Review & Alignment

MRP Work Group Project Charter

As Goals and Objectives are reviewed, please discuss and identify areas relevant to the work/mission of this sub-committee (Medication Reconciliation & Deprescribing)

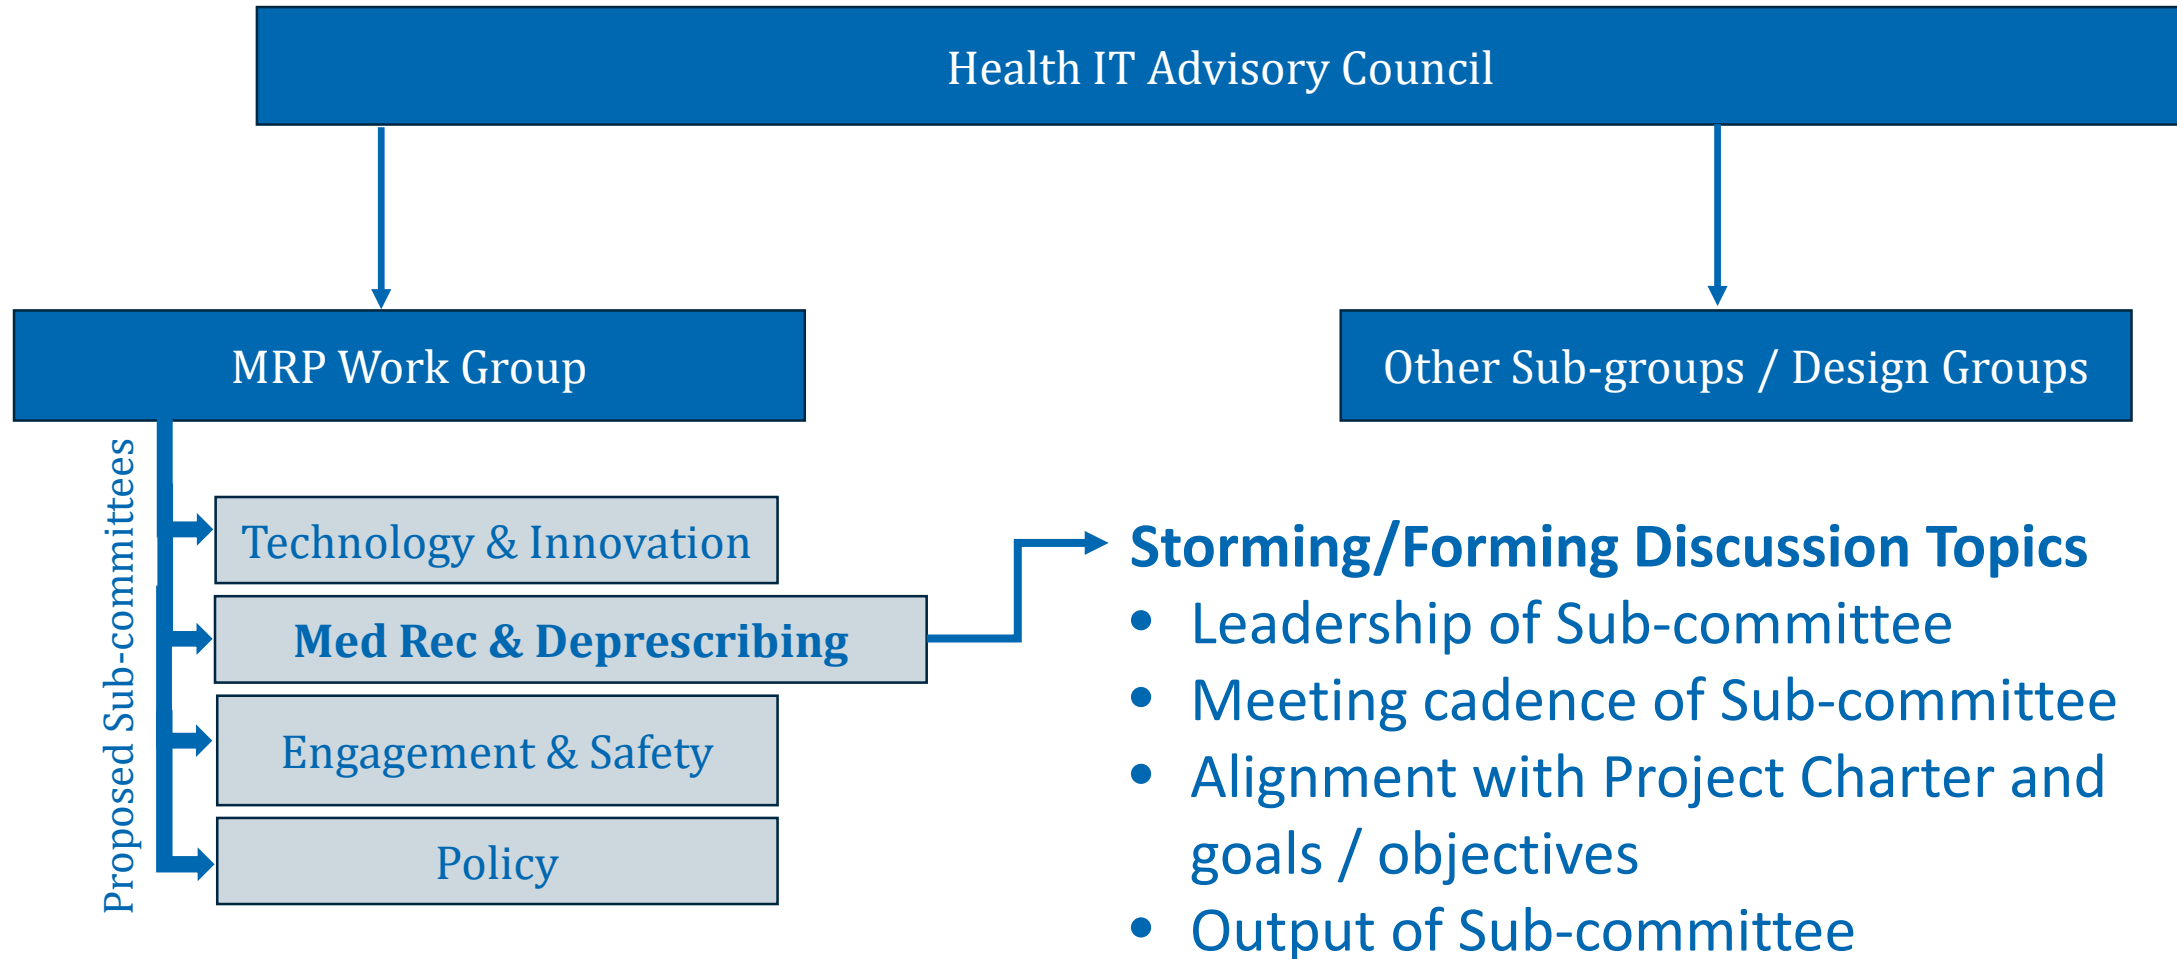

Project Goals and Objectives:

1. Develop, implement, and operate an effective organization structure and process
2. Establish foundational definitions for Work Group activities
3. Secure funding for planning, design, and development/implementation activities
4. Develop strategies to operationalize medication reconciliation by defining responsibilities, communication, and training requirements for healthcare professionals
5. Identify mechanisms to enhance efficiency and effectiveness of cancelling prescription medications
6. Develop strategies to operationalize deprescribing by defining responsibilities, communication, and training requirements for healthcare professionals
7. Develop strategies for communicating with and engaging key stakeholders
8. Support the implementation of priority recommendations based on funding availability and design approval (including proposed State Medication Management Services funding request)
9. Evaluate the effectiveness of any implemented standards and solutions

Sub-committee Forming and Storming

Discussion

Strawman – MRP Work Group Structure

Considerations

- Landscape analysis of deprescribing activities and policies in CT
- Defining deprescribing and the technical steps required to remove a medication
- Understanding risks/barriers to deprescribing
 - Address concerns from prescriber
- Pathways to deprescribing
 - Initiated by the **prescriber** through the EMR to the pharmacy?
 - Initiated by the **patient** via the pharmacy to the EMR?
