8 QUESTIONS

To ask your provider and health plan before obtaining tests, procedures, or treatment.

1 Is the provider covered by my health plan?

2 Is the provider in-network with my health plan

3 What is my copay and deductible?

4 Do I need a preauthorization for this test or procedure?

5 Is this facility part of a hospital group, or will I be charged a hospital fee?

6 Are any of these tests considered preventive by my health plan?

7 Will this issue be addressed in one visit? How many times do I need to come back?

8 Is there a generic equivalent to this medication?
