The purpose of this communication is to notify you of a change in HPV formulations.

New HPV Formulation

The Centers for Disease Control & Prevention (CDC) has notified the CVP that beginning September 1, 2018 Gardasil[®] will only be available in 10 pack syringes (NDC # 00006-4121-02). You can continue to administer any Gardasil[®] vials you currently have in inventory but all future orders you place will be filled with 10 x 1 pack syringes. The dose for the pre-filled syringe is the same as the vial (0.5 mL) and the CPT code remains the same as well (90651).
