REMAND ORDER

Respondents filed an appeal on January 15, 2025, from the December 30, 2024 Order issued by the Administrative Law Judge acting for the Fourth District. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the Fourth District for a formal hearing or other appropriate action.
