REMAND ORDER

Claimant filed an appeal on March 11, 2025, from the February 19, 2025 Order issued by the Administrative Law Judge acting for the First District, following an informal hearing held on January 30, 2025. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the First District for a formal hearing or other appropriate action.
