Notification Regarding Shelled Space (1 OR)

Dear Ms. Martone,

We are filing this notification pursuant to Section 19a-638 (a) (12), to report that The Danbury Hospital's Ridgefield Surgery Center, a provider-based outpatient facility ("Center"), has outfitted a shelled space for surgery. In Docket No. 04-30383, OHCA approved the establishment and operation of three (3) operating rooms as well as one (1) shelled space to be used for surgery at the Center. This increases the operating room count from three (3) to four (4) at the Center. This is the only new operating room to be opened for surgery at the Center within a three-year period.

If you have any questions regarding the change to this affiliated entity, please do not hesitate to call me at 203-739-4903.

Thank you,
