

CIPCI Conference Center Parking

There are a few free parking spaces available on a first come, first serve basis in the parking lot that is between CIPCI at 260 Ashley Street and the Urban League at 140 Woodland St – see photo below. The entrance is just to the south of the Urban League building at 140 Woodland.

There is metered street parking on Ashley street.

Otherwise park in the Collins Street Garage which is at the main hospital entrance at 114 Woodland St. The garage is equipped with an automated pay system, which allows you to pay your fee inside the hospital, before returning to your car in the garage. The central pay stations are located on the first and second floors of the hospital, near the exits to the garage.

To get to the Conference Center from the garage through the hospital buildings can be confusing. Weather permitting it is easier to go from the garage out the front lobby of the main entrance of the hospital and walk north on Woodland Street to the CIPCI building. (see campus map). As this is further away allow 5-10 minutes to get there.
