents. Enclosed for your reference is a copy of the current service list, dated September 16, 2009.

Copies of all Council documents filed to date in this proceeding are available for your review at the Council's office. You or your representative should inspect this material to ensure that you are aware of all scheduled proceedings and regulatory responsibilities. The applicant and other parties and intervenors will be notified of your participation and directed to forward to you a copy of all filings made to date in this proceeding. Please contact Lisa A. Fontaine, if you require any further information regarding the Council's procedure.

Yours very truly,

S. Derek Phelps  
Executive Director
