 - Berlin FD
 - Bloomfield FD

Application Status Report

John Masciadrelli reported that to-date there have been 188 PSDN requests submitted to the PSDN Governance Board that are in the pre-approval stage or have been approved and are operating on the PSDN. 167 of those requests have been raised, reviewed and/or voted on by the board. All 167 requests have been approved to operate on the PSDN. Mr. Masciadrelli reported that to-date there are 143 requests operating on the PSDN. There are 24 additional requests awaiting an implementation date or are in the process of being implemented. The remaining requests are in various stages of the connection process.

Application Review and Approval

John Masciadrelli presented request NM17988 East Windsor Public schools is requesting access to the PSDN to connect East Windsor's schools Avigilon camera system to the East Windsor Police Station. The camera system will be used to monitor the schools for safety and security purposes. John Gustafson made a motion to approve NM17988. Kevin Gridley seconded the motion. Application NM17988 was voted on and approved.

John Masciadrelli presented request NM18001 Glastonbury PD is requesting access to the PSDN for the transport of Nexgen Computer Aided Dispatch (CAD) services between the Glastonbury Police Department and the East Hampton Police Department. This is a Core service and no vote is necessary.

John Masciadrelli presented request NM18080 Connecticut Telecommunications Systems (CTS) is requesting a circuit on the PSDN to provide P-25 compliant public safety radio backhaul services from the Connecticut Statewide Emergency Communications Center (CSECC) to the CSP Master Radio System (Rocky Hill) and Secondary Master Radio System (Southbury). This is a Core service and no vote is necessary.

John Masciadrelli presented request NM18083 Connecticut Telecommunications System is requesting access to the PSDN to support a 10 Mbps circuit from Connecticut Statewide Emergency Communications Center (CSECC) to the CSP Master Radio System (Rocky Hill) and Secondary Master Radio System (Storrs). The circuit will be used to transport P25 logging recordings to the central repository. This is a Core service and no vote is necessary.

John Masciadrelli presented request NM18119 Southwestern Regional Communication Center (SWRCC) is requesting access to the PSDN to support P25 compliant radio over IP communications for assets at St. Vincent's Hospital. This is a Core service and no vote is necessary.

Discussion

No discussion.

Public Comment

John Masciadrelli announced that the next PSDN Governance board is scheduled for April 20, 2022.

Adjournment

Jeff Morrissette motioned to adjourn the meeting. The motion was seconded by Kevin Gridley. The meeting was adjourned at 10:47 a.m.
