Interim Director, Liquor Control Division

RE: Delivery Extension Approved for December 2025

The Department received a written request filed by the Wine and Spirits Wholesalers of Connecticut, Inc. ("WSWC") requesting permission for wholesalers to deliver alcohol beverage products ordered in December 2025 through Saturday, January 3, 2026, due to weather related disruptions from a recent snow storm impacting the state on December 26-27, 2025.

Based upon the circumstances outlined in their correspondence, the Department is approving a limited delivery extension, subject to the following conditions:

- Deliveries of December 2025 orders are approved through Friday, January 2, 2026 only.
- Deliveries on Saturday, January 3, 2026 are not approved.
- All orders must be placed on or before December 31, 2025. Orders placed after that date are not eligible for delivery under this approval.

A friendly reminder that January 1, 2026 is a state holiday and no deliveries can be made to off-premises permit locations.

This delivery extension applies uniformly to all licensed wholesalers in the State of Connecticut.

Wholesalers are further reminded that no deliveries of products ordered in December 2025 may occur after January 2, 2026. The Department may conduct compliance checks to ensure that deliveries made pursuant to this approval are consistent with the terms of this letter. All deliveries must otherwise comply with the Connecticut Liquor Control Act and Regulations.

This approval is limited to the dates stated above and does not constitute a standing or future approval.
