## **Chapter 1     STATEMENT OF POLICIES AND OBJECTIVES**

### **INTRODUCTION**

The Section 8 program (*now known as the Section 8 Housing Choice Voucher Program*) became law as part of the Housing and Community Development Act of 1974 that re-codified the U. S. Housing Act of 1937. The Housing and Community Development Act has been amended from time to time and its requirements, as they apply to the Section 8 tenant-based assistance program, are described in and implemented through this Administrative Plan.

Administration of the Section 8 Housing Choice Voucher Program (HCV) described herein is the responsibility of the State of Connecticut Department of Housing (DOH) and its contract administrator, jointly hereafter referred to as the public housing agency (PHA). Administration of the DOH Section 8 Housing Choice Voucher Program shall comply with the Section 8 Housing Choice Voucher regulations of the U. S. Department of Housing and Urban Development (HUD) as well as with all federal, state and local fair housing laws and regulations. The Department of Housing and its contractors comply with the State Code of Ethics as set forth in Connecticut General Statutes Title 1, Chapter 10, Sections 1-79 through 1-101 inclusive.

### **Jurisdiction**

State law, Section 8-37r of the Connecticut General Statutes, designates the Department of Housing as a public housing agency for the purpose of administering the housing voucher program pursuant to the Housing Act of 1937 in all one-hundred sixty-nine incorporated towns in the state.

### **DEPARTMENT MISSION STATEMENT/OVERVIEW**

The Department of Housing (DOH) is a statewide public agency that works in concert with municipal leaders, public agencies, community groups, local housing authorities, and other housing developers in the planning and development of affordable homeownership and rental housing units, the preservation of existing multi-family housing developments, community revitalization and financial and other support for our most vulnerable residents through our funding and technical support programs. As the State's lead agency for all matters relating to housing, DOH provides leadership for all aspects of policy and planning relating to the development, redevelopment, preservation, maintenance and improvement of housing serving very low, low, and moderate-income individuals and families. DOH is also responsible for overseeing compliance with applicable statutes, regulations and financial assistance agreements for funded activities through long-term program compliance monitoring. DOH is also designated as a public housing agency for the purposes of administering the Section 8 Housing Choice Voucher (HCV) Program under the federal Housing Act and its mission is to provide safe, decent, affordable housing for eligible Connecticut residents.

DOH strengthens and revitalizes communities by promoting affordable housing opportunities. DOH seeks to eliminate homelessness and to catalyze the creation and preservation of quality,

affordable housing to meet the needs of all individuals and families statewide to ensure that Connecticut continues to be a great place to live and work.

The executive management of the department is vested in a Commissioner of Housing and a Deputy Commissioner. The Department of Economic and Community Development, which provides shared services, including but not limited to Human Resources, and Information Technology, supports DOH administratively. By statute, a statewide Housing Advisory Council provides guidance and assistance to the Commissioner. DOH has approximately 44 full-time employees and administers more than one-hundred and eighty million dollars in state general fund and state bond fund allocations, as well as one-hundred million dollars in direct federal grant funds.

Within the department, the Office of Individual and Family Programs is authorized to administer the HCV Program. In addition to the HCV program, the group maintains oversight of the Section 8 Moderate Rehabilitation Program, and the state-funded Rental Assistance Payments (RAP) program that has a significant commitment to supportive housing.

#### LOCAL GOALS [§ 24 CFR 982.1]

The Section 8 program is designed to achieve these major objectives:

1. To provide decent, safe and sanitary housing for very low-income families while maintaining their rent payments at an affordable level.
2. To ensure that all units meet housing quality standards and those families pay fair and reasonable rents.
3. To promote fair housing and the opportunity for very low-income families of all backgrounds to experience freedom of housing choice.
4. To aide in the elimination of chronic homelessness.
5. To promote a housing program that maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.

In addition, the PHA has the following goals for the program:

1. To assist the local economy by increasing the occupancy rate and the amount of money flowing into the community.
2. To encourage the self-sufficiency of participating families.
3. To create positive public awareness and expand the level of support among families, owners and the community in accomplishing the PHA's mission.

4. To attain and maintain a high level of standards and professionalism in our day-to-day management of all program components.
5. To administer an efficient, high-performing agency through continuous improvement of the PHA's support systems and commitment to our employees and their development

#### PURPOSE OF THE PLAN [§ 24 CFR 982.54]

The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the Agency Plan. The Housing Choice Voucher Program was implemented as of October 1, 1999. The PHA is responsible for complying with all changes in HUD regulations pertaining to these programs. If such changes conflict with this plan, HUD regulations will have precedence. The original plan and any changes must be approved by the Commissioner of DOH, with the pertinent sections included in the Agency Plan and a copy provided to HUD.

Applicable regulations include:

1. § 24 CFR Part 5, General Program Requirements
2. § 24 CFR Part 8, Nondiscrimination Based on Handicap in Federally Assisted Programs
3. § 24 CFR Part 982, Section 8 Tenant-Based Assistance

#### ADMINISTRATIVE FEE RESERVE [§ 24 CFR 982.54(d)(21)]

All expenditures from the administrative fee reserve will be approved by the Commissioner and made in accordance with the approved budget.

#### RULES AND REGULATIONS [§ 24 CFR 982.52]

This administrative plan is set forth to define the PHA's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD memos, notices and guidelines or other applicable law. The policies in this Administrative Plan have been designed to ensure compliance with the consolidated annual contributions contract (ACC) and all HUD-approved applications for program funding.

#### LOCAL PREFERENCE FOR ADMISSION

##### Homeless Preference for Admission

The PHA will give preference to applicant households meeting all of the following criteria:

1. Are referred to PHA by either a statewide homeless service provider with whom PHA has executed a Memorandum of Understanding (MOU) outlining the provider's responsibilities with respect to the provision of supportive housing and supportive services for the referred household, or through a DOH-funded homeless service program;

2. Have received a written commitment from the homeless service provider for supportive services to help the household's transition from supportive to permanent housing; and
3. Have received a written commitment from the homeless service provider for supportive services to help the household comply with Housing Choice Voucher program rules.

Persons transitioning out of the Department of Housing and Urban Development Continuum of Care housing programs (formerly Shelter Plus Care/Supportive Housing Programs) and/or any state funded Permanent Supportive Housing programs into permanent housing will be included as a priority group as part of this preference.

This preference shall be limited to applicants who have been certified as meeting the criteria for this preference by the homeless service provider noted above.

This preference shall be limited to two vouchers in three issued by the PHA.

## FAIR HOUSING POLICY [§ 24 CFR 982.54(d)(6)]

It is the policy of the PHA to comply fully with all federal, state and local nondiscrimination laws and with the rules and regulations governing fair housing and equal opportunity in housing and employment.

The PHA shall not deny any family or individual the equal opportunity to apply for or receive assistance under the Section 8 program based on race, color, sex, gender identity or expression, religion, creed, national or ethnic origin, ancestry, age, familial or marital status, lawful source of income, handicap or disability, or sexual orientation. The PHA will make every effort to provide training and materials to its staff to enable them to inform owners and tenants of the requirements of § 46a-7 (*discrimination based on physical or mental disability*) and § 46a-11f (*discrimination based on lawful sources of income*) of the Connecticut General Statutes.

To further its commitment to full compliance with applicable civil rights laws, the PHA will provide federal/state/local information to voucher holders regarding unlawful discrimination and any recourse available to families who believe they are victims of a discriminatory act. Such information will be made available during the family briefing session and all applicable fair housing information and discrimination complaint forms will be made a part of the voucher holder's briefing packet and available upon request at the front desk.

All PHA staff will be required to attend fair housing training and informed of the importance of affirmatively furthering fair housing and providing equal opportunity to all families, including providing reasonable accommodations to persons with disabilities, as a part of the overall commitment to quality customer service. Fair housing posters are posted throughout PHA offices, including in the lobby and interview rooms and the equal opportunity logo will be used on all outreach materials. Staff will attend local fair housing update training sponsored by HUD and other local organization to keep current with new developments.

Except as otherwise provided in § 24 CFR 8.21(c)(1), 8.24(a), 8.25 and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in or otherwise be subjected to discrimination because the PHA's facilities are inaccessible to or unusable by persons with disabilities. Posters and housing information are displayed in locations throughout the PHA's offices in such a manner as to be readable easily from a wheelchair.

The PHA's offices are accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD/TTY telephone service provider.

The PHA will attempt to remedy discrimination complaints made against the PHA.

The PHA will provide a copy of a discrimination complaint form to any person or family claiming to be aggrieved and provide that person or family with information on how to complete and submit the form to HUD's Office of Fair Housing and Equal Opportunity (FHEO) including the provision of the toll free numbers for the Housing Discrimination Hotline (800)-669-9777 and Federal Relay Service at (800) 887-8339 or [www.gsa.gov/fedrelay](http://www.gsa.gov/fedrelay) .

## REASONABLE ACCOMMODATIONS POLICY [§ 24 CFR 100.202]

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services.

A person with a disability must request a specific change to a policy or practice as an accommodation of his or her disability before the PHA will treat a person differently than anyone else. The PHA's policies and practices will provide persons with disabilities with reasonable accommodations, upon request, so that they may fully access and utilize the housing program and related services. The PHA will provide information concerning reasonable accommodations at the initial tenant briefing and again at each annual re-examination. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities, and is applicable to all situations described in this administrative plan, including, but not limited to:

1. when a person initiates contact with the PHA, when the PHA initiates contact with a person (*including when a person applies*), and
2. when the PHA schedules or reschedules appointments of any kind.

A person requesting a reasonable accommodation must meet the definition of a person with a disability, as "disability" is defined in the Americans with Disabilities Act ("ADA"):

1. A physical or mental impairment that substantially limits one or more of the major life activities of the individual;
2. A record of such an impairment; or
3. Being regarded as having such impairment.

*[Note: This is not the same as the HUD definition used for purposes of determining allowances.]*

The term "physical or mental impairment" includes alcoholism and drug addiction, other than addiction caused by current, illegal use of a controlled substance. A person who has successfully completed a supervised drug rehabilitation program or has otherwise been successfully rehabilitated and is no longer engaging in the illegal use of drugs, or is participating in a supervised rehabilitation program and is no longer engaging in the illegal use of drugs, is covered under the ADA. Current drug users are not covered.

A person requesting a reasonable accommodation should explain what type of accommodation the person is requesting and, if the need for the accommodation is not readily apparent or not known to the PHA, explain the relationship between the requested accommodation and the disability. A person with a disability that is not readily apparent must provide the PHA with reliable information that verifies that the person meets the definition of disabled, describes the needed accommodation, and shows the relationship between the person's disability and the need for the requested accommodation. The PHA will provide forms to assist a person making a

reasonable accommodation request to verify such information, although the person is not required to use the forms to make the request. The PHA will keep all information relevant to a reasonable accommodation request confidential.

If the PHA finds that the requested accommodation creates an undue administrative or financial burden or fundamentally alters the nature of the provider's operations, the PHA will, in a reasonable time, deny the request in writing and discuss with the person whether there is an alternate accommodation it believes will meet the needs of the person.

If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review the PHA's decision.

A person with a disability may identify a designee to provide information to the PHA.

All PHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

### **Applying for Admission**

All persons who wish to apply for any of the PHA's programs must submit a pre-application via written format, as indicated in our public notice. Applications will be made available in an accessible format upon request from a person with a disability.

To provide specific accommodation to persons with disabilities, upon request, the information may be mailed to the applicant and, if requested, it will be mailed in an accessible format.

The full application is completed at the eligibility appointment in the applicant's own handwriting, unless assistance is needed, or a person with a disability requests an accommodation. Applicants then will be interviewed by PHA staff to review the information on the full application form. Verification of disability, as it relates to Section 504, Fair Housing, or ADA reasonable accommodation, will be requested at this time.

### **TRANSLATION OF DOCUMENTS**

The PHA has bilingual staff to assist non-English speaking families in Spanish and other languages spoken in the communities. Documents will be translated into Spanish and other languages as determined by the PHA.

In determining whether it is feasible to provide translation of documents written in English into other languages, the PHA will consider the following factors:

1. Number of applicants and participants in the jurisdiction who do not speak English and speak the other language.
2. The availability of local organizations to provide translation services to non-English speaking families.

3. Availability of bi-lingual staff to provide translation for non-English speaking families.

#### MANAGEMENT ASSESSMENT OBJECTIVES

The PHA operates its housing assistance program with efficiency and can demonstrate to HUD auditors that the PHA is using its resources in a manner that reflects its commitment to quality and service. The PHA policies and practices are consistent with the goals and objectives of the following HUD SEMAP indicators:

1. Selection from the Waiting List
2. Reasonable Rent
3. Determination of Adjusted Income
4. Utility Allowance Schedule
5. HQS Quality Control Inspections
6. HQS Enforcement
7. Expanding Housing Opportunities
8. Payment Standards
9. Annual Re-examinations
10. Correct Tenant Rent Calculations
11. Pre-Contract HQS Inspections
12. Annual HQS Inspections
13. Lease-up
14. Family Self-Sufficiency Enrollment and Escrow Account Balances
15. Bonus Indicator (*de-concentration*)

A PHA supervisor or other qualified person other than the person who performed the work, as required by HUD, on the following SEMAP factors, will perform supervisory quality control reviews:

1. Selection from the waiting list
2. Rent reasonableness
3. Determination of adjusted income
4. HQS enforcement
5. HQS quality control

The annual sample of files and records will be drawn in an unbiased manner, leaving a clear audit trail.

#### RECORDS FOR MONITORING PHA PERFORMANCE

In order to demonstrate compliance with HUD and other pertinent regulations, the PHA will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to follow, monitor and or assess the PHA's operational procedures objectively and with accuracy and in accordance with SEMAP requirements with internal supervisory audits.

In addition to the required SEMAP documentation, supervisory staff audits the following functions:

1. Not less than five percent of reexaminations.
2. Not less than five percent of new applications.
3. Not less than five percent of claims processed.

#### **Family File**

To facilitate monitoring and program auditing the PHA will maintain a file for each family when the family is selected from the waiting list and keep the file active until the family is no longer a program participant. The inactive file should be kept for a minimum of three years. The file should contain the following:

1. Application forms
2. Income verification forms
3. A copy of each voucher issued
4. Copies of relevant correspondence
5. All requests for lease approval
6. A copy of all approved leases
7. All rent reasonableness determinations
8. All unit inspection forms
9. A copy of each HAP contract executed by PHA and owner
10. Interim re-determination forms and related records
11. Notification of lease disapproval, if applicable
12. Records concerning denial of assistance or termination of assistance
13. All PHA records and determinations concerning informal reviews or hearings
14. DCF referral (*for Family Unification Participants only*)

15. Social Security number verification
16. Non-citizen verification
17. Proof of legal identity for all family members

#### PRIVACY RIGHTS [§ 24 CFR 5.212]

Applicants and participants, including all adults in their households, are required to sign the HUD Form 9886, Authorization for Release of Information. This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The PHA's policy regarding release of information is in accordance with state and local laws that may restrict the release of family information. All family information is subject to Connecticut's Freedom of Information Act ("FOIA") and all corresponding rules, regulations, and interpretations.

All information that would lead one to determine the nature and/or severity of a person's disability must be kept in a separate folder and marked "confidential". The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration. All requests for access and granting of accommodations based on this information must be approved by the PHA.

The PHA's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files will be stored in a secure location that is only accessible by authorized staff.

PHA staff will not discuss family information contained in files unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

All files must be signed for when removed from the secured file storage area.

#### FAMILY OUTREACH

The PHA will publicize and disseminate information to make known the availability of housing assistance and related services for very low-income families on a regular basis. When the PHA's waiting list is open, the PHA will publicize the availability and nature of housing assistance for very low-income families in newspapers of general circulation, minority media, the agency website and by other suitable means. Notices will also be provided in Spanish and other languages upon request.

The PHA will communicate the status of housing availability to other service providers in the community; advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

#### OWNER OUTREACH [§ 24 CFR 982.54(d)(5)].

The PHA encourages owners of decent, safe and sanitary housing units to lease to Section 8 families. The PHA maintains a list of interested owners for the Section 8 program and updates this list at least annually. When listings from owners are received, they will be compiled by the PHA staff by bedroom size.

The PHA will maintain lists of available housing submitted by owners in all neighborhoods within the PHA's jurisdiction to ensure greater mobility and housing choice to very low-income households. The lists of owners will be provided at the front desk and provided at briefings.

The staff of the PHA initiates personal contact with private property owners and managers by conducting formal and informal discussions and meetings.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

The PHA conducts periodic meetings with participating owners to improve owner relations and to recruit new owners.

#### DISCRETION TO OPERATE A PROJECT-BASED VOUCHER (PBV) PROGRAM [§ 24 CFR 983.5 (c), 983.6 (a), 983.51(b)(d)]

The PHA will exercise its discretionary authority to operate a project-based component. The option to set-aside up to twenty percent of budget authority (§ 24 CFR 983.6(a)) will permit the PHA to develop and maintain long-term safe, decent and affordable housing that is accessible to its Section 8 applicants and program participants. The PHA has not set a specific goal for its budget authority that it will dedicate to its PBV program; however, in any given calendar year, the PHA reserves the right to utilize up to twenty percent of its budget authority for its PBV program.

#### **Selection of PBV Owner Proposals**

The final rule establishes two methods that a PHA can use to select owner proposals. These methods are found at § 24 CFR 983.51(b)(1) and (2). The PHA will utilize the following PBV proposal selection methods:

1. § 24 CFR 983.51(b)(1) permits the PHA publicly to issue a competitive request for PBV proposals.
  - a. The PHA, at its discretion, may make vouchers available in support of Connecticut's Interagency Committee on Supportive Housing and Homelessness initiative. Competitive RFP's are periodically issued by the Connecticut Housing Finance Authority (CHFA) on behalf of the partnering agencies for capital funds, service dollars and rent subsidies. If implemented, proposals will be reviewed and selected by representatives from participating agencies. CHFA will notify

successful applicants and public announcement will be completed by the partner agencies on their respective websites.

- b. In addition, project-based vouchers may be made available by the PHA, at its discretion, for supportive housing, housing for homeless families or for housing with a veteran's preference through the Department of Housing's competitive funding processes, including but not limited to the Competitive Housing Assistance for Multifamily Properties initiative (CHAMP).
  - c. The PHA may also consider making project-based vouchers available in conjunction with supportive housing, housing for homeless families or housing with a veteran's preference included in the 9% tax credit competitive proposal process under CHFA's Federal Low-Income Housing Tax Credit program. CHFA administers the Federal Low-Income Housing Tax Credit Program and at least annually conducts a competitive procurement for 9% tax credits based on criteria in its Qualified Allocation Plan (QAP). At the PHA's discretion, the tax credit procurement may include PHA section 8 project-based vouchers to be made available for tax credit units dedicated for supportive housing, housing for homeless families or housing with a veteran's preference. Proposals will be reviewed and selected based on competitive criteria by staff of the authority and the PHA. Successful applicants will be notified and public notice provided through the PHA's and the authority's websites.
2. § 24 CFR 983.51(b)(2) permits the PHA to select proposals that have successfully competed for housing assistance under a federal, state or local government housing assistance, community development or supportive services program, provided the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance.

At its option and on a case-by-case basis, the PHA may entertain requests to attach PBV assistance to units previously selected by a non-PBV competition, in accordance with the requirement of § 24 CFR 983.51(b)(2)), under the following circumstances:

1. Adequate PBV voucher and budget authority is projected to be available when the units are ready for occupancy;
2. The request meets a compelling need and is otherwise consistent with the PHA's long-term affordable housing goals;
3. The project is otherwise in compliance with all HUD and the PHA's PBV requirements.

The owner/project sponsor must initiate a written request for PBV assistance to the PHA accompanied by a letter from the "selection agency" that competitively selected the project for housing assistance under a federal, state or local government program. This letter, submitted on

the “selection agency’s” letterhead and signed by an authorized official, must include the following information:

1. Date of the proposal selection;
2. A certification that the proposal was competitively selected by the agency in full compliance with all publicly advertised selection requirements;
3. A statement that proposal selection did not involve any consideration that the project would receive PBV assistance.
4. A copy of the NOFA or other similar solicitation for affordable housing assistance that the owner/project sponsor responded to; and,
5. A description of the housing program that the applicant successfully completed, noting any special deed restrictions and/or special considerations such as tenant selection preferences.

When the PHA receives the “selection agency” letter, it will request that the owner/project sponsor fill out a PHA PBV application and subsequently determine if a reservation of PBV can and will be made.

**Public notice of PHA PBV owner/project sponsor selection (§ 24 CFR 983.51(d))**

Once the PHA has received all required HUD approvals to proceed to AHAP or HAP and all other program requirements have been met, the PHA will publicly announce the selection of owner proposals on its website at <http://www.ct.gov/DOH/site/default.asp>.

**Chapter 2**      **ELIGIBILITY FOR ADMISSION [§ 24 CFR Part 5, Subparts B, D & E; Part 982, Subpart E]**

**INTRODUCTION**

This chapter defines both HUD's and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

**ELIGIBILITY FACTORS [§ 24 CFR 982.201(b)]**

The PHA accepts applications only from families whose head or spouse is at least 18 years of age or is an emancipated minor under state law.

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PHA.

The HUD eligibility criteria are:

1. An applicant must be a "family"
2. An applicant must be within the appropriate income limits
3. An applicant must furnish Social Security numbers for all family members age six and older
4. An applicant must furnish evidence of citizenship or eligible immigrant status and verification where required
5. An applicant must furnish proof of legal identity

At least one member of the applicant family must either be a U. S. citizen or have eligible immigration status before the PHA may provide any financial assistance.

Reasons for denial of admission are addressed in Chapter 15 of this Administrative Plan, "Denial or Termination of Assistance." These reasons for denial constitute additional admission criteria.

The family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors.

Evidence of citizenship or eligible immigrant status will not be verified until the family is selected from the waiting list for final eligibility processing for issuance of a voucher, unless the PHA determines that such eligibility is in question, whether or not the family is at or near the top of the waiting list.

## FAMILY COMPOSITION [§ 24 CFR 982.201(c)]

The applicant must qualify as a family. A family may be a single person or a group of persons.

A family includes a family with a child or children. A group of persons consisting of two or more elderly persons or disabled persons living together or one or more elderly, near elderly, or disabled persons living with one or more live-in aides is a family. The PHA determines if any other group of persons qualifies as a family.

A single person family may be:

1. An elderly person.
2. A displaced person.
3. A person with a disability.

*(Individuals may not be considered disabled for eligibility purposes solely based on any drug or alcohol dependence.)*

4. Any other single person.
5. A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home and is not intended to enlarge artificially the space available for other family members.

### **Head of Household**

The head of household is an adult member of the household, designated by the family as head, who is wholly or partially responsible for paying the rent and has the legal capacity to enter into a lease under state law. Emancipated minors who qualify under state law will be recognized as head of household.

### **Spouse or Head**

Spouse means the husband or wife of the head.

For proper application of the non-citizens rule, the definition of spouse is the marriage partner who would need to be divorced to dissolve the relationship. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others or co-heads.

### **Co-Head**

An individual in the household who is equally responsible for the lease with the head of household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Minors who are emancipated under state law may be designated as a co-head.

### **Live-in Attendants**

A family may include a live-in aide provided that such live-in aide:

1. Is determined by the PHA to be essential to the care and well-being of an elderly person, a near-elderly person (*i.e., aged 50-61*) or a person with disabilities,
2. Is not obligated for the support of the person(s) and
3. Would not be living in the unit except to provide care for the person(s).

A live-in aide is treated differently than family members:

1. Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.
2. Live-in aides are exempt from the non-citizen rule requirements.
3. Live-in aides will not be considered as a remaining member of the tenant family.

Relatives are not excluded automatically from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

A live-in aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly (*i.e., aged 50-61*) or disabled.

The PHA will approve a live-in aide if needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability. Approval of a live-in aide for reasonable accommodation will be in accordance with § 24 CFR Part 8 and the reasonable accommodations section in Chapter 1 of this Administrative Plan, "Statement of Policies and Objectives."

Verification must include the hours during which the care will be provided.

[§ 24 CFR 982.316] At any time, the PHA may refuse to approve a particular person as a live-in aide or may withdraw such approval if:

1. The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
2. The person commits drug-related criminal activity or violent criminal activity; or
3. The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

## **Split Households Before Voucher Issuance**

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation and the new families both claim the same placement on the waiting list and there is no court determination, the PHA will make the decision taking into consideration the following factors:

1. Which family member applied as head of household.
2. Which family unit retains the children or any disabled or elderly members.
3. Restrictions that were in place at the time the family applied.
4. Role of domestic violence or criminal activity in the split.
5. Recommendations of social service agencies or qualified professionals such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the PHA.

## **Multiple Families in the Same Household**

When families apply that consist of two families living together (*such as a mother and father and a daughter with her own husband or children*), if they apply as a family unit, they will be treated as a family unit.

## **Joint Custody of Children**

Children who are subject to a joint custody agreement but live with one parent at least fifty-one percent of the time will be considered members of the household. "Fifty-one percent of the time" is defined as one-hundred eight-three calendar days that do not have to be consecutive.

When both parents are on the waiting list and both are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

## **INCOME LIMITATIONS [§ 24 CFR 982.201(b), 982.353]**

In order to be eligible for assistance, an applicant must have an annual income at the time of admission that does not exceed the very low-income limits for occupancy established by HUD.

To be income-eligible the family may be under the low-income limit in any of the following categories: [§ 24 CFR 982.201 (b)]

1. A very low-income family.

2. A low-income family that is continuously assisted under the 1937 Housing Act.  
An applicant is continuously assisted if the family has received assistance under any 1937 Housing Act program within one-hundred twenty calendar days of voucher issuance. Programs include public housing, all Section 8 programs and all Section 23 programs.
3. A low-income family physically displaced by rental rehabilitation activity under § 24 CFR Part 511.
4. A low-income non-purchasing family residing in a HOPE 1 or HOPE 2 project.
5. A low-income non-purchasing family residing in a project subject to a home-ownership program under § 24 CFR 248.173.
6. A low-income family displaced because of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract under § 24 CFR 248.165.
7. A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a resident home ownership program.

To determine if the family is income-eligible, the PHA compares the annual income of the family to the applicable income limit for the family's size.

Families whose annual income exceeds the income limit will be denied admission and offered an informal review.

For admission to the program (*initial lease-up*), seventy-five percent of the families must be within the extremely low-income limit for the jurisdiction of the receiving PHA that they want to live.

Portability – for initial lease-up, families who exercise portability must be within the very low-income limit for the jurisdiction of the receiving PHA in which they want to live.

#### MANDATORY SOCIAL SECURITY NUMBERS [§ 24 CFR 5.216, 5.218]

Families are required to provide verification of Social Security numbers for all family members age 6 and older before admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.

Persons who have not been issued a Social Security number must sign a certification that they have never been issued a Social Security number.

Persons who disclose their Social Security number but cannot provide verification must sign a certification and provide verification within sixty business days. Elderly persons must provide verification within one-hundred twenty calendar days.

#### CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS [§ 24 CFR Part 5, Subpart E]

In order to receive assistance, a family member must be a U. S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the citizenship/eligible immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

**Mixed Families.** A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated based on the number of citizens and eligible immigrants to the number in the household. A family may request a hearing if they contest their determination as a mixed family.

**All members ineligible.** Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

**Non-citizen students.** As defined by HUD in the non-citizen regulations at § 24 CFR 5.522, these persons are not eligible for assistance.

**Appeals.** For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants, as described in greater detail in Chapter 18 of this administrative plan.

#### OTHER CRITERIA FOR ADMISSIONS [§ 24 CFR 982.552(b)]

The PHA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.

The family must have not violated any family obligation during the last year of previous participation in the Section 8 program before final eligibility determination.

The PHA will make an exception, if the family member who violated the family obligation is not a current member of the household on the application.

The family must be in good standing regarding any current payment agreement made with another PHA for a previous debt incurred, before this PHA will allow participation in its Section 8 program.

No family member may have been evicted from public housing for any reason during the last three years before final eligibility determination.

The PHA will check criminal history for all adults in the household to determine whether any member of the family has violated any of the prohibited behaviors as referenced in Chapter 15 of this Administrative Plan, "Denial or Termination of Assistance." In deciding whether to deny or terminate assistance because of action or failure to act by members of the family, the PHA has discretion to consider all of the circumstances in each case, including the seriousness of the case. The PHA may use its discretion in reviewing the extent of participation or culpability of individual family members and the length of time since the violation occurred. The PHA may also review the family's recent history and record of compliance and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

If any applicant deliberately misrepresents the information that eligibility or tenant rent is established, the PHA may deny assistance and may refer the family file/ record to the proper authorities for appropriate disposition.

#### TENANT SCREENING [§ 24 CFR 982.307]]

The PHA will take into consideration any of the criteria for admission described in Chapter 15 of this Administrative Plan, "Denial or Termination of Assistance."

The PHA will not screen family behavior or suitability for tenancy. The PHA will not be liable or responsible to the owner or other persons for the family's behavior or the conduct in tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as [§ 24 CFR 982.307(a)(3)]

1. Payment of rent and utility bills
2. Caring for a unit and premises
3. Respecting the rights of other residents to the peaceful enjoyment of their housing
4. Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and
5. Sexual Offender subject to state or federal registration
6. Compliance with other essential conditions of tenancy.

The PHA will give the owner:

1. The family's current and prior address as shown in the PHA's records; and

2. The name and address (if known by the PHA) of the owner at the family's current and prior addresses.

The PHA will advise families how to file a complaint if they believe they have been discriminated against by an owner. The PHA will advise the family to make a fair housing complaint. The PHA may also report the owner to HUD (*Fair Housing/Equal Opportunity*) or the local fair housing organization.

#### CHANGES IN ELIGIBILITY BEFORE EFFECTIVE DATE OF CONTRACT

Changes that occur during the period between placement on the waiting list and issuance of a voucher may affect the family's eligibility or share of the rental payment.

#### INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review or an informal hearing if they were denied due to non-citizen status. See Chapter 18 of this Administrative Plan, "Complaints and Appeals," for additional information about reviews and hearings.

#### PROHIBITED ADMISSIONS CRITERIA [§ 24 CFR 982.202(b)]

Admission to the program may not be based on:

1. Where the family lives (housing, not geography) before admission to the program.
2. Discrimination because the members of the family are unwed parents, recipients of public assistance or children born out of wedlock.
3. Discrimination because a family includes children.
4. Whether a family decides to participate in a family self-sufficiency (FSS) program; or
5. Other reasons as listed in Chapter 1 of this Administrative Plan, "Statement of Policies and Objectives," under the Fair Housing and Reasonable Accommodations section.

**Chapter 3      APPLYING FOR ADMISSION [§ 24 CFR 982.204, § 24 CFR 983.203, 66FR 3607-9]**

**INTRODUCTION**

The policy of the PHA is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply and are treated in a fair and consistent manner. This chapter describes the policies and procedures for completing an initial application for assistance, placement or denial of placement on the waiting list and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the PHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this plan.

**PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT and STALKING [§ 24 CFR Part 5, Subpart L]**

The Violence Against Women Reauthorization Act of 2013 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking.

**Definitions [§ 24 CFR 5.2003]**

As used in VAWA:

1. The term “*bifurcate*” means, with respect to a public housing or a Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
2. The term “*domestic violence*” includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
3. The term “*dating violence*” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - a. The length of the relationship
  - b. The type of relationship
  - c. The frequency of interaction between the persons involved in the relationship

4. The term “*stalking*” means:
  - engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
    - Fear for the person’s individual safety or the safety of others; or
    - Suffer substantial emotional distress.
5. The term “*affiliated individual*”, with respect to an individual, means:
  - a. A spouse, parent, brother or sister or child of that individual, or a person to whom that individual stands in the position or place of a parent or guardian; or
  - b. Any individual, tenant, or lawful occupant living in the household of that individual.
6. The term “*sexual assault*” means any nonconsensual sexual act proscribed by Federal, tribal, or state law, including when the victim lacks capacity to consent.

**Notification - PHA Policy**

The PHA acknowledges that a victim of domestic violence, dating violence, sexual assault or stalking may have an unfavorable history (*e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record*) that would warrant denial under the PHA’s policies. Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial:

1. A statement of the protection against denial provided by VAWA
2. A description of PHA confidentiality requirements
3. A request that an applicant wishing to claim this protection submit to the PHA documentation meeting the specifications below with her or his request for an informal review

**Victim Documentation - PHA Policy**

An applicant claiming that the cause of an unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, sexual assault or stalking must provide documentation demonstrating the connection between the abuse and the unfavorable history and naming the perpetrator of the abuse. The documentation may consist of any of the following:

1. A statement signed by the victim certifying that the information provided is true and correct and that it describes bona fide incident(s) of actual or threatened domestic violence, dating violence, sexual assault or stalking
2. A police or court record documenting the domestic violence, dating violence or stalking

3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking or the effects of such abuse. This person may be an employee, agent or volunteer of a victim service provider; an attorney; or a medical or other knowledgeable professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

***Perpetrator Documentation - PHA Policy***

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

1. A signed statement
  - a. requesting that the perpetrator be removed from the application and
  - b. certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit
2. Documentation that the perpetrator has successfully completed or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest, under penalty of law, that, to the best of his or her knowledge, the rehabilitation is successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

***Time Frame for Submitting Documentation - PHA Policy***

The applicant must submit the required documentation with her or his request for an informal review or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of ten business days and will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines that the family is eligible for assistance, no hearing will be scheduled and the PHA will proceed with admission of the applicant family.

***PHA Confidentiality Requirements [§ 24 CFR 5.2007(a)(1)(v)] – PHA Policy***

All information provided to the PHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure

1. is requested or consented to by the individual in writing,

2. is required for use in an eviction proceeding or
3. is otherwise required by applicable law.

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

## OVERVIEW OF THE APPLICATION PROCESS

The PHA has two Section 8 waiting list types: one for admission to the tenant-based rental assistance program (*referred to as the “tenant-based program”*) and site-based for admission to the project-based rental assistance program (*referred to as the “project-based program”*).

The purpose of application taking is to permit the PHA to gather information and determine placement on either or both of these waiting lists. The application will contain questions designed to obtain pertinent program information.

Families who wish to apply for any of the PHA's programs must complete a written pre-application form when application taking is open, i.e., when applications are being accepted. Pre-applications will be made available in an accessible format upon request from a person with a disability.

When the waiting list is open, any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to do so by completing an application.

Applications will be made available to interested families upon request.

The application process will involve two phases. The first is the “initial” application for assistance (*referred to as a pre-application*). This first phase results in the family's placement on the waiting list.

The second phase is the “final determination of eligibility” (*referred as the full application*). The full application takes place when the family reaches the top of the waiting list. At this time, the PHA ensures that verification of all HUD and PHA eligibility factors is current in order to determine the family's eligibility for the issuance of a voucher.

## OPENING/CLOSING OF PRE-APPLICATION PROCESS [§ 24 CFR 982.206, 982.54(d)(1), § 24 CFR 982.203(a)(3)&(4)]

### **Opening the Waiting list**

The PHA will utilize the following procedures for opening the waiting list.

When the PHA opens the waiting list, the PHA will advertise through public notice in newspapers, minority publications, the agency website and other media entities the location(s) and program(s) that pre-applications are being accepted.

The notice will contain:

1. The locations where families may access pre-application forms as well as where and when to mail the application.
2. The programs that pre-applications will be taken.
3. Identify the programs.
4. Limitations, if any, on who may apply.
5. Opening and close date for acceptance of pre-applications.

The notices will be made in an accessible format if requested. They will provide potential applicants with information that includes the PHA address and telephone number, how to submit a pre-application and information on eligibility requirements.

If the waiting list is open, any family asking to be placed on the waiting list for the Section 8 tenant-based program or a waiting list for the Section 8 project-based program or both, will be given the opportunity to complete a pre-application.

If the waiting list is open, the PHA will accept pre-applications from families.

### **Closing the Waiting List**

The PHA may stop accepting applications for the tenant-based program, if there are enough applicants to fill anticipated openings for the next twelve months. The PHA may stop accepting applications for a project-based site if there are enough applicants to fill immediate openings. The waiting lists may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

The PHA will announce the last date pre-applications will be accepted in the same notice that advertises the opening of the list.

When the period for accepting applications is over, the PHA will add the new applicants to both tenant based and project based lists using the following method:

1. As the pre-applications are received by the PHA, they will be data-entered, with the date of the pre-application recorded. Preference status will be indicated when appropriate for a project-based list.
2. Once the list is closed and all the pre-applications have been data-entered, a computer lottery will be completed to determine placement order on the tenant based waiting list.
3. Applicants will be placed on the list after applicants who were on the list previously. Project based preferences may allow an applicant to move to the top of a specific site's waiting list.

#### “INITIAL” APPLICATION PROCEDURES [§ 24 CFR 982.204(b)]

The PHA will utilize a preliminary-application form (*pre-application*). The information is to be filled out by the applicant whenever possible. It may also be mailed to the applicant and, if requested, it will be mailed in an accessible format. Translations will be provided for non-English speaking applicants, where possible.

The purpose of the pre-application is to permit the PHA to assess family eligibility or ineligibility in a preliminary fashion and to determine placement on the waiting list. The pre-application will contain questions designed to obtain the following information:

1. Applicant name and number of family members
2. Street address and telephone number(s)
3. Mailing address (*if post office box or other permanent address*)
4. Amount(s) of income received by household members
5. Social Security numbers
6. Race/ethnicity
7. Request for specific accommodation needed to fully utilize program and services

Duplicate pre-applications, including pre-applications from a segment of an applicant household, will not be accepted.

The information on the pre-application will not be verified until the applicant has been selected for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

Applicants are required to inform the PHA in writing of changes in address. Applicants are also required to respond to requests from the PHA to update information on their pre-application and to determine their continued interest in assistance.

#### APPLICANT STATUS WHILE ON WAITING LIST [§ 24 CFR 982.204 & 66FR 3607]

After a preliminary review of the application, if the family is determined to be eligible for the tenant-based program they will be notified in writing (*or in an accessible format upon request, as a reasonable accommodation*).

This written notification of preliminary eligibility will be:

1. mailed to the applicant by first class mail or
2. distributed to the applicant in the manner requested as a specific accommodation.

APPLICANT STATUS WHILE ON THE PROJECT-BASED PROGRAM WAITING LIST [§ 24 CFR 982.204, 983.203]

After a preliminary review of the application, if the family is determined to be eligible for the project-based program they will be notified in writing (*or in an accessible format upon request, as a reasonable accommodation*).

The notice will inform the applicant of documentation that is required to demonstrate eligibility for preferences under the particular project-based program site.

This written notification of preliminary eligibility will be:

1. mailed to the applicant by first class mail or
2. distributed to the applicant in the manner requested as a specific accommodation.

TIME OF SELECTION

**Tenant-based program [§ 24 CFR 982.204]**

When funding is available, families will be selected from the waiting list in their determined sequence regardless of family size, subject to income targeting requirements. When there is insufficient funding available for the family at the top of the list, the PHA will not admit any other applicant until funding is available for the first applicant.

Based on the PHA's turnover and the availability of funding, groups of families will be selected from the waiting list to form a final eligibility pool. Selection from the pool will be based on waiting list sequence/completion of verification.

**Project-based program [§ 24 CFR 983.203; 66FR 3609]**

When the owner of dwelling units receiving project-based assistance notifies the PHA of a vacancy in one or more assisted dwelling units, the PHA will give permission to the project to advertise (*content and format of advertisement to be approved by the PHA*) that they are accepting applications. Applications received will be forwarded to the PHA to be added to the site's waiting list. The PHA will refer to the owner one or more families of the appropriate size on the project-based program waiting list in their determined sequence, subject to income targeting requirements. Before making the referral, the PHA will evaluate the family's housing needs and determine their eligibility for Section 8 housing assistance in accordance with Sections G, H and I below. A family becomes a participant in the project-based program when the family and the owner execute a lease for a unit with project-based assistance. A family that refuses the offer of an assisted unit or that is rejected for admission to an assisted unit by an owner maintains its place on the waiting list as though no offer had been made. The owner of assisted dwelling units is responsible for the screening and selection of tenants in accordance with the owner's written tenant selection procedures.

## COMPLETION OF A FULL APPLICATION

Applicants will be required to complete a full application in their own handwriting (*unless assistance is needed or a request for accommodation is made by a person with a disability*). Applicants will then be interviewed by PHA staff to review the information on the full application form.

The full application will be mailed to the applicant (*or communicated as requested, as an accommodation to a person with a disability*) to complete in advance when the applicant is invited to attend the interview.

## VERIFICATION [§ 24 CFR 982.201(e)]

Information provided by the applicant will be verified, using the verification procedures outlined in Chapter 7 of this Administrative Plan, "Verification Procedures." Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors and other pertinent information will be verified.

## FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY [§ 24 CFR 982.201]

After the verification process is completed, the PHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the PHA and the current eligibility criteria in effect. If the family is determined to be eligible, the PHA will mail the family a notification of eligibility. A briefing will be scheduled in order to issue a voucher to the family and to orient them to the housing program.

**Chapter 4**      **MAINTAINING THE WAITING LIST [§ 24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205, 982.206, 983.203, 66FR 3609]**

**INTRODUCTION**

It is the PHA's objective to ensure that families are placed on the waiting list in the proper order and are selected from the waiting list for admissions in accordance with the policies in this Administrative Plan.

By maintaining an accurate waiting list, the PHA will be able to perform the activities that will ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

**WAITING LIST [§ 24 CFR 982.204]**

The PHA uses one waiting list for admission to its Section 8 tenant-based assistance program. Persons eligible for the Housing Choice Voucher Program, the Mainstream Housing Opportunities Program, families or youth who have been referred to the Family Unification Program (FUP) by the State of Connecticut Department of Children and Families (DCF) and youth who have been referred to the Foster Youth to Independence (FYI) initiative by the the State of Connecticut Department of Children and Families (DCF) are identified as such on the waiting list. The DCF referral form serves the same purpose in the FUP and FYI programs as the pre-application form serves in the other tenant-based programs.

The PHA maintains separate site-specific waiting lists for admission to its Section 8 project-based assistance program.

Except for special admissions, applicants will be selected from the appropriate PHA waiting list in accordance with policies defined in this Administrative Plan.

The PHA will maintain information that permits proper selection from the waiting list.

The waiting list contains the following information for each applicant listed:

1. Applicant name
2. Racial or ethnic designation of the head of household
3. Annual (*gross*) family income
4. Number of persons in family

The waiting list will be maintained in accordance with the following guidelines:

1. The application will be a permanent file.
2. All applicants must meet very low-income eligibility requirements as established by HUD. Any exceptions to these requirements, other than those outlined in chapter 2 of this

Administrative Plan, "Eligibility for Admission," must have been approved previously by the HUD field office.

**Special Admissions [§ 24 CFR 982.54(d)(e), 982.203]**

Applicants, who are admitted under special admissions, rather than from the waiting list, are identified by codes in the automated system and are not maintained on separate lists.

**WAITING LIST PREFERENCES [§ 24 CFR 982.207]**

Tenant-based program preferences:

Pre-applications for admission to the tenant-based program will be selected in lottery-determined order, with the following exceptions:

**Chronically homeless preference:**

After placement on the tenant-based waiting list as noted above, applicants will be screened for eligibility as chronically homeless. A secondary waiting list will be generated based on this screening, and one of every three vouchers issued will be made available to a chronically homeless applicant.

When this secondary list has been exhausted, families who qualify as chronically homeless will be selected from the waiting list generated by the CAN based on their vulnerability index.

**Homeless Young Family preference:**

One of every three vouchers issued will be made available to homeless young families as defined in the Glossary.

**The family unification preference:**

Families who qualify for the family unification preference are families for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child or children in out-of-home care or in the delay of discharge of a child or children to the family from out-of-home care, will have their referral/pre-application forms from the Department of Children and Families (DCF) to the PHA. The PHA will determine if the families are eligible for Section 8 rental assistance.

If a family for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child or children in out-of-home care or in the delay of discharge of a child or children to the family from out-of home care is determined eligible by the PHA to receive a HCV, the family will be invited to participate in the program in accordance with HUD regulations and other requirements and with policies stated in the DOH administrative plan.

All persons interested in utilizing this preference must be referred to the PHA by DCF. The PHA will accept referrals/pre-applications only from DCF staff. DCF will designate gatekeepers to identify and refer eligible families to the PHA. The PHA will determine if the families are eligible for Section 8 rental assistance.

This preference will enhance the State of Connecticut's continuing efforts to maintain intact families and to provide decent, safe and sanitary housing for families. Referrals to Section 8 FUP will remain open for this preference and the PHA will accept referrals/pre-applications until further notice.

**Project-based program preferences:**

Applicants for admission to the project-based program will be selected in chronological order, subject to the availability of assisted dwelling units that are appropriate to the size of the family. Priority will be given to families who qualify for the following preferences:

**Project-based supportive housing preferences:**

1. **The supportive housing preference.** This preference is given to an applicant on the PBV-based voucher project waiting list who qualifies for the targeted CT Department of Mental Health and Addiction (DMHAS) funded supportive services linked through the Supportive Housing RFP process to the PBV-funded supportive housing units.
2. **The homeless family preference.** A preference will be given to families who are homeless for project-based units designated for homeless families. A homeless family is one that meets the HUD definition of homeless at 24 CFR 91.5.

The PHA may place a family referred by an owner of assisted dwelling units on its waiting list, subject to the provisions in Chapter 3 of this Administrative Plan, "Applicant Status While on the Project-Based Waiting List."

**DENIAL OF PREFERENCE [§ 24 CFR 5.410(C)(3)]**

No preference of any kind will be given to an applicant if a member of the applicant's family was evicted during the past three years from housing assisted under the 1937 Housing Act Program because of drug-related criminal activity, except that the PHA may give an admissions preference if the PHA determines that the evicted person:

1. has successfully completed a rehabilitation program approved by the PHA or
2. clearly did not participate in or know about the drug-related criminal activity or
3. no longer participates in any drug-related criminal activity.

#### EXCEPTIONS FOR SPECIAL ADMISSIONS [§ 24 CFR 982.203, 982.54(d)(3)]

If HUD awards the PHA program funding that is targeted for families living in specified units, the PHA will admit these families under a special admission procedure and will use the assistance for the families living in these units.

These special admission families will be admitted outside of the regular waiting list process. They are not required to be on the waiting lists. The PHA will maintain separate records of these admissions.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
3. For housing covered by the Low-Income Housing Preservation and Resident Home ownership Act of 1990 (*41 U.S.C. 4101 et seq.*);
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term;
5. A non-purchasing family residing in a project subject to a homeownership program (*under § 24 CFR 248.173*);
6. A family displaced because of mortgage prepayment or voluntary termination of a mortgage insurance contract (*as provided for in § 24 CFR 248.165*); or
7. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

In addition, the PHA may select the following families for admission to the project-based program without prior placement on the waiting list:

In-place existing occupants of dwelling units selected by the PHA to receive project-based rental assistance and who are eligible for Section 8 assistance. [§ 24 CFR 983.203(6)(b)]

The PHA may select the following families for tenant-based rental assistance without prior placement on the waiting list:

A family that moves after twelve months of occupancy (*in good standing*) from a dwelling unit assisted under the PHA project-based program. If tenant-based rental assistance is not available at the time that the family moves, the family will receive priority for the next available tenant-based voucher.

## FUNDING FOR SPECIFIED CATEGORY OF WAITING LIST FAMILIES [§ 24 CFR 982.204 (e), 206 (a)(b)]

When HUD awards funding for a specified category of families meeting specific requirements, the waiting list is searched for eligible families. If there is not a sufficient number of eligible families on the waiting list, the waiting list will be opened to applicants eligible for the specified category. When the pre-application is submitted to the PHA, it will be date and time stamped to determine placement order on the waiting list.

Applicants, who meet the criteria for a specified category and are admitted under targeted funding and who are not identified as a special admission, are identified by codes in the automated system and are not maintained on separate waiting lists.

The PHA has the following programs funded for specified categories of waiting list families:

1. Certain Developments Program for Non-Elderly Persons with Disabilities
2. Family Unification Program
3. Mainstream Housing Opportunities Program for Persons with Disabilities
4. Veterans Affairs Supportive Housing
5. Foster Youth to Independence

### **Family Unification Program**

#### *Program Description and Referrals*

Through the linkage of DOH and the Department of Children and Families (DCF), the Family Unification Program (FUP) will provide a comprehensive array of services to families that have been identified and referred to the PHA by DCF. DCF will refer families for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child or children in out-of-home care or in the delay of discharge of a child or children to the family from out-of-home care and the PHA will determine if the families are eligible for Section 8 rental assistance.

DCF will also refer otherwise eligible youths, who have attained at least 18 years and not more than 24 years of age and who have left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act, and is homeless or is at risk of becoming homeless at age 16 or older. DCF will provide written certification to the PHA that the youth qualifies as a FUP-eligible youth. The PHA will determine if the youth is eligible for Section 8 rental assistance.

A minimum of 18 months of supportive services must be provided to a FUP-eligible youth participants, but a FUP-eligible youth cannot be required to participate in these services as a condition of receipt of the FUP voucher. As required by statute, a FUP voucher issued to a youth may only be used to provide housing assistance for the youth for a maximum of 36 months. At the end of the 36th month, the FUP youth housing assistance will be terminated.

### *Tenant Selection Process*

When an FUP voucher becomes available, a family or youth will be referred from DCF. After the family or youth is determined eligible to receive a Section 8 subsidy, the family or youth will be admitted to participate in the program in accordance with HUD regulations and other requirements and with policies stated in the DOH administrative plan.

The PHA's Section 8 FUP will continue to accept referrals/pre-applications until further notice.

The PHA may regularly review the extent of need for FUP vouchers. The PHA may apply a preference for up to two-hundred fifty additional HCVs (*i.e., beyond our allocation of three-hundred FUP vouchers from HUD*) from its current allocation as FUP vouchers. This is because DCF has demonstrated that a lack of adequate affordable housing is preventing eligible families from finding suitable housing, thus obstructing unification with a child or children or causing a child or children to be placed out of the home.

### **Mainstream Housing Opportunities Program for Persons with Disabilities**

#### *Program Description*

The Mainstream Housing Opportunities Program for Persons With Disabilities (*Mainstream Program*) will enhance the State of Connecticut's continuing efforts to provide, decent, safe and sanitary housing to persons with disabilities.

#### *Waiting List and Tenant Selection Process*

The PHA will identify eligible disabled persons on its waiting list. After the family is determined eligible to receive a Section 8 subsidy, the family will be admitted to participate in the program in accordance with HUD regulations and other requirements and with policies stated in the DOH administrative plan. If any vouchers remain, the PHA will open its waiting list to disabled persons who have not applied for the PHA's Section 8 Housing Choice Voucher Program.

The PHA may stop accepting applications if there are enough applicants to fill anticipated openings. The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

The PHA will announce the last date applications that will be accepted in the same notice that advertises the opening of the list.

### **Veterans Affairs Supportive Housing (VASH)**

#### *Program Description*

The HUD-VASH Program combines the Section 8 HCV Program with case management and clinical services provided by the Department of Veteran's Affairs Medical Centers (VAMC).

Generally, the HUD-VASH HCV program will be administered in accordance with Section 8 HCV program requirements however Federal Register Vol. 73, No. 88 allows HUD to waive or specify alternative requirements for any provision of any statute or regulation that HUD administers in connection with this program in order to effectively deliver and administer HUD-VASH voucher assistance. The HUD-VASH Operating Requirements (*including the waivers and alternative requirements from HCV program rules*) were published in the Federal Register on May 6, 2008.

#### *Referrals and Waiting List*

The VAMC will refer HUD-VASH eligible families to the PHA for the issuance of vouchers. Written documentation of these referrals must be maintained in the tenant file at the PHA. Therefore, the PHA will not have the authority to maintain a waiting list or apply local preferences for HUD-VASH vouchers. Accordingly, § 8(o)(6)(A) of the USHA of 1937, 42 U.S.C. 1437f(o)(6)(A), concerning preferences, has been waived to provide for the effective administration of the program. In addition, § 24 CFR 982.202, 982.204 and 982.207, relating to applicant selection from the waiting list and local preferences, are also waived.

Sections 982.203, 982.205 and 982.206 of § 24 CFR regarding special admissions, cross listing of the waiting list and opening and closing the waiting list do not apply to the HUD-VASH program. The VAMC will screen all families in accordance with its screening criteria. By agreeing to administer the HUD-VASH program, the PHA is relinquishing its authority to determine the eligibility of families in accordance with regular HCV program rules and PHA policies.

#### *Denial of Applicants*

Specifically, under the HUD-VASH program, PHAs will not have the authority to screen potentially eligible families or deny assistance for any grounds permitted under § 24 CFR 982.552 (broad denial for violations of HCV program requirements) and 982.553 (*specific denial for criminals and alcohol abusers*), with one exception. PHAs will still be required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex-offender registration program. Accordingly, the Department is exercising its authority to waive 42 U.S.C. 1437d(s); 42 U.S.C. 13661(a), (b) and (c); and § 24 CFR Sections 982.552 and 982.553, with the exception of 982.553(a)(2)(i) that requires denial of admission to certain registered sex offenders.

#### *Voucher Term*

Recognizing the challenges that HUD-VASH participants may face with their housing search, HUD-VASH vouchers must have an initial search term of at least one-hundred twenty calendar days. Therefore, § 24 CFR 982.303(a) that states that the initial search term must be at least sixty calendar days, shall not apply, since the initial term must be at least one-hundred twenty calendar days.

One sixty-day extension to participants will be granted upon written request. No further extensions will be approved. The total search time will be for a maximum of one-hundred eighty calendar days.

#### *Case Management Requirements*

As a condition of rental assistance, the HUD-VASH family must receive case management services from the VAMC. Failure to participate, without good cause will result in termination of HUD-VASH voucher assistance as verified by the VAMC. However, if the VAMC determines the family no longer requires case management services, the family will be offered continued HCV assistance and transferred to a Housing Choice Voucher pending funding availability so the HUD-VASH voucher may be used by another family referred by the VAMC.

With the exception of the above statements, all other provisions of the Housing Choice Voucher Program apply.

#### **Foster Youth to Independence (FYI)**

##### *Program Description and Referrals*

The Foster Youth to Independence (FYI) initiative combines the Section 8 HCV Program with supportive services provided by the Department of Children and Families (DCF) and its contractor(s). DCF will refer youth for whom they certify to be eligible. Youth eligible for assistance are certified by DCF as meeting the following conditions:

1. Has attained at least 18 years and not more than 24 years of age;
2. Left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act; and
3. Is homeless or is at risk of becoming homeless as these terms are defined at 24 CFR 578.3 and 24 CFR 576.2, at age 16 or older.

Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance under this notice assuming they otherwise meet eligibility requirements. The PHA will determine if youth referred by DCF are eligible for Section 8 rental assistance.

##### *Tenant Selection Process*

When a FYI voucher becomes available, a youth will be referred from DCF. The PHA will compare the name(s) with youth already on the PHA's HCV waiting list. Any youth on the PHA's HCV waiting list that matches with DCF's referral must be assisted in order of their position on the waiting list in accordance with PHA admission policies. Any youth certified by DCF as eligible and not on the HCV waiting list must be placed on the waiting list (pending HCV eligibility determination). After the youth family is determined eligible to receive a Section 8 subsidy, the youth family will be admitted to participate in the program in accordance with HUD regulations and other

requirements and with policies stated in the DOH administrative plan. Youth not identified and referred as eligible by DCF are not eligible to receive assistance under FYI.

The PHA's Section 8 FYI will continue to accept referrals/pre-applications until further notice as long as there is funding available. The PHA must continue to use FYI voucher funding for eligible youth upon turnover. If another eligible youth is not available, the PHA must notify HUD, and HUD will reduce the PHA's HCV assistance to account for the removal of the FYI assistance from the PHA's HCV baseline.

#### Length of Assistance and Supportive Services

As required by statute, a FYI voucher may only be used to provide housing assistance for eligible youth for a maximum of 36 months. At the end of the 36th month, the FYI housing assistance will be terminated. DCF must provide or secure a commitment of supportive services for participating youth to assist the youth in achieving self-sufficiency throughout the length of their participation in the FYI program. HUD encourages full participation in self-sufficiency services as appropriate for the participating youth, but a participant cannot be required to participate in these services as a condition of receipt of the voucher.

#### INCOME TARGETING

In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year the PHA will reserve a minimum of seventy-five percent of its Section 8 new admissions for families whose income does not exceed thirty percent of the area median income. HUD refers to these families as "extremely low-income families." The PHA will admit families who qualify under the extremely low-income limit to meet the income-targeting requirement, regardless of preference.

The PHA's income targeting requirement does not apply to low-income families continuously assisted as provided for under the 1937 Housing Act.

The PHA also is exempted from this requirement where the PHA is assisting low-income or moderate-income families entitled to preservation assistance under the tenant-based program because of a mortgage prepayment or opt-out.

#### INCOME TARGETING ELIGIBILITY [§ 24 CFR 982.207]

##### **Change in Circumstances**

If the family's verified annual income, at final eligibility determination, does not fall under the extremely low-income limit and the family was selected for income targeting purposes before a family or families with a higher preference, the family will be returned to the waiting list.

#### REMOVAL FROM WAITING LIST AND PURGING [§ 24 CFR 982.204(c)]

The PHA will periodically send applicants an update inquiry to ensure the applicant has continued interest in and need for, housing. The PHA will conduct this process at least every three years. An applicant who does not return the inquiry by the requested deadline date will have his or her name removed from the waiting list.

The project-based waiting lists will be purged at least annually.

An extension of not less than ten business days to respond will be granted, if requested and needed as a reasonable accommodation for a person with a disability.

Any mailings to the applicant that require a response will state that failure to respond within fifteen business days will result in the applicant's name being dropped from the waiting list.

If a letter is returned by the post office without a forwarding address, the applicant will be removed without further notice and the envelope and letter will be maintained in the file. If a letter is returned with a forwarding address, it will be re-mailed to the address indicated.

If a family is removed from the waiting list for failure to respond, the Housing Director may reinstate the family if s/he determines the lack of response was due to PHA error, family medical disability or institutionalization, within 12 months from date of removal.. The PHA will reinstate the applicant in the family's former position on the waiting list.

## Chapter 5 SUBSIDY STANDARDS [§ 24 CFR 982.54(d)(9)]

### INTRODUCTION

HUD guidelines require that PHAs establish subsidy standards for the determination of family unit size and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size also must be within the minimum unit size requirements of HUD's Housing Quality Standards. This chapter explains the subsidy standards that will be used to determine the voucher size for families when they are selected from the waiting list, as well as the PHA's procedures when a family's size changes or a family selects a unit size that is different from the voucher size.

### DETERMINING FAMILY UNIT (VOUCHER) SIZE [§ 24 CFR 982.402]

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the voucher. The PHA's subsidy standards for determining voucher size shall be applied in a manner consistent with fair housing guidelines.

All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The unit size on the voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented.

The head of household and spouse or partner shall be entitled to one bedroom.

Household members under eighteen, who are of the same gender, shall share a bedroom.

Foster children will be included in determining unit size only if they will be in the unit for more than six months. A foster child is a child that is in the legal guardianship of a state, private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A child who is temporarily absent due to placement in foster care is considered a family member when determining unit size.

Live-in attendants may be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space may be provided for a child who is away at school but who lives with the family during school recesses.

A pregnant woman will be determined as a two-person household when determining unit size.

Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member who is away in the military.

## GUIDELINES FOR DETERMINING VOUCHER SIZE

Voucher Size	Persons in Household (Minimum Number)	Persons in Household (Maximum Number)
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedroom	2	4
3 Bedroom	3	6
4 Bedroom	4	8
5 Bedroom	6	10
6 Bedroom	8	12

### EXCEPTIONS TO SUBSIDY STANDARDS [(§ 24 CFR 982.403(a)&(b)]

The PHA shall grant exceptions from the subsidy standards if the family requests and the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members or other individual circumstances.

The PHA will grant an exception upon request as an accommodation for persons with disabilities.

Circumstances may dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a:

1. Verified medical or health reason; or
2. Elderly persons or persons with disabilities who may require a live-in attendant.

### Request for Exception to Subsidy Standards

The family may request a larger family unit-sized voucher than indicated by the PHA's subsidy standards. Such request must be made in writing within thirty calendar days of the PHA's determination of family unit size. The request must explain the need or justification for a larger family unit-sized voucher. Documentation verifying the need or justification will be required as appropriate.

Requests based on health-related reasons must be verified by a doctor/medical professional/ social service professional.

## **PHA error**

If the PHA errs in the bedroom size designation, the family will be re-issued a voucher of the appropriate size so that the family is not penalized.

## **Changes for Applicants**

The voucher size is determined before the briefing by comparing the family composition to the PHA subsidy standards. If an applicant requires a change in the voucher size, based on the requirements of the PHA subsidy standards, the above-referenced guidelines will apply.

## **Changes for Participants**

All members of the family residing in the unit must be approved by the PHA. The family must obtain approval for any additional family member before the new member occupies the unit except for additions by birth, adoption or court-awarded custody, that case the family must inform the PHA within thirty calendar days. The above-referenced guidelines will apply.

## **Under-housed Families**

If a unit does not meet HQS living space standards due to an increase in family size (*i.e., the unit is too small*), the PHA will issue a new voucher of the appropriate size and assist the family in locating a suitable unit.

The PHA will also notify the family of the circumstances under which an exception will be granted, such as:

1. If a family with a disability is under-housed in an accessible unit.
2. If a family requires the additional bedroom because of a health problem that has been verified by the PHA.
3. The family has been unable to locate a unit within sixty calendar days.

## **UNIT SIZE SELECTED [§ 24 CFR 982.402(c)]**

The family may select a different size dwelling than that listed on the voucher. There are three criteria to consider:

1. Subsidy Limitation – The family unit size as determined for a family under the PHA subsidy standard for a family assisted in the voucher program is based on the PHA’s adopted payment standards. The payment standard for a family shall be the lower of:
  - a. The payment standard amount for the family unit size or
  - b. The payment standard amount for the unit size rented by the family.
2. Utility Allowance – The PHA is required to use the lower of the Voucher size or the actual number of bedrooms when calculating the S8 Utility Allowances.

3. Housing Quality Standards – The standards allow two persons per living/sleeping room and permit maximum occupancy levels (*assuming a living room is used as a living/sleeping area*) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and the living room is used for sleeping.

**HQS GUIDELINES FOR UNIT SIZE SELECTED**

	Maximum Number in Household
0 Bedroom	1
1 Bedroom	4
2 Bedroom	6
3 Bedroom	8
4 Bedroom	10
5 Bedroom	12
6 Bedroom	14

**Chapter 6**      **FACTORS RELATED TO TOTAL TENANT PAYMENT AND FAMILY SHARE DETERMINATION [§ 24 CFR Part 5, Subparts E and F; 982.153, 982.551]**

**INTRODUCTION**

The PHA will use the methods set forth in this Administrative Plan to verify and determine that family income at admission and re-examination are correctly calculated. The accurate calculation of annual income and of adjusted income will ensure that families are not paying more or less money for rent than is their obligation under the regulations

This chapter defines the allowable expenses and deductions are to be subtracted from annual income. The chapter also defines how the presence or absence of household members may affect the total tenant payment (TTP). Income and TTP are calculated in accordance with § 24 CFR Part 5, Subparts E and F and further instructions set forth in notices and memoranda issued by HUD. The formula for the calculation of TTP is specific and is not subject to interpretation. The PHA's policies in this chapter address those areas that allow the PHA discretion to define terms and to develop standards in order to ensure consistent application of the various factors that relate to the determination of TTP.

**INCOME AND ALLOWANCES [§ 24 CFR 5.609]**

Income includes all monetary amounts that are received on behalf of the family. For purposes of calculating the total tenant payment, HUD defines in the federal regulations what is to be included and what is to be excluded. In accordance with this definition, all income that is not specifically excluded in the regulations is counted.

Annual income is defined as the *gross (or total)* amount of income anticipated to be received by the family during the twelve months after certification or re-examination. Gross income is the amount of income, before any expenses or deductions allowed by HUD, and does not include income that has been excluded by HUD. Annual income is used to determine whether applicants are within the applicable income limits.

Adjusted income is defined as the annual income minus any expenses or deductions allowed by HUD.

HUD has established the following allowable deductions from annual income:

1.      Dependent allowance – four-hundred eighty dollars each for family members (*other than the head or spouse*) who are minors and for family members who are age eighteen or older and who are full-time students or disabled.
2.      Elderly/disabled allowance – four-hundred dollars per family for families whose head or spouse is age sixty-two or over or disabled.
3.      The cost of childcare expenses necessary to permit employment (see applicability in section B, below).

The sum of the following, to the extent that the sum exceeds three percent of annual income:

4. Allowable medical expenses that are not reimbursed and that are deducted for all family members of an eligible elderly/disabled family.
5. Allowable disability assistance expenses deducted for attendant care or for any auxiliary apparatus for persons with disabilities, if these are needed to enable the individual or adult family member to work.

#### DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS FOR PERSONS WITH DISABILITIES [§ 24 CFR 5.617; 982.201(b)(3)]

The annual income for qualified families may not be increased because of increases in the earned income of a family member who is a person with disabilities, beginning on the date that the increase in earned income begins and continuing for a cumulative twelve-month period. After the disabled family receives twelve cumulative months of the full exclusion, annual income determinations will include a phase-in period during which one-half the earned income will be excluded from annual income for a period of an additional twelve cumulative months.

A family that qualifies to receive the earned income exclusion is a disabled family that is receiving tenant-based rental assistance under the HCV program and:

1. whose annual income increases because of the employment of a family member who is a person with disabilities and who was previously unemployed for one or more years before employment; or whose annual income increases because of increased earnings by a family member who is a person with disabilities participating in any economic self-sufficiency or other job training program; or
2. whose annual income increases because of the new employment or increased earnings of a family member during or within six months after receiving assistance, benefits or services under any state TANF program, provided that the total amount of the increase over a six-month period is at least five hundred dollars.

The HUD definition of “previously unemployed” includes a person with disabilities who has in the previous twelve months earned no more than the equivalent earnings for working ten hours per week for fifty weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the state or locality.

The HUD definition of an economic self-sufficiency program is any program designed to encourage, assist, facilitate or train for the economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship or any other program necessary to ready a participant to work (*such as substance abuse treatment or mental health treatment*).

Amounts to be excluded are any earned income increases of a family member who is a person with disabilities during participation in an economic self-sufficiency or job-training program but

not increases that occur after the conclusion of their participation, unless the training provides continuing assistance, training or mentoring that continues after employment begins.

The amount of TANF benefits received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies or transportation assistance.

The amount that is subject to the disallowance is the amount of incremental increase in income of a family member who is a person with disabilities. The incremental increase in income is calculated by comparing the amount of the disabled family member's income before the beginning of qualifying employment or the increase in earned income to the amount of such income after the beginning of employment or the increase in earned income.

### **Initial Twelve-Month Exclusion**

During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA will exclude from the annual income of a qualified family any increase in income of the family member who is a person with disabilities because of employment over the prior income of that family member.

### **Second Twelve-Month Exclusion**

During the second cumulative twelve month period, beginning immediately after the expiration of the initial cumulative twelve month period referred to above, the PHA must exclude from the annual income of a qualified family fifty percent of the total amount of any increase in the income of a family member who is a person with disabilities that occurs because of the employment of that family member, when that amount represents an increase over the income of that family member before the beginning of such employment.

No earned income disallowance will be applied after the conclusion of the twenty-four month period following the initial date that the exclusion was applied.

### **Applicability to Child Care Expense and Disability Assistance Expense Deductions**

The amount deducted for childcare and disability assistance expenses necessary to permit employment shall not exceed the amount of employment income that is included in annual income. Therefore, for families entitled to the earned income disallowance, the amounts of the full and phase-in exclusions from income shall not be used in determining the cap for child care deductions.

### **Tracking the Earned Income Exclusion**

The earned income exclusion will be reported on the HUD Form 50058 Family Report. Documentation will be included in the family's file to show the reason why the increase in earned income did not result in an increase in tenant rent.

Such documentation will include:

1. Date that the increase in earned income was reported by the family.
2. Name of the family member whose earned income increased.
3. Reason (*such as new employment, participation in job training program, within six months after receiving TANF*) for the increase in earned income.
4. Amount of the increase in earned income (*i.e., the amount to be excluded*).
5. Date that the increase in income is first excluded from annual income.
6. Dates (*if any*) that the increase in earned income ended and then resumed during the initial cumulative twelve-month period of exclusion.
7. Date that the family member had received a total of twelve months of the initial exclusion.
8. Date that the twelve-month phase-in period began.
9. Dates (*if any*) that the increase in earned income ended and then resumed during the second cumulative twelve-month (*phase-in*) period of exclusion.
10. Date that the family member had received a total of twelve months of the phase-in exclusion.
11. Ending date of the maximum forty-eight-month (*four-year*) period during which the disallowance applied (*forty-eight months from the date of the initial earned income disallowance*).

The PHA will maintain a tracking system to ensure the correct application of the earned income disallowance.

### **Inapplicability to Admission**

The earned income disallowance is only applied to determine the annual income of families who are participants in the HCV program and therefore it does not apply for purposes of admission to the program (*including the determination of income eligibility or any income targeting that may be applicable*).

### **MINIMUM RENT [§ 24 CFR 5.630]**

#### **Minimum Rent**

The minimum rent is fifty dollars. Minimum rent refers to the total tenant payment and is the minimum amount a family pays towards rent and utilities (*combined*) when it is applied.

#### **Hardship Requests for an Exception to Minimum Rent**

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to its attention regarding financial hardship as it applies to the minimum rent. The following section states the

PHA's procedures and policies concerning financial hardship caused by the minimum rent. HUD has defined circumstances under which a hardship could be claimed.

### **Criteria for Hardship Exception**

In order for a family to qualify for a hardship exception, the family's circumstances must fall under any of the following HUD hardship criteria:

1. The family has lost eligibility or is awaiting an eligibility determination for federal, state or local assistance; including a family with a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Naturalization Act and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996, or
2. The family would be evicted due to the imposition of the minimum rent requirement, or
3. The income of the family has decreased because of changed circumstances, including loss of employment (other than for willful misconduct or voluntary separation), death in the family or other circumstances as determined by the PHA or HUD.

The loss of employment for willful misconduct or voluntary separation shall not be grounds for a hardship exception for six months from the date of separation.

### **PHA Notification to Families of Right to Hardship Exception**

The PHA will notify all families subject to the minimum rent of their right to request a minimum rent hardship exception. Those families subject to the minimum rent are those for whom the minimum rent is the greatest figure in the calculation of TTP as determined by the following:

1. thirty percent of monthly-adjusted income,
2. ten percent of monthly income, or
3. minimum rent.

If the minimum rent is the greatest figure in the calculation of total tenant payment, PHA staff will include in the family's file a copy of the notice regarding the family's right to make a hardship request that has been provided to the family.

The PHA notification to families will advise them that hardship exception determinations are subject to the PHA review and hearing procedures. All requests for minimum rent hardship exceptions are required to be made in writing. Requests for minimum rent hardship exceptions must include a statement of the family circumstances that qualify the family for an exception.

The PHA will review all family requests made for exception to the minimum rent due to financial hardship in thirty calendar days. The PHA will use its standard verification procedures to verify circumstances that are claimed to have resulted in financial hardship.

## **Suspension of Minimum Rent**

The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month. The minimum rent will be suspended until the PHA determines whether a hardship exists and, if it exists, whether the hardship is temporary or long-term.

Suspension means that the PHA must not enforce the minimum rent calculation until the PHA has made its decision whether to grant a request for an exception. During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

## **Temporary Hardship**

If the PHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to ninety calendar days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period (*see Chapter 17 of this Administrative Plan, "Owner or Family Debts to the PHA," for the repayment agreement policy*).

## **Long-Term Hardship**

If the PHA determines that there is a qualifying long-term financial hardship, the PHA must exempt the family from the minimum rent requirement for as long as the hardship continues. The exception from minimum rent shall apply from the first day of the month following the family's request for exemption. Every ninety calendar days, the family will be required to demonstrate that the circumstances that qualify the family for an exception continue to exist.

## **Denial of Hardship Exception**

If the PHA determines that there is not a qualifying financial hardship, the PHA must notify the family in writing of the denial of its request within thirty calendar days. The PHA will offer a repayment agreement to the family for any rent not paid during the period when the PHA was evaluating the hardship exception request (*see Chapter 17 of this Administrative Plan, "Owner or Family Debts to the PHA," for the repayment agreement policy*).

DEFINITION OF TEMPORARY OR PERMANENT ABSENCE [§ 24 CFR 982.54(d)(10), 982.312, 982.551]

It is the responsibility of the head of household to report changes in family composition. The PHA will evaluate absences from the unit using this policy.

*Should the absence fall during the recertification period, including HQS inspections, it is the responsibility of the head of household to ensure that appropriate program requirements are fulfilled.»*

### **Temporary Absence of Any Member**

The PHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the PHA must count the income of the spouse or the head of the household if that person is temporarily absent, even if that person is not on the lease.

If the spouse is temporarily absent and in the military, all military pay and allowances (*except hazardous duty pay when a person is exposed to hostile fire and any other exceptions to military pay that HUD may define*) is counted as income.

### **Permanent Absence of Any Member**

Any member of the household will be considered permanently absent if she or he is away from the unit for three consecutive months except as otherwise provided in this chapter. Income of persons permanently absent will not be counted.

### **Absence due to Medical Reasons**

If any family member leaves the household to enter a facility such as hospital, nursing home or rehabilitation center, the PHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be confined to a nursing home, the family member will be considered absent. If, within a calendar year, the verification indicates that the family member will return in less than three months, the family member will not be considered absent.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the PHA's "Absence of Entire Family" policy.

### **Absence Due to Full-time Student Status**

Full time students who attend school away from the home will be treated in the following manner:

*A student (other than the head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. Income over four-hundred eighty dollars is not counted for full-time students. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease and the member will not be included for determination of voucher size.*

### **Absence Due to Incarceration**

If the sole member of a family is incarcerated for more than three months, she or he will be considered permanently absent. Any member of the family other than the sole member will be considered permanently absent if she or he is incarcerated for three consecutive months. The PHA will determine if the reason for incarceration is for drug-related or violent criminal activity.

### **Absence of Children Due to Placement in Foster Care**

If the family includes a child or children temporarily absent from the home due to placement in foster care, the PHA will determine from the appropriate agency when the child or children will be returned to the home.

If the time-period is to be greater than twelve months from the date of removal of the child or children, the voucher size will be reduced. If all children are removed from the home permanently, the voucher size will be reduced in accordance with the PHA's subsidy standards.

### **Absence of Entire Family**

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the PHA will terminate assistance in accordance with appropriate termination procedures contained in this plan.

Families are required both to notify the PHA before they move out of a unit and to give the PHA information about any family absence from the unit.

Families must notify their owner and PHA if they are going to be absent from the unit for more than thirty consecutive calendar days. Approval will be granted by the PHA on a case-by-case basis.

If the entire family is absent from the assisted unit for more than ninety consecutive calendar days, the unit will be considered to be vacated and the assistance will be terminated.

*Absent means that no family member is residing in the unit.*

In order to determine if the family is absent from the unit, the PHA may:

1. Write letters to the family at the unit
2. Telephone the family at the unit
3. Interview neighbors
4. Verify if utilities are in service
5. Check with the post office

A person with a disability may request an extension of time as an accommodation, if the extension requested does not go beyond the HUD-allowed limit of one-hundred eighty consecutive calendar days.

If the absence that resulted in the termination of assistance was due to a person's disability, if the PHA can verify that the person was unable to notify the PHA in accordance with the family's responsibilities, and if funding is available, the PHA may re-instate the family as an accommodation if requested by the family.

### **Caretaker for Children**

If neither parent remains in the household nor the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the PHA will treat that adult as a visitor until court-awarded custody or legal guardianship has been awarded to the caretaker. The voucher will then be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the PHA will review the status at thirty-day intervals.

If custody or legal guardianship has not been awarded by the court, but the action is in process, the PHA will secure verification from social services staff as to the status.

When the PHA approves a person to reside in the unit as caretaker for the children, the income of the caretaker should be counted pending a final disposition. The PHA will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him or her from the home for more than three months, the person will be considered permanently absent.

### **Visitors**

Any adult, regardless of degree of relationship, not included on the HUD Form 50058 who has been in the unit for more than thirty consecutive calendar days without PHA approval will be considered to be living in the unit as an unauthorized household member.

Factors to be considered, in conjunction with the totality of the circumstances, in determining a visitor's permanent residence shall include:

1. Absence of documentation of any other address of the visitor's residence
2. Statements from neighbors and/or the landlord regarding the presence of the visitor
3. Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary

If the PHA has sufficient information that indicates the individual has been residing in the unit for more than thirty days, the PHA shall request that the family provide documentation demonstrating the individual's address other than that of the family during the relevant time

period, or provide a reasonable justification as to why such documentation cannot be obtained. Acceptable forms of documentation shall include a lease, deed, utility bill, current bank statement, correspondence from a government agency, or other official documentation. If a family is unable to provide such documentation and has provided a reasonable justification for its inability to do so, the head of household shall sign a certification stating that such individual does not reside with the family, and setting forth the relevant facts and circumstances.

In determining whether an individual is an unauthorized household member, such documentation or lack of documentation shall be considered one factor as a part of the totality of circumstances in determining a visitor's permanent residence. In order to support a termination based on the presence of unauthorized household member, the PHA shall determine whether the preponderance of the evidence supports such conclusion.

If the PHA determines that the preponderance of evidence indicates the individual has been residing in the unit for more than thirty calendar days, the family will be terminated since prior approval was not requested for the addition. The family will have the opportunity to request an informal hearing to refute the evidence. Minors and college students who were part of the family but who now live away from home during the school year and are no longer on the lease may visit for up to sixty consecutive calendar days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than fifty-one percent of the year, the minor will be considered an eligible visitor and not a family member.

### **Reporting Additions to Owner and PHA**

Reporting changes in household composition to the PHA is both a HUD requirement and a PHA requirement.

The family obligations require the family to inform the PHA of the birth, adoption or court-awarded custody of a child and to request PHA approval to add any other family member as an occupant of the unit. The family must request prior approval of additional household members in writing. If any new family member is added, the income of the additional member will be included in the family income, as applicable under HUD regulations.

Families are required to report any additions to the household in writing to the PHA within thirty business days of the move-in date.

An interim re-examination will be conducted in the event of any additions to the household.

### **Reporting Absences to the PHA**

Reporting changes in household composition is both a HUD requirement and a PHA requirement.

If a family member leaves the household, the family must report this change to the PHA, in writing, within thirty business days of the change (*i.e., after the change*) and certify as to whether the member is temporarily absent or permanently absent.

The PHA will conduct an interim evaluation for changes that affect the total tenant payment in accordance with the interim policy.

#### AVERAGING INCOME

When annual income cannot be anticipated for a full twelve months, the PHA may:

1. Average all known sources of income that vary, in order to compute an annual income, or
2. Annualize the income anticipated for a shorter period, subject to a re-determination at the end of the shorter period.

If there are possible bonuses or overtime payments that the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year will be used.

If an estimate can be made for those families whose income fluctuates from month to month by averaging, this estimate will be used to reduce the number of interim adjustments.

The method to be used depends upon the regularity, source and type of income.

#### MINIMUM INCOME

There is no minimum income requirement. Families who report zero income are required to complete a written certification of no income every 6 months.

#### INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME [§ 24 CFR 982.54(d)(10)]

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the PHA will calculate the income by using the following methodology and use the income figure that would result in a lower payment by the family:

1. Exclude the income of the person permanently confined to the nursing home and give the family no deductions for the medical expenses of the confined family member or
2. Exclude the income and deductions of the member if his/her income goes directly to the facility.

#### REGULAR CONTRIBUTIONS AND GIFTS [§ 24 CFR 5.609]

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the total tenant payment.

Any contribution or gift received every six months or more frequently will be considered a regular contribution or gift, unless the amount totals less than five-hundred dollars per year. This includes rent and utility payments made on behalf of the family as well as other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts. (See Chapter 7 of this Administrative Plan, "Verification Procedures," for further definition.)

#### ALIMONY AND CHILD SUPPORT [§ 24 CFR 5.609]

Regular alimony and child support payments are counted as income for purposes of the calculation of total tenant payment.

The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that:

1. the payments are *not* being made, and
2. the family has made reasonable efforts to collect the amounts due, including filing with the courts or agencies responsible for enforcing payments.

The PHA will accept as verification that the family is receiving an amount less than the award if:

1. The PHA receives verification from the agency responsible for enforcement or collection.
2. The family furnishes documentation of a child support or alimony collection action filed through a child support enforcement or collection agency or documentation that they have filed enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

Should alimony or child support be received in a lump sum(s) due to a court action or voluntary payment(s) on a court ordered arrearage, the payment(s) will be treated as income and calculated as such using the methodology outlined under the heading LUMP-SUM RECEIPTS.

#### LUMP-SUM RECEIPTS [§ 24 CFR 5.609]

Lump-sum additions to family assets, such as inheritances, insurance payments (*including payments under health and accident insurance or worker's compensation*), capital gains and settlement for personal or property losses are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments such as unemployment or welfare assistance are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments that have accumulated due to a dispute will be treated the same as periodic payments that are deferred due to delays in processing.

In order to determine the amount of retroactive tenant rent that the family owes because of the lump sum receipt:

The PHA uses a calculation method that calculates prospectively or retroactively, depending on the circumstances.

The PHA will calculate prospectively if the family reported the payment within thirty business days and retroactively to the date of receipt if the receipt was not reported with that period.

### **Prospective Calculation Methodology**

If the payment is reported on a timely basis, the calculation will be done prospectively and will result in an interim adjustment calculated as follows:

The entire lump-sum payment will be added to the annual income at the time of the interim.

### **Retroactive Calculation Methodology**

1. The PHA will use the date that the lump-sum payment was received or to the date of admission, whichever is closer.
2. The PHA will determine the amount of income for each certification period, including the period during which the lump sum was received and recalculate the tenant rent for each certification period to determine the amount due the PHA.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

### **Attorney Fees**

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered lump-sum compensation and if the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

### **CONTRIBUTIONS TO RETIREMENT FUNDS - ASSETS [§ 24 CFR 5.603(d)]**

Contributions to company retirement or pension funds are handled as follows:

1. While an individual is employed, count as assets only those amounts the family can withdraw without retiring or terminating employment.
2. After retirement or termination of employment, count as an asset any amount the employee elects to receive in a lump sum.

#### ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE [§ 24 CFR 5.603(d)(3)]

The PHA must count assets disposed of for less than fair market value during the two years preceding certification or re-examination. The PHA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of because of foreclosure or bankruptcy is not considered assets disposed of for less than fair market value. Assets disposed of because of a divorce or separation is not considered assets disposed of for less than fair market value.

#### CHILD CARE EXPENSES [§ 24 CFR 5.603]

Child care expenses for children under age thirteen may be deducted from annual income if they enable an adult to work, to attend school or actively to seek employment.

Deductions for child care expenses will be allowed ability of is based on the following guidelines:

1. Child care for work – The maximum child care expense allowed must be less than the amount earned by the person enabled to work that is included in the family's annual income. The person enabled to work will be the adult member of the household who earns the least amount of income from working.
2. Child care for school – The number of hours claimed for child care may not exceed the number of hours the family member is attending school, including reasonable travel time to and from school.
3. Amount of expense – Licensed, registered or otherwise regulated childcare providers will provide a signed statement of childcare expenses. The maximum allowance for all other child care is eighty-nine dollars per child, per week

#### MEDICAL EXPENSES [§ 24 CFR 5.609(a)(2), 5.603]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Non-prescription medicines will be counted toward medical expenses for families who qualify, if the family furnishes legible receipts.

#### PRO-RATION OF ASSISTANCE FOR MIXED FAMILIES [§ 24 CFR 5.520]

##### **Applicability**

Pro-ration of assistance must be offered to any mixed applicant or participant family. A mixed family is one that includes at least one U. S. citizen or eligible immigrant and any number of ineligible members.

Mixed families that were participants on / as of June 19, 1995 and that do not qualify for continued assistance must be offered pro-rated assistance (*see Chapter 12 of this Administrative*

*Plan, "Re-examinations."*). Mixed applicant families are entitled to pro-rated assistance. Families that become mixed after June 19, 1995 by the addition of an ineligible member are entitled to pro-rated assistance.

### **Pro-rated Assistance Calculation**

Pro-rated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible. Total tenant payment is the gross rent minus the pro-rated assistance.

### **INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS**

The PHA will not reduce the TTP for families whose welfare assistance is reduced specifically because of:

1. fraud by a family member in connection with the welfare program; or
2. failure to participate in an economic self-sufficiency program; or
3. non-compliance with a work activities requirement.

However, the PHA will reduce the TTP if the welfare assistance reduction is a result of:

1. The expiration of a lifetime time limit on receiving benefits; or
2. A situation where a family member has not complied with other welfare agency requirements; or
3. A situation where a family member has complied with welfare agency economic self-sufficiency or work activities requirements but cannot or has not obtained employment, such as when the family member has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Imputed welfare income is the amount of annual income not actually received by a family because of a specified welfare benefit reduction that is included in the family's income for determining the rental contribution.

Imputed welfare income is not included in annual income if the family was not an assisted family at the time of sanction.

The amount of imputed welfare income is offset by the amount of additional income a family receives that begins after the sanction is imposed.

When additional income is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

## Verification Before Denying a Request to Reduce Rent

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance with economic self-sufficiency or work activities requirements *before* denying the family's request for rent reduction.

The welfare agency, at the request of the PHA, will inform the PHA of:

1. the amount and term of specified welfare benefit reductions for the family;
2. the reason for the reduction; and
3. any subsequent changes in term or amount of reduction.

UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS [§ 24 CFR 982.153, 982.517, 982.514(b)]

The same utility allowance schedule is used for all tenant-based programs. Utilities should be in the name of the head-of-household or co-head.

The utility allowance is intended to cover the cost of utilities not included in the rent. The allowance is based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. Allowances are not based on an individual family's actual energy consumption.

The PHA's utility allowance schedule and the utility allowance for an individual family, must include utilities and services that are necessary in the locality to provide housing that complies with the housing quality standards.

The PHA may not provide any allowance for non-essential utility costs, such as costs of cable or satellite television.

The PHA must classify utilities in the utility allowance schedule according to the following general categories:

1. space heating,
2. cooking,
3. water heating,
4. other electric, water,
5. sewer,
6. trash collection,
7. refrigerator (*amortized cost of tenant-supplied refrigerator*),
8. range (*amortized cost of tenant-supplied range*) and
9. other specified services.

The PHA will review the utility allowance schedule annually. If the review finds that a utility rate has changed by ten percent or more since the last revision of the utility allowance schedule, the schedule will be revised to reflect the new rate. Revised utility allowances will be applied in a participant family's rent calculation at the family's next re-examination.

The approved utility allowance schedule is given to families along with their voucher. The utility allowance calculation is based on the lower of the voucher size or the actual number of bedrooms in the unit.

Where families provide their own range and refrigerator, the PHA will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a twelve-month period.

Where the calculation on the HUD Form 50058 results in a utility reimbursement due the family, the PHA will provide a utility reimbursement payment to the family monthly. The check will be made out directly to the tenant or, if the tenant has agreed, in writing, a check will be made out directly to utility company(ies).

The PHA will approve a higher utility allowance for a family including a person with a disability, if needed.

**Chapter 7      VERIFICATION PROCEDURES [§ 24 CFR Part 5, Subparts B, D, E and F; § 24 CFR 982.158; § 24 CFR 5.617]**

**INTRODUCTION**

HUD regulations require that the factors of eligibility and total tenant payment/family share be verified by the PHA. PHA staff will obtain written verification from independent sources (*i.e., third party verification*) whenever possible. If it is not possible for PHA staff to obtain third party verification, staff will document in the tenant files why they were not able to do so.

Applicants and program participants must provide true and complete information to the PHA whenever information is requested. The PHA's verification requirements are designed to maintain program integrity. This chapter explains the PHA's procedures and standards for determining income, assets, allowable deductions, family status and changes in family composition. The PHA will obtain proper authorization from the family before requesting information from independent sources.

**ENTERPRISE INCOME VERIFICATION (EIV) POLICY AND PROCEDURES**

*RETENTION AND DESTRUCTION POLICY*

All Up-front Income Verification UIV (EIV) documents will be maintained in the participants file that will be placed in a locked file cabinet. Unused UIV (EIV) data, Credit reports and Criminal reports will be placed in a separate locked file cabinet and the Housing Agency will occasionally shred these materials. When shredding is used for disposition, the paper will be shredded to effect 5/16 wide or smaller so the strips are not readable.

*COMPUTER MATCHING*

Where allowed by HUD and/or other State or local agencies, computer matching will be done. HUD has conducted a computer matching initiative to verify independently resident income. The Up Front Income Verification system also known as EIV created by HUD allows the PHA to access income information and compare it to information submitted by PHA's on the HUD Form 50058 form. To obtain the EIV data there must be a HUD Form 9886 signed in the participants file, without the signed HUD Form 9886, EIV cannot be accessed. The programs administrators' Security Officer or designated staff, will assure that a copy of HUD Form 9886 form has been signed by all household members 18 years of age and older is in the household file. The data provided via EIV system must be protected to ensure that it is only used for official purposes and not disclosed in any way that would violate the privacy of the individuals represented in the system data.

## METHODS OF VERIFICATION AND TIME ALLOWED [§ 24 CFR 982.516]

The PHA will verify information through the four methods of verification acceptable to HUD in the following order:

1. Up-front Income Verification (*EIV, EMS, CCSES etc.*) when available
2. third-party written
3. third-party oral
4. review of documents
5. certification/self-declaration

The PHA will allow three weeks for return of third-party written verification. PHA staff will allow two weeks per attempt to obtain other types of verification before going on to the next method. The PHA will place documentation in the tenant file as to why third party written verification was not obtained. When the applicant or tenant brings verification (*excluding 3<sup>rd</sup> party verification*) to the PHA, in person, the verification will be date stamped and a date stamped copy will be returned to the tenant.

For applicants, verifications may not be more than sixty calendar days old at the time of voucher issuance. For participants, verifications are valid for one-hundred twenty calendar days from date of receipt.

### **Up-Front Income Verification (UIV)**

Up-front verification refers to the PHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits (*HUD's EIV, EMS, CCSES etc.*).

There may be legitimate differences between information provided by the family and **EIV** generated information. No adverse action can be taken against a family until the PHA has independently verified the **EIV** information and the family has been given the opportunity to contest any adverse findings through the informal review/ hearing process.

Under no circumstances should a family be terminated solely on information generated through use of **EIV**.

### **Third-Party Written Verification**

Third-party written verification is used to verify information directly from the source. Third-party written verification forms will be sent and returned via first class mail and/or facsimile (FAX) transmittal. Each adult family member (*i.e., age eighteen or older*) will be required to sign an authorization allowing an information source to release the specified information.

Verifications received by FAX directly from the source are considered third-party written verifications.

Third-party verification forms will not be hand-carried by the family with the exception of computer printouts delivered by the family from the following agencies:

1. Social Security Administration
2. Veterans Administration
3. State Department of Social Services (*Welfare Assistance*)
4. State Labor Department (*Unemployment Compensation*)
5. State or federal courts

### **Third-Party Oral Verification**

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to complete a Certification of Document Viewed or Person Contacted form, noting with whom they spoke, the date of the conversation and the facts provided. If oral third party verification is not available, the PHA will compare the information to any documents provided by the family. If obtained by telephone, the PHA must originate the call.

### **Review of Documents**

In the event that third-party written or oral verification is unavailable, the PHA will notate the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed that cannot be photocopied, staff viewing the document(s) will certify the document was reviewed.

The PHA will accept the following documents from the family, if the document is such that tampering would be easily noted:

1. Printed wage stubs
2. Computer print-outs from the employer
3. Signed letters (*provided that the information is confirmed by telephone*)
4. Other documents noted in this chapter as acceptable verification

### **Self-Certification/Self-Declaration**

When verification cannot be made by third-party verification or review of documents, families will be required to submit a self-certification.

Self-certification is accomplished by means of an affidavit that must be witnessed by a representative of the PHA and that is obtained under penalty of perjury.

## **Discrepancy Resolution Procedure**

If third-party verification is received after documents have been accepted as provisional verification and there is a discrepancy, the PHA will attempt to contact both parties providing information in order to resolve the discrepancy. The PHA will place in the family file an explanation of the manner that the discrepancy was resolved.

### **RELEASE OF INFORMATION [§ 24 CFR 5.230]**

All adult family members will be required to sign a copy of HUD form 9886, Authorization for Release of Information/Privacy Act Form.

In addition, all adult family members will be required to sign specific authorization forms when information is needed that is not covered by HUD form 9886.

Each member requested to consent to the release of specific information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information and to sign consent forms requested by the PHA or HUD.

### **COMPUTER MATCHING**

For some time, HUD has conducted a computer matching initiative to verify independently resident income. HUD can access income information and compare it to information submitted by PHAs on the Form 50058 form. HUD can disclose Social Security information to PHAs, but is precluded by law from disclosing Federal tax return data to PHAs. If HUD receives information from Federal tax return data indicating a discrepancy in the income reported by the family, HUD will notify the family of the discrepancy. The family is required to disclose this information to the PHA (§ 24 CFR 5.240). HUD's letter to the family will also notify the family that HUD has notified the PHA in writing that the family has been advised to contact the PHA. HUD will send the PHA a list of families who have received "income discrepancy" letters.

When the PHA receives notification from HUD that a family has been sent an "income discrepancy" letter, the PHA will wait forty calendar days after the date of notification before contacting tenant.

On the forty-first day following the date of notification, the PHA will contact the tenant by mail asking the family to furnish any letter or other notice by HUD concerning the amount or verification of family income within thirty calendar days.

The PHA will fully document the contact in the tenant's file, including a copy of the letter to the family.

When the family provides the required information, the PHA will verify the accuracy of the income information received from the family, review the PHA's interim recertification policy, will identify unreported income, will charge retroactive rent as appropriate and change the amount of rent or terminate assistance, as appropriate, based on the information.

If tenant fails to respond to PHA:

1. The PHA will ask HUD to send a second letter.
2. After an additional forty calendar days, the PHA will ask HUD to send a third letter.
3. After an additional forty calendar days, the PHA will send a letter to the head of household, warning of the consequences if the family fails to contact the PHA within two weeks.

If the tenant claims a HUD letter was not received:

1. The PHA will ask HUD to send a second letter with a verified address for the tenant.
2. After forty calendar days, the PHA will contact the tenant family.
3. If the tenant family still claims they have not received a letter, the PHA will ask HUD to send a third letter.
4. After an additional forty calendar days, the PHA will set up a meeting with the family to complete IRS Forms 4506 and 8821.
5. If the tenant family fails to meet with the PHA or will not sign the IRS Forms, the PHA will send a warning letter to the head of household, notifying the family that termination proceedings will begin within one week if the tenant fails to meet with the PHA and/or sign forms.

If tenant does receive a discrepancy letter from HUD:

1. The PHA will set up a meeting with the family.
2. If the family fails to attend the meeting, the PHA will reschedule the meeting.
3. If the family fails to attend the second meeting, the PHA will send a termination warning.
4. The family must bring the original HUD discrepancy letter to the PHA.

If tenant disagrees with the Federal tax data contained in the HUD discrepancy letter:

1. The PHA will ask the tenant to provide documented proof that the tax data is incorrect.
2. If the tenant does not provide documented proof, the PHA will obtain proof to verify the Federal tax data using third party verification.

#### ITEMS TO BE VERIFIED [§ 24 CFR 982.516]

1. All income, including income exclusions.
2. Full-time student status including high school students who are eighteen or over.

#### VERIFICATION OF INCOME [§ 24 CFR 982.516]

This section defines the methods the PHA will use to verify various types of income.

##### **Employment Income**

Verification forms request the employer to specify the:

1. Dates of employment
2. Amount and frequency of pay
3. Date of the last pay increase
4. Likelihood of change of employment status and effective date of any known salary increase during the next twelve months
5. Year to date earnings

4. Self-certifications or income tax returns signed by the family that may be used to verify self-employment income or income from tips and other gratuities.

### **Self-Employment**

The PHA will require the family member to supply the IRS Form 1099 as verification of earned income.

If a family member has been self-employed for less than three months, the PHA will accept a certified estimate of income from the family member and schedule an interim reexamination in three months. If the family member has been self-employed for three to twelve months, the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income. If in fact the family member's period of self-employment spans from one tax year to the next, even if the employment period is less than three months, the IRS Form 1099 will be required for the previous year.

Applicants and program participants may be requested to sign an authorization for release of information from the Internal Revenue Service for further verification of income.

In cases where there are questions about the validity of information provided by the family, the PHA will require the most recent federal income tax statements.

Where doubt regarding income exists, a referral to IRS for confirmation will be made on a case-by-case basis.

### **Social Security, Pensions, Supplementary Security Income (SSI), Disability Income**

Acceptable methods of verification include:

1. Benefit verification form completed by agency providing the benefits.
2. Award or benefit notification letters prepared and signed by the providing agency.
3. Computer report obtained electronically or in hard copy.

2. A statement from the agency responsible for enforcing payments to show that the family has filed for enforcement.
3. A welfare notice of action showing amounts received by the welfare agency for child support.
4. A written statement from an attorney certifying that a collection or enforcement action has been filed.

## **Net Income from a Business**

In order to verify the net income from a business, the PHA will view IRS and financial documents from prior years and use this information to anticipate the income for the next twelve months.

Acceptable methods of verification include:

1. IRS Form 1040, including:
  - a. Schedule C (*Small Business*)
  - b. Schedule E (*Rental Property Income*)
  - c. Schedule F (*Farm Income*)
2. If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

### **Child Care Business**

If an applicant/participant is operating a licensed day care business, income will be verified as with any other business.

## **Full-time Student Status**

Only the first four-hundred eighty dollars of the earned income of full time students, other than head or spouse, will be counted towards family income.

Financial aid, scholarships and grants are not counted towards family income.

### **Interest Income from Mortgages or Similar Arrangements**

Acceptable methods of verification include, in this order:

1. A letter from an accountant, attorney, real estate broker, the buyer or a financial institution stating interest due for next twelve months. *(A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)*
2. Amortization schedule showing interest for the twelve months following the effective date of the certification or recertification.

## **Net Rental Income from Property Owned by Family**

Acceptable methods of verification include, in this order:

1. IRS Form 1040 with Schedule E (*Rental Income*).
2. Copies of latest rent receipts, leases or other documentation of rent amounts.
3. Documentation of allowable operating expenses of the property:
  - a. tax statements,
  - b. insurance invoices,
  - c. bills for reasonable maintenance and utilities and
  - d. bank statements or amortization schedules showing monthly interest expense.
4. Lessee's written statement verifying rent payments to the family and family's self-certification as to net income realized.

## VERIFICATION OF ASSETS

### **Family Assets**

The PHA will require the necessary information to determine the current cash value (*the net amount the family would receive if the asset were converted to cash*) of assets:

1. Verification forms, letters or documents from a financial institution or broker.
2. Passbooks, checking account statements, certificates of deposit, bonds or financial statements completed by a financial institution or broker.
3. Quotes from a stockbroker or realty agent as to net amount family would receive if they liquidated securities or real estate.
4. Real estate tax statements if the approximate current market value can be deduced from assessment.
5. Financial statements for business assets.
6. Copies of closing documents showing the selling price and the distribution of the sales proceeds.
7. Appraisals of personal property held as an investment.
8. Family's self-certification describing assets or cash held at the family's home or in safe deposit boxes.

The PHA will verify information on assets through the four methods of verification acceptable to HUD in the following order:

1. third-party written
2. third-party oral
3. review of documents
4. certification/self-declaration

**Assets Disposed of for Less than Fair Market Value (FMV) During Two Years Preceding Effective Date of Certification or Re-examination**

1. For all certifications and re-examinations, the PHA will obtain the family's certification as to whether any member has disposed of assets for less than fair market value during the two years preceding the effective date of the certification or re-examination.
2. If the family certifies that they have disposed of assets for less than fair market value, certification is required that shows:
  - a. all assets disposed of for less than FMV,
  - b. the date they were disposed of
  - c. the amount the family received and
  - d. the market value of the assets at the time of disposition.

Third party verification will be obtained wherever possible.

Procedure if there is a service charge for obtaining third party verification

The PHA will determine that third-party verification is not available when there is a service charge for verifying an asset or expense *and* the family has original documents that prove the necessary information.

If the family cannot provide the documents, the PHA will pay the service charge required to obtain the third-party verification, unless it is not cost effective. If obtaining the verification is not cost effective, case self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets and expenses is considered reasonable.

## VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME [§ 24 CFR 982.516]

### **Child Care Expenses**

1. Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.
2. Verifications must specify the child care provider's name, address, telephone number, Social Security Number, the names of the children cared for, the number of hours the child care occurs, the rate of pay and the typical yearly amount paid, including school and vacation periods.
3. Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.
4. Verification that childcare provider is licensed/registered or otherwise regulated must be obtained from provider, otherwise childcare situation will be treated as unregulated and eligible only for a maximum allowance of eighty-nine dollars per child, per week.

### **Medical Expenses**

Families who claim medical expenses will be required to submit a certification as to whether or not any expense payments have been or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

1. Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of
  - a. the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and
  - b. extent to that those expenses will be reimbursed by insurance or a government agency.
2. Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
3. Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next twelve months. A computer printout will be accepted.
4. For attendant care:
  - a. A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

- b. The attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (*or copies of canceled checks the family used to make those payments*) or stubs from the agency providing the services.
5. Receipts, canceled checks or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next twelve months.
6. Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next twelve months.
7. Receipts or other record of medical expenses incurred during the past twelve months that can be used to anticipate future medical expenses. PHA may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not for one time, nonrecurring expenses from the previous year.
8. The PHA will use mileage at the IRS rate or cab, bus fare or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

**Assistance to Persons with Disabilities** [§ 24 CFR 5.611(c)]

1. In All Cases:
  - a.   - b. Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.
2. Attendant Care:
  - a. Attendant's written certification of amount received from the family, frequency of receipt and hours of care provided.
  - b. Certification of family and attendant and/or copies of canceled checks family used to make payments.
3. Auxiliary Apparatus:
  - a. Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

### **Verification of Legal Identity**

In order to prevent program abuse, the PHA will require applicants to furnish verification of legal identity for all family members.

2. Verification of a separation may be a copy of court-ordered maintenance or other records.
3. Verification of marriage status is a marriage certificate.

  - a. Official identification showing names
  - b. Birth Certificates

7. If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.

### **Verification of Change in Family Composition**

The PHA may verify changes in family composition either reported or unreported through letters, telephone calls, utility records, inspections, owners, neighbors, credit data, school or DMV records and other sources.

### **Verification of Disability**

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehab specialist or licensed social worker, using the HUD language as the verification format.

### **Verification of Citizenship/Eligible Immigrant Status [§ 24 CFR 5.508,5.510, 5.512, 5.514]**

To be eligible for assistance, individuals must be U. S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Citizenship and Immigration Service (CIS). Each family member must declare their status once. Assistance cannot be delayed, denied or terminated while verification of status is pending except that assistance to applicants may be delayed while the PHA hearing is pending.

1. Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury. The PHA will require citizens to provide documentation of citizenship. Acceptable documentation will include at least one of the following original documents:
  - a. United States Birth Certificate
  - b. United States passport
  - c. Resident alien/registration card
  - d. Social Security card
2. Eligible Immigrants aged 62 and over are required to sign a declaration of eligible immigration status and provide proof of age.

3. Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents that are copied front and back and returned to the family. The PHA verifies the status through the CIS SAVE system. If this primary verification fails to verify status, the PHA must request within ten business days that the CIS conduct a manual search.
4. Ineligible family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household or spouse.
5. Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members.

Failure to Provide. If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

### **Time of Verification**

For applicants, verification of U. S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination/at the time of initial application.

For participants, it is done at the first regular recertification after June 19, 1995. For family members added after other members have been verified, the verification occurs at the first recertification after the new member moves in.

Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial PHA does not supply the documents, the PHA must conduct the determination.

### **Extensions of Time to Provide Documents**

The PHA will grant an extension of fifteen business days for families to submit evidence of eligible immigrant status.

### **Acceptable Documents of Eligible Immigration**

The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

1. Resident Alien Card (*I-551*)
2. Alien Registration Receipt Card (*I-151*)

3. Arrival-Departure Record (*I-94*)
4. Temporary Resident Card (*I-688*)
5. Employment Authorization Card (*I-688B*)
6. Receipt issued by the CIS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U. S. citizenship/eligible immigrant status must be kept five years.

The PHA will verify the eligibility of a family member at any time such eligibility is in question, without regard to the position of the family on the waiting list.

If the PHA determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside permanently in the family's unit, the family's assistance will be terminated for thirty-six months, unless the ineligible individual has already been considered in prorating the family's assistance.

**Verification of Social Security Numbers [§ 24 CFR 5.216]**

Social security numbers must be provided as a condition of eligibility for all family members age six and over if they have been issued a number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration. If a family member cannot produce a Social Security Card, only the documents listed below showing his or her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card information provided is/are complete and accurate:

1. A driver's license
2. Identification card issued by a Federal, State or local agency
3. Identification card issued by a medical insurance company or provider (*including Medicare and Medicaid*)
4. An identification card issued by an employer or trade union
5. An identification card issued by a medical insurance company

11. Life insurance policies
12. Court records such as real estate, tax notices, marriage and divorce, judgment or bankruptcy records
13. Verification of benefits or Social Security Number from Social Security Administration
14. EMS print-out

New family members ages six and older will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the PHA.

If an applicant or participant is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or participant must show proof they have applied to Social Security for a replacement card. The applicant/participant or family member will have an additional thirty business days to provide proof of the Social Security Number. If they fail to provide this documentation, the family's assistance will be terminated.

In the case of an individual at least sixty-two years of age, the PHA may grant an extension for an additional sixty calendar days to a total of one-hundred twenty calendar days. If, at the end of this time, the elderly individual has not provided documentation, the family's assistance will be terminated.

If the family member states they have not been issued a number, the family member will be required to show they have applied for a Social Security Number.

## Chapter 8 VOUCHER ISSUANCE AND BRIEFINGS [§ 24 CFR 982.302]

### INTRODUCTION

The PHA's goals and objectives are designed to assure that families selected to participate are equipped with the tools necessary to locate an acceptable housing unit and that families are provided with sufficient information to acquire knowledge regarding the program and how to achieve maximum benefit while complying with program requirements. When eligibility has been determined, the PHA will conduct a mandatory briefing to ensure that families know how the program works. The briefing will describe broadly the responsibilities of the owner, the family and the PHA's procedures and explain how to lease a unit. The family will also receive a briefing packet. The packet will provide more detailed information about the program. The information will include the benefits of moving outside areas of poverty and minority concentration. This chapter describes how briefings will be conducted, the information that will be provided to families and the policies for how changes in family composition will be handled.

### ISSUANCE OF VOUCHERS [§ 24 CFR 982.204(d), 982.54(d)(2)]

When funding is available, the PHA will issue vouchers to applicants whose eligibility has been determined. The issuance of vouchers must be within the dollar limitations set by the ACC budget.

The number of vouchers issued must ensure that the PHA stays as close as possible to one hundred percent (*one-hundred percent*) lease-up. The PHA performs a monthly calculation to determine whether applications can be processed, the number of vouchers that can be issued and to what extent the PHA can over-issue vouchers (*i.e., issue more vouchers than the budget allows*).

The PHA may over-issue vouchers only to the extent necessary to meet its leasing goals. All vouchers that are over-issued must be honored. If the PHA finds it is over-leased, it must adjust its future issuance of vouchers in order not to exceed the ACC budget limitations over the fiscal year.

### BRIEFING TYPES AND REQUIRED ATTENDANCE [§ 24 CFR 982.301]

#### **Initial Applicant Briefing**

A full HUD-required briefing will be conducted for applicant families who are determined to be eligible for assistance. The briefings will be conducted in-group and/or individual meetings. Families that attend group briefings and still have the need for individual assistance will be referred to a housing coordinator. Specific briefings will be conducted for Family Unification Program (FUP) and Foster Youth to Independence (FYI) participants so that they may better understand the family obligations specific to this program as they relate to DCF and the PHA. Briefings will be conducted in English and, when necessary, in Spanish.

The purpose of the briefing is to explain the documents in the voucher-holder's packet to families so that they are fully informed about the program. This will enable them to utilize the program to their fullest advantage and it will prepare them to discuss the voucher program with potential owners and property managers.

Separate briefing sessions may be held for applicants who are eligible to participate in the Family Unification Program, Foster Youth to Independence, and Mainstream Housing Opportunities for Persons With Disabilities Program. Applicants will be informed of the requirements and family obligations specific to the Family Unification Program, Foster Youth to Independence, and the Mainstream Housing Opportunities for Persons With Disabilities Program. Briefings must be scheduled to accommodate applicants' employment schedules.

The PHA will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend two scheduled briefings without prior notification and approval of the PHA may be denied admission based on failure to supply information needed for certification. The PHA will conduct individual briefings for families with disabilities at their homes, upon request by the family, if this is required as a reasonable accommodation.

All clients who have been properly briefed will sign an acknowledgement indicating that they are aware of their mobility rights. They will indicate the communities (*if any*) to which they are interested in moving. The acknowledgement will be written in English and Spanish.

### **Follow-up Applicant Briefings**

The PHA shall use its discretion in determining whether a participant shall be required to attend a briefing after the initial briefing. Follow-up briefings communicate new or revised information concerning families' rights or responsibilities. The PHA shall not use the follow-up briefing process to deny program participants continued access to the families' voucher.

### **Briefing Packet [§ 24 CFR 982.301(b)]**

The documents and information provided in the briefing packet for the voucher programs will comply with all HUD requirements. The PHA also includes other information and materials that are not required by HUD.

14. If the family includes a person with disabilities, notice that the PHA will assist in locating accessible units and a list of available accessible units known to the PHA.
15. The family obligations under the program.

**Other Information to be Provided at the Briefing [§ 24 CFR 982.301(a)]**

The person conducting the briefing will describe how the program works and the relationship between the family and the owner, the family and the PHA and the PHA and the owner.

The briefing presentation emphasizes:

1. Family and owner responsibilities.
2. The role of DOH in monitoring the program (which may include an HQS inspection by DOH staff).
3. How portability works for families eligible to exercise portability.
4. Advantages in moving to an area with a low concentration of poor families if the family is living in a high poverty census tract in the PHA's jurisdiction.
5. Exercising choice in residency.
6. Choosing a unit carefully and only after due consideration.
7. The Family Self-Sufficiency (FSS) program and its advantages.
8. Mobility services.

If the family includes a person with disabilities, the PHA will ensure compliance with CFR 8.6 to ensure effective communication.

## ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW-INCOME OR MINORITY CONCENTRATION [SEMAP Indicator]

At the briefing, families are encouraged to search for housing in non-impacted areas and mobility counselors are available to assist families who wish to do so.

The mobility services provided may include:

1. Direct contact with owners.
2. Counseling with the family.
3. Providing information about services in various non-impacted areas.
4. Meeting with neighborhood groups to promote understanding.
5. Formal or informal discussions with owner groups
6. Formal or informal discussions with social service agencies
7. Meeting with rental referral companies or agencies
8. Meeting with fair housing groups or agencies

## ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION

The PHA will give participants a copy of HUD form 903 to use in the event that they decide to file a complaint. When housing discrimination is alleged, PHA staff will help clients who require assistance in filling out discrimination complaint forms by referring them to the appropriate legal authority or legal services representative.

Each administering agency shall establish procedures for tracking reports of housing discrimination. Logs of all reported instances of housing discrimination will be maintained and forwarded to the Connecticut Fair Housing Center on a quarterly basis.

## SECURITY DEPOSIT REQUIREMENTS [§ 24 CFR 982.313]

Security deposits charged by owners may not exceed those charged to unassisted tenants (*or the maximum prescribed by state law, (i.e., two-month's rent or one-month's rent if the tenant is 62 or older).*)

For lease-in-place families, responsibility for the first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the tenant before the beginning of assistance.

## TERM OF VOUCHER [§ 24 CFR 982.303, 982.54(d)(11)]

During the briefing session, each household will be issued a voucher that represents a contractual agreement between the PHA and the family specifying the rights and responsibilities of each party. It does not constitute admission to the program that occurs when the lease and contract become effective.

### **Expirations**

The voucher is valid for a period of at least ninety calendar days from the date of issuance. The family must submit a Request for Tenancy Approval within the ninety-day period, unless an extension has been granted by the PHA or the voucher will expire (*i.e., the family will lose the voucher*).

If the voucher expired or was not extended by the PHA or expired after an extension, the family is denied assistance. The family will not be entitled to a review or a hearing. If the family is currently assisted, they may remain as a participant in their unit if an assisted lease and contract are in effect.

### **Suspensions**

When a Request for Tenancy Approval is received, the PHA will suspend or stop the clock on the term of the voucher and will not deduct the number of business days required to process the request.

### **Extensions**

The PHA will extend the term of the voucher up to one-hundred eighty calendar days from the beginning of the initial term. If the family needs and request an extension and it is granted, it will be granted in thirty-day increments not to exceed three extensions. Approval of each extension should be granted by a housing supervisor.

Extensions are granted at the discretion of the PHA primarily for the following reasons:

1. The PHA is satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the PHA through its mobility services, throughout the initial ninety-day period. A completed search record is required.
2. The family was prevented from finding a unit due to the disability accessibility requirement of a family member.

### **Special Extensions**

Special extensions beyond the one-hundred eighty day maximum search time may be granted by the PHA, but only in cases where there are circumstances documented and verified that are beyond the family's control and that affect the family's ability to find suitable housing within the

initial ninety calendar days and subsequent allowable extensions.

The housing supervisor must review the family's search record and all documentation provided by the family to verify and support the request. The housing supervisor shall approve or disapprove the special extension. If the family does not provide proper documentation, a special extension will not be granted.

### **Assistance to Voucher Holders**

Families who require additional assistance during their search may call the PHA office to request assistance. Voucher holders will be notified at their briefing session that the PHA periodically updates the listing of available units and shall be told how the updated list may be obtained.

The PHA will assist families with negotiations with owners and provide other assistance related to the families' search for housing.

### **VOUCHER ISSUANCE DETERMINATION FOR LEGALLY SPLIT HOUSEHOLDS [§ 24 CFR 982.315]**

In those instances when a family assisted under the Section 8 program becomes divided into two otherwise eligible families due to divorce, or legal separation, any determination by a court or by mutual agreement shall determine the holder of the voucher. In the event that the new families cannot agree as to which new family unit should continue to receive the assistance and there is no determination by a court, the PHA shall consider the following factors to determine that of the families will continue to be assisted:

1. Which of the two new family units has custody of dependent children?
2. Which family member was the head of household when the voucher was initially issued (*listed on the initial application*).
3. The composition of the new family units and that unit contains elderly or disabled members.
4. Whether domestic violence was involved in the breakup.
5. Which family members remain in the unit.
6. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties. If documentation is not provided, the PHA will terminate assistance based on failure to provide information necessary for a re-examination.

If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking as provided in 24 CFR part 5, subpart L (Protection for Victims of Domestic

Violence, Dating Violence, Sexual Assault, or Stalking), the PHA will ensure that the victim retains assistance.

#### VOUCHER RETENTION [§ 24 CFR 982.315]

If a head of household is no longer willing or able to retain assistance, a voucher may be retained by another household member only if the following conditions are met:

1. The current voucher holder is deceased or absent due to incarceration or absent due to confinement in a medical facility without the expectation of return to the unit and
  - a. The household member has reached the age of majority and is related by blood or law to the voucher holder, and
  - b. The household member was included on the voucher at the time of death, incarceration or confinement for a period of five years or more, or

2. The current voucher holder is deceased or absent due to incarceration or absent due to confinement in a medical facility without the expectation of return to the unit and

The remaining household member(s) is/are minors who were a household member(s) at the time of the death or absence and

- a. Has been awarded emancipated minor status or
- b. Has been placed in the care of another adult to be brought into the unit by action of the judicial system or the state child protection agency.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the family.

The PHA will assess all family eligibility factors before issuing a new voucher. All changes in family eligibility factors will be reflect in the new voucher.

Absent The PHA will assess all family eligibility factors before issuing a new voucher. All changes in family eligibility factors will be reflect in the new voucher.

**Chapter 9      REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION [§ 24 CFR 982.302]**

**INTRODUCTION [§ 24 CFR 982.305(a)]**

The PHA's program operations are designed to utilize available resources in a manner that is efficient and provides eligible families with timely assistance based on the number of units that have been budgeted. The PHA's objectives include maximizing the use of HUD funds by assisting to as many eligible families and for as many eligible units as the budget will allow.

After families are issued a voucher, they may search for a unit anywhere within the jurisdiction of the PHA or outside of the PHA's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner/owner who is willing to enter into a housing assistance payment (HAP) contract with the PHA. This chapter defines the types of eligible housing, the PHA's policies that pertain to initial inspections, lease requirements, owner disapproval and the processing of requests for tenancy approval.

**REQUEST FOR TENANCY APPROVAL [§ 24 CFR 982.302, 982.305(b)]**

The Request for Tenancy Approval (RTA) and a copy of the proposed lease, including the HUD-prescribed tenancy addendum, must be submitted by the family during the term of the voucher. The family must submit the request for tenancy approval in the form and manner required by the PHA.

The RTA must be signed by both the owner and voucher-holder, and the PHA will not permit the family to submit more than one RTA at a time.

The PHA will review the proposed lease and the RTA to determine whether they are approvable. The RTA will be approved if:

1. The unit is an eligible type of housing,
2. The unit meets HUD's Housing Quality Standards (*and any additional criteria as identified in this Administrative Plan*),
3. The rent is reasonable,
4. The security deposit is approvable in accordance with any limitations in this plan,
5. The proposed lease complies with HUD and PHA requirements (*see "Lease Review" section below*), and
6. The owner is approvable and there are no conflicts of interest (*see "Owner Disapproval" section below*).

In addition to the above, at the time a family initially receives assistance in a particular rental unit (*i.e., new admissions and moves*), if the gross rent for the unit exceeds the applicable payment standard for the family, the family share of the rent may not exceed forty percent of the family's monthly adjusted income (*see Chapter 11 of this Administrative Plan, "Owner Rents, Rent Reasonableness and Payment Standards"*).

### **Disapproval of Request for Tenancy Approval**

If the PHA determines that the request cannot be approved for any reason, the owner and the family will be notified in writing. The PHA will instruct the owner and family of the steps that are necessary to approve the request.

The owner will be given no more than fifteen business days to submit an approvable RTA from the date of disapproval.

When, for any reason, an RTA is not approved, the PHA will furnish another RTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

### **ELIGIBLE TYPES OF HOUSING [§ 24 CFR 982.353]**

The PHA will approve any of the following types of housing in the voucher program:

1. All approved structure types can be utilized.
2. Manufactured homes where the tenant leases the mobile home and the pad.
3. Manufactured homes where the tenant owns the mobile home and leases the pad.

A family can own a rental unit but cannot reside in it while being assisted, except in the case when the tenant owns the mobile home and leases the pad.

The PHA may not permit a voucher holder to lease a unit that is receiving project-based Section 8 assistance or any other duplicative rental subsidies.

### **LEASE REVIEW [§ 24 CFR 982.308]**

The PHA will review the lease, particularly noting *whether any optional charges are approvable and* whether it complies with regulations and state/local law. The tenant also must have legal capacity to enter into a lease under state and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the request for tenancy approval.

The terms and conditions of the owner's lease must be consistent with state and local law.

The lease must specify:

1. The names of the owner and all tenants and
2. The address of the unit rented (*including apartment number, if any*) and
3. The amount of the monthly rent to owner and
4. The utilities and appliances to be supplied by the owner and
5. The utilities and appliances to be supplied by the family.

Monies owed to PHA's should be paid in full prior to lease up.

The HUD-prescribed tenancy addendum must be included in the lease word-for-word before the lease is executed.

The owner's lease must include the lead warning statement and disclosure information required by § 24 CFR 35.92(b).

The lease must provide that drug-related criminal activity engaged in by the tenant, any household member or any guest, on or near the premises, or any person under the tenant's control on the premises is grounds to terminate tenancy.

The lease must also provide that the owner may evict family when the owner determines that:

1. Any household member is illegally using a drug; or
2. A pattern of illegal use of drug by any household member exists that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.

The lease must also provide that the following types of criminal activity by a "covered person" are grounds to terminate tenancy:

1. Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents (*including property management staff residing on the premises*);
2. Any criminal activity that threatens the health, safety or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
3. Any violent criminal activity on or near the premises by a tenant, household member or guest; or
4. Any violent criminal activity on the premises by any other person under the tenant's control.

The lease must provide that the owner may terminate tenancy if a tenant is:

1. Fleeing to avoid prosecution or custody or confinement after conviction for a crime or attempt to commit a crime that is a felony under the laws of the place from that the individual flees; or
2. Violating a condition of probation or parole imposed under federal or state law.

House rules of the owner may be attached to the lease as an addendum, provided they are approved by the PHA to ensure they do not violate any fair housing provisions and do not conflict with the lease addendum.

### **Actions Before Lease Term**

All of the following must be completed before the beginning of the initial term of the lease for a unit:

1. The PHA has inspected the unit and has determined that the unit satisfies the HQS;
2. The owner and tenant have executed the lease; and
3. The PHA has approved leasing of the unit in accordance with program requirements.

### **SEPARATE AGREEMENTS**

Separate agreements between the tenant and the owner are legal unless they require additional rent or are for items normally included in the rent of unassisted families or for items not shown on the approved lease.

The family is not liable under the lease for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

Owners and families may execute separate agreements for services, appliances (*other than range and refrigerator*) and other items that are not included in the lease if the agreement is in writing and approved by the PHA.

Any appliances, services or other items that are routinely provided to unassisted families as part of the lease (*such as air conditioning, dishwasher or garage*) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the PHA. If agreements are entered into later, they must be approved by the PHA and attached to the lease.

#### INITIAL INSPECTIONS [§ 24 CFR 982.305(a) & (b)]

See Chapter 10 of this Administrative Plan, "Housing Quality Standards and Inspections."

#### RENT LIMITATIONS [§ 24 CFR 982.507]

The PHA will make a determination as to the reasonableness of the proposed rent in relation to comparable units available for lease on the private unassisted market and the rent charged by the owner for a comparable unassisted unit in the building or premises.

By accepting each monthly housing assistance payment from the PHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner is required to provide the PHA with information requested on rents charged by the owner on the premises or elsewhere.

At all times during tenancy, the rent to owner may not be more than the most current reasonable rent as determined by the PHA.

#### DISAPPROVAL OF PROPOSED RENT [§ 24 CFR 982.502]

In any of the programs, if the proposed gross rent is not reasonable, at the family's request, the PHA will negotiate with the owner to reduce the rent to a reasonable rent. If the rent is not affordable because the family share would be more than forty percent of the family's monthly-adjusted income, the PHA will negotiate with the owner to reduce the rent to an affordable rent for the family.

At the family's request, the PHA will negotiate with the owner to reduce the rent or include some or all of the utilities in the rent to owner.

If the rent can be approved by negotiations with the owner, the PHA will continue processing the request for tenancy approval and lease. If the revised rent involves a change in the provision of utilities, a new request for tenancy approval must be submitted by the owner.

If the owner does not agree on the rent to owner after the PHA has tried and failed to negotiate a revised rent, the PHA will inform the family and owner that the lease/tenancy is disapproved.

#### INFORMATION TO OWNERS [§ 24 CFR 982.307(b), 982.54(d)(7)]

In accordance with HUD requirements, the PHA will furnish prospective owners with the family's current address as shown in the PHA's records and, if known to the PHA, the name and address of the owner at the family's current and prior address.

The PHA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The PHA will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, eviction history, damage to units and other factors related to the family's suitability as a tenant.

A statement of the PHA's policy on release of information to prospective owners will be included in the briefing packet that is provided to the family.

The PHA will provide documented information regarding the family's tenancy history for the past two years, if available, to prospective owners upon written request from the owner.

The PHA will provide the following information based on documentation in its possession:

1. Eviction history (*documenting the disposition of the eviction*).
2. Damage to rental units, including independent verification.

The information will be provided for the past two years.

The information will be provided in writing.

Only the housing supervisor may provide this information. The PHA's policy on providing information to owners is included in the briefing packet and will apply uniformly to all families and owners.

#### OWNER DISAPPROVAL [§ 24 CFR 982.306]

See Chapter 16 of this Administrative Plan, "Owner Disapproval and Restriction."

#### CHANGE IN TOTAL TENANT PAYMENT (TTP) BEFORE HAP EFFECTIVE DATE

When the family reports changes in factors that will affect the total tenant payment (TTP) before the effective date of the HAP contract at admission, the information will be verified and the TTP will be re-calculated. If the family does not report any change, the PHA need not obtain new verifications before signing the HAP contract, unless verifications are more than sixty calendar days old.

#### CONTRACT EXECUTION PROCESS [§ 24 CFR 982.305(c)]

The PHA prepares the housing assistance payment (HAP) contract and lease for execution. The family and the owner will execute the lease and the owner and the PHA will execute the HAP contract. Copies of these documents will be furnished to the parties who signed the respective documents. The PHA will retain a copy of all signed documents.

The PHA will make every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than sixty calendar days after commencement of the lease term and no payments will be made until the contract is executed.

The following PHA representative is authorized to execute a contract on behalf of the PHA:

The Commissioner of the Department of Housing or his or her designee.

Owners must provide the current street address of their residence (*not a post office box*). If families lease properties owned by relatives, the owner's current address will be compared to the address of the subsidized unit.

**An owner must provide his or her social security number.**

The owner must provide a business or home telephone number.

Unless their lease was effective before June 17, 1998, a family may not lease a property owned by a parent, child, grandparent, grandchild, sister or brother of any family member. The PHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability.

#### PROOF OF OWNERSHIP

Owners must also submit proof of ownership of the property, such as a property deed, tax bill, online printout from city/town assessor's office or a mortgage statement (*include the volume and page number from the most recent transaction in the municipal land records*) and a copy of the management agreement if the property is managed by a management agent.

#### CHANGE IN OWNERSHIP

See Chapter 16 of this Administrative Plan, "Owner Disapproval and Restriction."

## Chapter 10 HOUSING QUALITY STANDARDS AND INSPECTIONS [§ 24 CFR 982.401]

### INTRODUCTION

Housing Quality Standards (HQS) are the HUD-required minimum standards of quality for tenant-based programs. Rental units must meet HQS both at initial occupancy and during the term of the lease. HQS apply to the building and premises, as well as to the unit. All units must pass the HQS inspection on or before the beginning date of the assisted lease and HAP contract.

The PHA will inspect each unit under contract at least annually. Annually, the PHA will also have an inspection supervisor perform quality control inspections on the number of files required for file sampling by SEMAP. The purpose of the inspections is to insure that the required standards of the PHA are maintained and to assure consistency in the program of the PHA. This chapter describes the PHA's procedures for performing HQS inspections and PHA standards for the timeliness of repairs. It also explains the responsibilities of the owner and the family and the consequences of noncompliance with HQS requirements for both families and owners. The use of the term "HQS" in this Administrative Plan refers to the combination of both HUD and PHA requirements.

### GUIDELINES/TYPES OF INSPECTIONS [§ 24 CFR 982.401(a), 982.405]

Efforts will be made at all times to encourage owners to provide housing above HQS minimum standards.

All utilities must be in service before the effective date of the HAP contract. If the utilities are not in service at the time of inspection, the HQS inspector will notify the owner or the tenant (*whoever is responsible for the utilities, according to the RTA*) to have the utilities turned on.

The inspector will either schedule or conduct a re-inspection or the owner and the tenant shall both certify that the utilities are in service.

If the tenant is responsible for supplying the stove and/or the refrigerator, the PHA will allow the stove and/or the refrigerator to be placed in the unit after the inspection if, after the unit has passed all other HQS, the owner and the tenant certify that the appliances are in the unit and working according to HQS. The PHA will not conduct a re-inspection that event.

There are four types of inspections the PHA will perform:

1. Initial/Move-in – Conducted when the Request For Tenancy Approval has been received and accepted. Inspection must not be over thirty calendar days old.
2. Annual – Must be conducted not less than 335 days after but not more than 700 days after the last annual inspection.
3. Special/Complaint – At request of owner, family or an agency or third party.
4. Quality Control – to maintain quality standards within the program.

## INITIAL HQS INSPECTION [§ 24 CFR 982.401(a), 982.305(b)(2)]

### **Timely Initial HQS Inspection**

The PHA will inspect the unit, determine whether the unit satisfies HQS and notify the owner and the tenant of the determination within a reasonable amount of time.

The PHA will conduct initial HQS inspections for the owner and the tenant within ten business days of receipt of the RTA.

The initial inspection will be conducted to:

1. Determine if the unit and property meet the HQS defined in this plan.
2. Document the current condition of the unit in order to assist in future evaluations of whether the condition of the unit exceeds normal wear and tear.
3. Document the information to be used for determination of rent-reasonableness.

If the unit fails the initial HQS inspection, the owner and the tenant will be advised to notify the PHA once repairs are completed.

A notice will be forwarded to the owner listing the failures and a copy of that notice will be forwarded to the tenant.

On an initial inspection, the owner will be given up to thirty calendar days to correct the items noted as failing HQS unless, at the inspector's discretion and depending on the amount and complexity of work to be done, additional time will be given.

The owner will be allowed up to two re-inspections for repair work to be completed. The PHA may choose to afford the owner additional opportunities to comply based on mitigating circumstances.

If unit fails an initial inspection due to deteriorated paint surfaces, the tenant will not be allowed to move in until corrective action has been taken and the apartment has passed inspection.

If the time-period given by the inspector to correct the repairs has elapsed or if the maximum number of failed re-inspections has occurred, the tenant must select another unit.

## ANNUAL HQS INSPECTIONS [§ 24 CFR 982.405(a)]

The PHA conducts an inspection in accordance with HQS annually, within not less than 335 days after but not more than 700 days after the last annual inspection. Special inspections may be scheduled between anniversary dates.

HQS deficiencies that are the cause of a unit failure must be corrected by the owner unless it is a failure that the tenant is responsible.

The tenant must allow the PHA to inspect the unit at reasonable times with reasonable notice. [§ 24 CFR 982.551 (d)]

The PHA will work with the tenant to accommodate the tenant's schedule.

The PHA will notify the tenant in writing at least five business days before the inspection.

Inspection – The tenant is notified of the date and time of the inspection appointment by mail. If the tenant is unable to be present, he or she must reschedule the appointment so that the inspection is completed within fourteen business days.

In the case of a no entry, the inspection company will reschedule the next inspection within fourteen business days of that event.

If the tenant does not contact the PHA to reschedule the inspection or if the tenant misses two inspection appointments without good cause such as emergency, illness or disability, the PHA will consider the tenant to have violated a family obligation and his or her assistance will be terminated in accordance with the termination procedures in the administrative plan. The PHA may choose to afford the tenant additional opportunities to comply based on mitigating circumstances.

### **Time Standards for Repairs**

1. Emergency items that endanger the family's health or safety must be corrected by the owner or tenant within twenty-four hours of notification.
2. For non-emergency items, repairs must be made within thirty calendar days.
3. For major repairs, the director may approve an extension beyond thirty calendar days.

### **Rent Increases**

Increases in the rent paid to the owner may not be approved if the unit is in a failed condition.

### **SPECIAL/COMPLAINT INSPECTIONS [§ 24 CFR 982.405(c)]**

If at any time, the family or owner notifies the PHA that the unit does not meet HQS, the PHA will conduct an inspection.

The PHA may also conduct a special inspection based on information from third parties such as neighbors or public officials.

The PHA will inspect only the items that were reported, but if the inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be required to make the necessary repairs.

If the anniversary date is within one-hundred twenty calendar days of a special inspection, the special inspection will be categorized as annual and all annual procedures will be followed.

## QUALITY CONTROL INSPECTIONS [§ 24 CFR 982.405(b)]

Quality control inspections will be performed by the supervisor on the number of files required by SEMAP. The purpose of quality control inspections is to ascertain that each inspector is conducting accurate and complete inspections and to ensure that there is consistency among inspectors in the application of the HQS.

The sampling of files chosen for quality control will include recently completed inspections (*conducted within the prior three months*), a cross-section of neighborhoods and a cross-section of inspectors.

## ACCEPTABILITY CRITERIA AND EXCEPTIONS TO HQS [§ 24 CFR 982.401 (a)]

The PHA adheres to the acceptability criteria in the program regulations and HUD inspection booklet with the additions described below:

### **Carbon Monoxide Detectors:**

Dwellings that have (1) fuel-fired/burning appliances (gas, oil, propane), and/or (2) an attached garage must have operational CO2 detectors. Detectors must be mounted near the fuel burning appliance, on each level of living space (near bedrooms), and in the attached garage.

### **Security**

1. If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.
2. Owners are responsible for providing batteries and for replacing (*old*) non-functioning batteries for battery-powered (*units*) smoke detectors or fire detectors. Tenants will be instructed not to tamper with smoke detectors or remove batteries under penalty of law (*§53a-117a. of the Connecticut General Statutes, Criminal Mischief in the fourth degree, a Class C misdemeanor*).
3. Smoke detectors or fire detectors are required in attics or crawl spaces if heating or cooling equipment is located in the attic or crawl space.
4. Ground Fault Circuit Interrupters (GFCI) are required for all receptacles located within six feet of a water source in the kitchen or bathroom (*with the exception of electrical outlets located on medicine cabinets*).

### **Bedrooms**

1. A room for sleeping of at least seventy square feet in size.
2. Rooms for sleeping with emergency exit capability.
3. Rooms for sleeping with two electrical outlets or one electrical outlet and one light fixture.

4. Rooms for sleeping with a door or other partition that affords the space privacy from the rest of the unit.
5. Rooms for sleeping not in basements or attics unless they meet local code requirements.
6. Rope ladders or similar devices will not be accepted as a secondary means of egress. Units approved for occupancy prior to effective date (effective July 1, 2015) shall be deemed acceptable.

### **Modifications**

Modifications or adaptations made to a unit (*due*) to accommodate a person with a disability must meet all applicable HQS and building codes.

### **Admittance to Basement**

Owners are required to allow the inspector access to the basement to inspect the heating system. If the owner does not allow access, he or she may instead present a safety inspection certificate from a local public agency or evidence that the heating equipment was serviced recently and is in good working order. The safety inspection certificate or evidence of recent service must not be over one year old.

### **EMERGENCY REPAIR ITEMS [§ 24 CFR 982.404(a)]**

The following items are considered to be of an emergency nature and must be corrected by the owner or tenant (*whoever is responsible*) within twenty-four hours of notice by the inspector:

1. Lack of security for the unit
2. Waterlogged ceiling in imminent danger of falling
3. Major plumbing leaks or flooding
4. Natural gas leak or fumes
5. Electrical problem that could result in shock or fire
6. No heat between November 1<sup>st</sup> and April 1<sup>st</sup>
7. Lack of functioning toilet
8. Non-operational smoke detector

Failures will be identified at the inspection if the owner is present or the owner will be notified by fax, email or telephone where possible. A letter marked urgent with an attachment listing unit failures will also be sent to the owner.

1. The attachment will identify whether the failure is a twenty-hour emergency repair item or a thirty-day repair item.

2. The letter will inform owners that items marked “24 hour emergency repair” must be addressed immediately and the owner must fax or call the inspection firm within twenty hours verifying the repair has been completed.
3. The PHA will re-inspect the unit within ten business days after notification by the owner if only twenty-four hour repairs were required.
4. If other non-emergency repairs were also required, the PHA will re-inspect when the owner indicates the remaining repairs have been completed.

The PHA may give a short extension (*not more than forty-eight additional hours*) whenever the responsible party cannot be notified or if it is impossible to effect the repair within the twenty-four-hour period.

In those cases where there is leaking gas, potential of fire or some other threat to public safety and the responsible party cannot be notified, or it is impossible to make the repair, the PHA will notify the proper authorities.

If the emergency repair item(s) is not corrected in the period required by the PHA and the owner is responsible, the housing assistance payment will be abated.

If the emergency repair item(s) is not corrected in the period required by the PHA and it is an HQS violation caused by a breach of a family obligation, the PHA will terminate the assistance to the family.

#### CONSEQUENCES IF OWNER IS RESPONSIBLE (NON-EMERGENCY ITEMS) [§ 24 CFR 982.405, 982.453]

When it has been determined that a unit on the program fails to meet Housing Quality Standards and the owner is responsible for completing the necessary repair(s), he or she will be notified in writing of the HQS violation(s). If the owner does not make the corrections in the period specified by the PHA, the assistance payment to the owner will be abated.

#### **Suspension of Housing Assistance Payments**

A notice of suspension will be sent to the owner and abatement will be effective as of the first of the following month.

The PHA will inspect units under suspension within ten business days of the owner's notification that the work has been completed.

If the owner makes repairs during the abatement period, payment will resume on the day the unit passes inspection. This pro-rated portion of the HAP will be included with the next month's payment.

The family will be notified of the re-inspection date.

No retroactive payments will be made to the owner for the period of time during which the rent was abated and the unit did not comply with HQS. The notice of suspension will state that the tenant is not responsible for the PHA's portion of the rent that is abated.

### **Extension of Time to Complete Repairs**

The PHA will grant an extension in lieu of abatement in the following cases:

1. The owner has a good history of HQS compliance.
2. There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting for services.
3. The repairs are expensive (*such as exterior painting or roof repair*) and the owner needs time to obtain the funds.
4. The repairs must be delayed due to climate conditions.

The extension will be made for a period to be determined by the PHA. At the end of that time, if the work is not completed, the PHA will begin the abatement.

### **Termination of Contract**

If the owner is responsible for repairs and fails to correct all the deficiencies cited before the end of the suspension period, the owner will be sent a HAP Contract Proposed Termination Notice. Before the effective date of the termination, the suspension will remain in effect.

If repairs are completed before the effective termination date, the termination will be rescinded by the PHA if the tenant chooses to remain in the unit. Only one Housing Quality Standards inspection will be conducted after the termination notice is issued.

### **DETERMINATION OF RESPONSIBILITY [§ 24 CFR 982.404]**

Certain HQS deficiencies are considered the responsibility of the family:

1. Utilities paid by the tenant that are not in service.
2. Failure to provide or maintain family-supplied appliances.
3. Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items that could not be charged against the tenant's security deposit under state law or court practice.

The owner is responsible for all other HQS violations.

The owner is responsible for vermin infestation even if caused by the family's living habits. However, if such infestation is serious and repeated, it may be considered a lease violation and the owner may evict for serious or repeated violation of the lease. The PHA may terminate the family's assistance that basis.

If the family is responsible but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and the issue will be noted in the family's file.

#### CONSEQUENCES IF FAMILY IS RESPONSIBLE [§ 24 CFR 982.404(b)]

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the PHA will require the family make any repair(s) or corrections within thirty calendar days of notice for non-emergency violations and within twenty-four hours of notice for emergency violations. If the repair(s) or correction(s) is not made in this period, the PHA will terminate assistance to the family. Extensions of the time limits in these cases must be approved by a supervisor. The owner's rent will not be abated for items that are the family's responsibility.

If the tenant is responsible and corrections are not made, the HAP Contract will terminate when assistance is terminated. The owner will be notified forty-five calendar days before termination.

#### CHILD WITH AN ELEVATED BLOOD LEAD LEVEL - LEAD SAFE HOUSING RULE [§ 24 CFR 35.1225]

(a) Within 15 days after being notified by the Department of Public Health ("DPH") that a child of less than 6 years of age living in an assisted dwelling unit has been identified as having a blood lead level of 5 micrograms per deciliter or greater, living in a pre-1978 subsidized funded dwelling unit, the PHA shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of the common areas servicing the dwelling unit. The risk assessment shall be conducted in accordance with § 35.1320(b). When the risk assessment is complete, the PHA shall immediately provide the report of the risk assessment to the owner of the dwelling unit. If the child identified as having a blood lead level of 5 micrograms per deciliter or greater is no longer living in the unit when the PHA receives notification from DPH, but another household receiving tenant-based rental assistance is living in the unit or is planning to live there, the requirements of this section apply just as they do if the child still lives in the unit. If a local public health department has already conducted an evaluation of the dwelling unit, or the PHA conducted a risk assessment of the unit and common areas servicing the unit between the date the child's blood was last sampled and the date when the PHA received the notification of a child identified as having a blood lead level of 5 micrograms per deciliter or greater, the requirements of this section shall not apply.

(b) Hazard reduction. Within 30 days after receiving the risk assessment report from the PHA, the owner shall complete the reduction of identified lead-based paint hazards in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or when the public health department certifies that the lead-based paint hazard reduction is complete. If the owner does not complete the hazard reduction required by this section, the dwelling unit is in violation of Housing Quality Standards (HQS) and the PHA shall take appropriate action in accordance with Chapter XX of this Plan.

(c) Notice of evaluation and hazard reduction. The owner shall notify building residents of any evaluation or hazard reduction activities in accordance with § 35.125.

**Chapter 11 OWNER RENTS, RENT REASONABLENESS AND PAYMENT STANDARDS [§ 24 CFR, 982.503, 982.504, 982.505, 982.507]**

**INTRODUCTION**

The policies in this chapter reflect the amendments to the HUD regulations that were implemented by the Quality Housing and Work Responsibility Act of 1998 for the Section 8 Tenant Based Assistance Program. These amendments became effective on October 1, 1999 that is referred to as the “merger date”. These amendments complete the merging of the Section 8 Certificate and Voucher Programs into one program, called the Housing Choice Voucher (HCV) Program.

All Section 8 participant families have been transitioned to the HCV Program. Rent calculation methods for the HCV are described at § 24 CFR 982.505. The rent calculation formula is specific and is not subject to interpretation.

The PHA will determine rent reasonableness in accordance with § 24 CFR 982.507(a). It is the responsibility of the PHA to ensure that rents charged by the owners of units occupied by HCV participants are reasonable based upon a comparison with rents charged by the owners of comparable unassisted units in the rental market, using the criteria specified in § 24 CFR 982.507(b).

This chapter explains the PHA's procedures for determination of rent reasonableness, payments to owners, adjustments to the payment standards and rent adjustments.

**RENT TO OWNER IN THE HOUSING CHOICE VOUCHER PROGRAM**

The amount of rent paid to an owner (*i.e., the rent to owner or the contract rent*) is limited only by rent reasonableness. The PHA must demonstrate that the rent to owner is reasonable in comparison to rent for other comparable unassisted units.

The only other limitation on rent to owner is the maximum rent standard (*i.e., the payment standard*) at initial occupancy (§ 24 CFR 982.508). At the time when a family initially receives tenant based assistance for occupancy of a *particular* dwelling unit, whether that family is a new admission to the HCV or is assisted through a move to a different unit than that that they previously occupied, if the gross rent (*i.e., the contract rent plus the amount of the utility allowance*) for the unit exceeds the applicable payment standard for the family, the family share may not exceed forty percent of the family's monthly adjusted income.

During the initial term of the lease, the owner may not request an increase in the rent to owner.

**MAKING PAYMENTS TO OWNERS [§ 24 CFR 982.451]**

Once the HAP contract is executed, the PHA begins to process a monthly housing assistance payment (HAP) to the owner. The effective date and the amount of the HAP are communicated by letter to both owner and tenant. A HAP register will be used as the basis for monitoring the

accuracy and timeliness of payments. Changes are made to the HAP register effective the following month. Checks are disbursed by the PHA to the owner each month.

Checks that are not received will not be replaced until a written request has been received from the payee and a stop payment order has been put on the check.

### **Excess Payments**

The total of rent paid by the tenant plus the housing assistance payment made by the PHA to the owner may not be more than the rent to owner. The owner must immediately return any excess payment to the PHA.

Owners who do not return excess payments will be subject to penalties as outlined in Chapter 17 of this Administrative Plan, "Owner or Family Debts to the PHA."

### **Late Payments to Owners**

The PHA will not be obligated to pay any late payment penalty if HUD determines that late payment is due to factors beyond the control of the PHA, such as a delay in the receipt of program funds from HUD. The PHA will use administrative fee income or the administrative fee reserve as its only source for any late payment penalty paid to an owner. The PHA will not use any program funds for the payment of late payment penalties to the owner.

### **RENT REASONABLENESS DETERMINATIONS [§ 24 CFR 982.507]**

The PHA will determine and document on a case-by-case basis that the rent approved for a unit is reasonable in comparison with rent charged for other comparable unassisted units in the market. This applies to all programs.

The PHA will not approve tenancy until it determines that the initial rent to owner is a reasonable rent. The PHA must re determine the reasonable rent before any increase in the rent to owner. The PHA must also re determine the reasonable rent if there is a five percent decrease in the published fair market rent (FMR) for the unit size rented by the family that goes into effect sixty business days before the contract anniversary, as compared with the FMR in effect one year before the contract anniversary.

The PHA must re determine rent reasonableness if directed to do so by HUD and/or if based on a need identified by the PHA's auditing system. The PHA may elect to re determine rent reasonableness at any other time. At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or re determined by the PHA

The owner will be advised that by accepting each monthly housing assistance payment she or he will be certifying that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises.

If requested, the owner must give the PHA information on rents charged by the owner for other units in the premises or elsewhere. The data for other unassisted units will be gathered from newspapers, realtors, professional associations, inquiries to owners, market surveys and other available sources.

Because the PHA's jurisdiction covers the entire State of Connecticut, the market areas for rent reasonableness are defined sectors with that jurisdiction that include boroughs, villages, districts and neighborhoods. Subject units within a defined housing market area will be compared to similar units within the same area.

The following items will be used for rent reasonableness documentation:

1. Size (*number of bedrooms/square footage*)
2. Location
3. Quality
4. Age of unit
5. Unit type
6. Utilities
7. Amenities

### **Rent Reasonableness Methodology**

Information is gathered on rental units throughout the state by defined market areas and each unit is rated, using the PHA's rent reasonableness system. The average rents are identified for units of like size and type within the same market area. Each defined factor of the items listed above on the unit to be assisted will be compared to those of comparable unassisted units in the database.

The PHA has contracted for or purchased a statewide rental housing market database and rent reasonableness system. The system will incorporate and address all of the above factors.

### **PAYMENT STANDARDS FOR THE VOUCHER PROGRAM [§ 24 CFR 982.503]**

1. The payment standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulations, the PHA has set the voucher payment standard amount between ninety and one-hundred ten percent of the fair market rents (FMR) published by HUD. The PHA reviews the appropriateness of the payment standard annually when the FMR is published. In determining whether a change is needed, the PHA will ensure that the payment standard is always within the basic range of ninety

percent to one-hundred ten percent of the new FMR, unless an exception payment standard has been approved.

2. The PHA has adopted the Small Area FMR (SAFMR) “no change” policy in accordance with HUD small area FMR regulations.

The PHA will establish a single voucher payment standard amount for each FMR area in the PHA jurisdiction. For each FMR area, the PHA will establish payment standard amounts for each unit size (as determined by the number of bedrooms in a unit). The PHA may have a higher payment standard within its jurisdiction if that is needed to expand housing opportunities outside areas of minority or poverty concentration, as long as the payment standard is within the range of ninety to one-hundred ten percent of FMR, as funding permits.

The PHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with a disability or disabilities.

#### ADJUSTMENTS TO PAYMENT STANDARDS [§ 24 CFR 982.503]

Payment standards may be adjusted, within HUD regulatory limitations, to increase housing assistance payments in order to keep families' rents affordable. The PHA will not raise payment standards solely to make “high end” units available to voucher holders. The PHA may use some or all of the measures noted below in making its determination as to whether an adjustment should be made to the payment standards.

#### **Assisted Families' Rent Burdens**

The PHA will review its voucher payment standard amounts at least annually to determine whether more than forty percent of families in a particular unit size are paying more than thirty percent of their annual adjusted income for rent.

If it is determined that particular unit sizes in the PHA’s jurisdiction have payment standard amounts that are creating rent burdens for families, the PHA will modify its payment standards for those particular unit sizes.

The PHA will establish a separate voucher payment standard, within the basic range, for designated parts of its jurisdiction if it determines that a higher payment standard is needed in these designated areas to provide families with quality housing choices and to give families an opportunity to move outside areas of concentration of high poverty and low-income.

#### **Quality of Units Selected**

The PHA will review the quality of units selected by participant families when making the determination of the proportion of their income that families are paying for housing, in order to ensure that payment standard increases are only made when they are needed to reach the mid-range of the market.

## **PHA Decision Point**

The PHA will review the average proportion of their income that HCV participant families are paying for rent. If more than thirty-five percent of families are paying more than thirty percent of monthly-adjusted income for a particular unit size, the PHA will determine whether families are renting units larger than their voucher size and whether families are renting units that exceed HUD's HQS and any additional standards added by the PHA in this Administrative Plan.

If families are paying more than thirty percent of their income for rent due to the selection of larger bedroom size units or luxury units, the PHA may decline to increase the payment standard. If these are not the primary factors for families paying higher rents, the PHA will continue *(increasing/to increase)* the payment standard.

## **Rent to Owner Increases**

The PHA may review a sample of unassisted units to determine both:

1. how often owners are increasing rents and
2. the average percent of increase by bedroom size.

## **Time to Locate Housing**

The PHA may also consider the average time-period for families to lease up under the HCV. If more than twenty-five percent of voucher holders are unable to locate suitable housing within the initial term of the voucher and the PHA determines that this is due to rents in the jurisdiction being unaffordable for families, even those with an HCV voucher, the payment standard may be adjusted. The PHA will maintain records of those families who were unsuccessful in finding units within the period allowed by the PHA.

## **Lowering of the Payment Standard**

Lowering the FMR may require an adjustment of the payment standard. Additionally, statistical analysis may reveal that the payment standard should be lowered. In any case, the payment standard will not be set below ninety percent of the FMR without authorization from HUD.

## **Financial Feasibility**

Before increasing the payment standard, the PHA will review the budget to determine the impact that projected subsidy increases would have on the funding available for the program and on the number of families served.

For this purpose, the PHA will compare the number of families who could be served under a higher payment standard with the number assisted under the payment standard currently in place.

## **File Documentation**

The PHA will retain a file for at least three years in order to document the analysis and findings used to justify whether or not the payment standard was changed.

### **EXCEPTION PAYMENT STANDARDS**

If the dwelling unit is located in an exception area, the PHA must use the appropriate payment standard amount established by the PHA for the exception area in accordance with regulation § 24 CFR 982.503(c).

### **OWNER PAYMENT IN THE HOUSING CHOICE VOUCHER PROGRAM [(§ 24 CFR 982.308(g))]**

The owner is required to notify the PHA in writing at least sixty calendar days before any change in the rent amount to the owner is scheduled to go into effect. Any requested change in rent to owner will be subject to rent reasonableness requirements. See § 24 CFR 982.503.

## Chapter 12 RE-EXAMINATIONS [§ 24 CFR, 982.516]

### INTRODUCTION

In accordance with HUD requirements, the PHA will re-examine the income and household composition of all families at least annually. Families will be provided with accurate annual and interim rent adjustments. Re-examinations and interim examinations will be processed in a manner that ensures families are given reasonable notice of rent increases. All annual activities will be coordinated in accordance with HUD regulations. It is a HUD requirement that families report all changes in household composition. This chapter defines the PHA's policy for conducting annual re-examinations and coordinating annual activities. It also explains the interim reporting requirements for families and the standards for timely reporting of changes.

### ANNUAL ACTIVITIES [§ 24 CFR 982.516, 982.405]

The PHA must conduct two activities on an annual basis. These activities will be coordinated around the anniversary date of the HAP contract:

1. Re-examination of income and family composition
2. HQS inspection

The PHA produces a monthly listing of assisted units under contract to ensure that timely reviews of housing quality and of factors related to total tenant payment and family share can be made.

Re-examination of the family's income and composition must be conducted at least annually.

Annual inspections – see Chapter 10 of this Administrative Plan, “Housing Quality Standards and Inspections.”

Rent Adjustments – see Chapter 11 of this Administrative Plan, “Owner Rents, Rent Reasonableness and Payment Standards.”

### ANNUAL RE-EXAMINATION [§ 24 CFR 982.516]

Families are required to be re-examined at least annually.

#### Moves Between Re-examinations

When families move to another dwelling unit, an annual re-examination will be scheduled (*unless a re-examination has occurred in the last one-hundred twenty calendar days*) and the anniversary date will be changed.

Income limits are not used as a test for continued eligibility at re-examination.

## **Re-examination Notice to the Family**

The PHA will maintain a re-examination tracking system and the household will be notified by mail of the date and time for their interview at least one-hundred twenty calendar days in advance of the anniversary date. If requested as a reasonable accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested as a reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

### *Procedure*

The PHA's procedure for conducting an annual re-examination will be to schedule the date and time of appointment(s) and mail notification to the family.

## **Completion of Annual Re-examination**

The PHA will have all re-examination for families completed before the anniversary date. This includes notifying the family of any changes in rent at least thirty calendar days before the scheduled date of the change in family rent.

### *Persons with Disabilities*

Persons with disabilities who are unable to come to the PHA's office will be granted an accommodation by conducting the interview at the person's home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

## **Collection of Information [§ 24 CFR 982.516(f)]**

The PHA has established appropriate re-examination procedures necessary to ensure that the income data provided by families is complete and accurate.

The PHA will require the family to complete a personal declaration form before all re-examination interviews. The family will be given no more than thirty business days to complete this form and return it in the return-addressed envelope provided. Before the interview, the PHA will run an EIV, EMS-CAP and DOL report for comparison to the personal declaration form.

## **Requirements to Attend**

The head or co-head of household will be required to attend the re-examination interview, as well as all adult (18 and older) household members. If the head of household is unable to attend the interview, the appointment will be re-scheduled.

### **Failure to Respond to Notification of Re-examination**

The written notification must state that family member is required to attend the interview. The family may call to request another appointment date up to forty-eight hours before the interview.

If the family does not appear for the re-examination interview and has not re-scheduled or made prior arrangements with the PHA, the PHA will re-schedule a second appointment.

If the family fails to appear for the second appointment and has not re-scheduled or made other prior arrangements, the PHA will send the family notice of termination and offer them an informal hearing

Exceptions to this policy may be made if the family is able to document:

1. an emergency situation that prevented it from canceling or attending the appointment or
2. if requested as a reasonable accommodation for a person with a disability.

### **Documents Required From the Family**

In the notification letter to the family, the PHA will include instructions for the family to bring documentation of all liquid and non-liquid assets to the re-examination, as well as any additional information that may affect the family's re-examination status. All information brought to the PHA in person (*excluding third party*), will be date stamped and copies of the date stamped verification will be returned to the tenant.

### **Verification of Information**

The PHA will follow the verification procedures and guidelines described in this plan. Verifications for re-examinations must be less than one-hundred twenty calendar days old.

### **Tenant Rent Increase**

If the tenant rent increases, a thirty-calendar day notice is mailed to the family before the annual re-examination date.

If less than thirty calendar days are remaining before the scheduled effective date of the annual re-examination, the tenant rent increase will be effective on the first of the month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family or if the family causes a delay in the re-examination processing, there will be a retroactive increase in rent to the anniversary date.

## **Tenant Rent Decreases**

If the tenant rent decreases because of an annual re-examination, it will be effective on the anniversary date or on the first day of the month following completion of the re-examination process, whichever is sooner.

If the family causes a delay so that the processing of the re-examination is not complete by the anniversary date, the rent change will be effective on the first day of the month following completion of the re-examination processing by the PHA.

### **REPORTING INTERIM CHANGES [§ 24 CFR 982.516]**

Program participants must report all changes in household composition to the PHA between annual re-examinations within 30 calendar days of the change.. This includes additions due to birth, adoption and court-awarded custody. The family must obtain PHA approval before all other additions to the household.

If any new family member is added, family income must include any income of the new family member. Participant requests to remove members from the household must be accompanied by proof of the new residence. The PHA will conduct a reexamination to determine any resulting changes to the household income and will make the appropriate adjustments in the housing assistance payment and family unit size.

The U. S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular re-examination after moving into the unit.

### **Interim Reexamination Policy**

Families will be required to report all changes in income or assets within 30 calendar days or be subject to repayment or termination (*See Chapter 17 of this Administrative Plan, "Owner or Family Debts to the PHA"*).

The PHA will process interim re-examinations when families have an increase or decrease in their monthly gross income totaling at least one hundred dollars per month.

The PHA shall compare the last income documentation on file from the family (or family's annualized monthly income previously calculated) to the currently provided income documentation to determine whether an adjustment to the tenant's rental share shall be made.

### **PHA Errors**

If the PHA makes a calculation error at admission to the program or at an annual re-examination, an interim re-examination will be conducted, if necessary, to correct the error, but the family will not be charged retroactively. Families will be given decreases, when applicable; retroactive to when the decrease for the change would have been effective if calculated correctly.

## OTHER INTERIM REPORTING ISSUES

An interim re-examination does not affect the date of the annual re-examination.

An interim re-examination will be scheduled and conducted for families with zero income every 180 calendar days.

If there is a change in family income from welfare benefit income solely to include both welfare benefit and employment income or employment income only and the income change is reported as required by this plan, the PHA will defer the family's rent increase for six months or until the family's next annual re-examination, whichever comes first. Failure to report the change will cause the employment income to be counted as regular income without benefit of the deferral. The purpose delaying the family's rent increase is to encourage families to move to self-sufficiency. This incentive will be provided only once to any family member and will not be provided to persons who work seasonally.

In the following circumstances, the PHA may conduct the interim re-examination by mail:

1. Changes that will not result in a change in tenant rent or voucher size.
2. Changes to income that are normal for the family, such as seasonal employment.

As a reasonable accommodation when requested, (*see Chapter 1 of this Administrative Plan, "Statement of Policies and Objectives"*).

Any changes reported by participants other than those listed in this section will be noted in the file by the staff person but will not be processed between regularly scheduled annual re-examinations.

## NOTIFICATION OF RESULTS OF RE-EXAMINATION [HUD Notice PIH 98-6]

The HUD Form 50058 will be completed and transmitted as required by HUD.

The notice of rent adjustment is mailed to the owner and the tenant. Signatures are not required by the PHA. If the family disagrees with the rent adjustment, they may request an informal hearing.

## TIMELY REPORTING OF CHANGES IN INCOME AND ASSETS [§ 24 CFR 982.516(c)]

### **Standard for Timely Reporting of Changes**

The PHA requires that families report interim changes in writing to the PHA within thirty calendar days of when the change occurs. Any information, document or signature that is needed to verify the change, must be provided within this period.

If the change is not reported within the required time-period or if the family fails to provide documentation or signatures, it will be considered untimely reporting.

### **Procedures when the Change is Reported in a Timely Manner**

The PHA will notify the family and the owner of any change in the HAP to be effective according to the following guidelines:

1. increases in the tenant rent are effective on the first of the month following at least thirty business days' notice.
2. decreases in the tenant rent are effective the first of the month following that that the change is reported. However, no rent reductions will be processed until all the facts have been verified, even if a retroactive adjustment results.

### **Procedures when the Change is Not Reported by the Tenant in a Timely Manner**

If the family does not report the change as described under "Timely Reporting of Changes in Income and Assets," above, the family will have caused an unreasonable delay in the interim re-examination processing and the following guidelines will apply:

1. an increase in tenant rent will be effective retroactive to the date that it would have been effective had it been reported on a timely basis. The family will be liable for any overpaid housing assistance and may be required to sign a repayment agreement or make a lump sum repayment.
2. a decrease in tenant rent will be effective on the first of the month following the month that the change was reported.

### **Procedures when the Change is Not Processed by the PHA in a Timely Manner**

"Processed in a timely manner" means that the change goes into effect on the date it should when the family reports the change in a timely manner, as described above. If the change is not made effective that date, the change is not processed by the PHA in a timely manner.

In this case, an increase will be effective after the required thirty business days' notice before the first of the month after completion of processing by the PHA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective and the family will be credited for the amount.

CHANGES IN VOUCHER SIZE BECAUSE OF CHANGES IN FAMILY COMPOSITION [§ 24 CFR 982.516(c)]

See Chapter 5 of this Administrative Plan, "Subsidy Standards."

CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES [§ 24 CFR 5.518]

Under the non-citizens rule, “mixed” families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

“Mixed” families who were participants as of June 19, 1995 shall continue receiving full assistance if they meet all of the following criteria:

1. The PHA implemented the non-citizens rule before November 29, 1996 and
2. The head of household or spouse is a U. S. citizen or has eligible immigrant status and
3. All members of the family other than the head, the spouse, parents of the head or the spouse and children of the head or spouse are citizens or eligible immigrants. The family may make a change in who is designated as the head of household in order to qualify under this provision.

#### MISREPRESENTATION OF FAMILY CIRCUMSTANCES

If any participant deliberately misrepresents the information that eligibility or tenant rent is established, the PHA may terminate assistance and may refer the family file to the proper authorities for appropriate disposition. (*See Chapter 21, “Program Integrity Addendum”*)

**Chapter 13**    **MOVES WITH CONTINUED ASSISTANCE (PORTABILITY) [24 CFR 982.314, 982.353, 982.355(a)]**

**INTRODUCTION**

HUD regulations permit families to move with continued assistance to another unit within the PHA's jurisdiction or, under portability procedures, to a unit outside of the PHA's jurisdiction. The regulations also allow the PHA the discretion to develop policies that define any limitations or restrictions on moves. This chapter defines the procedures for moves both within and outside of the PHA's jurisdiction. It also outlines the policies for restrictions and limitations on moves.

**ALLOWABLE MOVES**

A family may move to a new unit with continued assistance if:

The assisted lease for the old unit has terminated because the PHA has terminated the HAP contract for owner breach or because the lease was terminated by mutual agreement of the owner and the family.

The owner has given the family a notice to vacate or has commenced an action to evict the tenant or has obtained a court judgment or begun another process allowing the owner to evict the family (*unless assistance to the family will be terminated*).

The family has given proper notice of lease termination (*if the family has a right to terminate the lease on notice to owner*) for owner breach or otherwise.

**RESTRICTIONS ON MOVES [§ 24 CFR 982.314, 982.552(a)]**

Families will not be permitted to move within the PHA's jurisdiction during the initial term of assisted occupancy.

Families will not be permitted to move outside the PHA's jurisdiction under portability procedures during the initial term of assisted occupancy.

Families will not be permitted to move more than once in a twelve-month period.

The PHA will deny permission to move if there is insufficient funding for continued assistance.

The PHA will deny permission to move to if:

1. The family has violated a family obligation.
2. The family owes the (*or any*) PHA money.
3. The family has moved or been issued a voucher within the last twelve months.

The housing director may make exceptions to these restrictions if there is an emergency reason or other good cause for the move over that the participant has no control.

#### PROCEDURE FOR MOVES [§ 24 CFR 982.314]

##### **Issuance of Voucher**

Subject to the restrictions on moves, if the family has not been re-examined within the last one-hundred twenty calendar days, the PHA will issue the voucher to move as soon as the family requests the move.

If the family does not locate a new unit, the family will not lose its assistance and may remain in the current unit so long as the owner permits and there is a HAP contract in place.

The annual re-examination date will be changed to coincide with the new lease-up date.

##### **Notice Requirements**

Briefing sessions shall emphasize the family's responsibility to give the owner and the PHA proper written notice of any intent to move.

The family must give the owner the required number of day's written notice of intent to vacate as specified in the lease and must give a copy of the notice of intent to vacate to the PHA simultaneously.

##### **Time of Contract Change**

A move within the same building or project or between buildings owned by the same owner, will be processed like any other move except that there will be no overlapping assistance.

In a move, assistance at the old unit stops at the end of the month that the tenant ceased to occupy the unit, unless proper notice was given to end a lease mid-month. Assistance will start at the new unit on the effective date of the lease and contract. Assistance payments may overlap for the month that the family moves.

#### PORTABILITY [§ 24 CFR 982.353]

Portability provisions apply to families moving out of or into the PHA's jurisdiction within the United States and its territories.

#### OUTGOING PORTABILITY [§ 24 CFR 982.353, 982.355]

Within the limitations of the regulations and this policy, a participant family has the right to receive tenant-based voucher assistance to lease a unit outside the PHA's jurisdiction, anywhere in the United States, in the jurisdiction of a receiving PHA with a tenant-based program. When a

family requests to move outside of the PHA's jurisdiction, the request must specify the area to that the family wants to move.

If there is more than one PHA in the area that the family has selected a unit, the initial PHA will choose the receiving PHA.

### **Restrictions on Portability**

#### *Applicants*

If neither the head nor the spouse had a domicile (*i.e., a legal residence*) in the PHA's jurisdiction at the date of their initial application for assistance, the family will not be permitted to exercise portability upon issuance of a voucher.

For a portable family that was not already receiving assistance in the PHA's tenant-based programs, the PHA must determine whether the family is eligible for admission under the receiving PHA's program.

#### *Participants*

After an applicant has leased-up in the jurisdiction of the initial PHA, they cannot exercise portability during the first year of assisted occupancy, except in the following circumstances:

1. the receiving and initial PHA agree to allow the move and
2. the family's move relates to an opportunity for education, job training or employment.

The PHA will not permit families to exercise portability:

1. If the family is in violation of a family obligation.
2. If the family owes money to the PHA.
3. If the family has moved out of its assisted unit in violation of the lease.

Receiving PHAs will be required to submit a copy of any hearing determination to the initial PHA within sixty business days.

INCOMING PORTABILITY [§ 24 CFR 982.354, 982.355]

### **Absorption or Administration**

The PHA will accept a family with a valid voucher from another jurisdiction and will either administer or absorb the voucher.

If the receiving PHA administers the voucher, the family will be issued a voucher by the receiving PHA. The term of the voucher issued by the receiving PHA will not expire before the expiration date of any voucher issued by the initial PHA. The family must submit a request for tenancy approval for an eligible unit to the receiving PHA during the term of the voucher issued by the receiving PHA.

The receiving PHA may grant extensions in accordance with this Administrative Plan. However, if the family decides not to lease-up in the jurisdiction of the receiving PHA, they must contact the initial PHA to request an extension.

The PHA may absorb vouchers if the number of such absorptions does not exceed fifty percent of households assisted by the PHA.

When the PHA does not absorb the incoming voucher, it will administer the initial PHA's voucher and the receiving PHA's policies will prevail.

For admission to the program, a family must be income-eligible in the area where the family initially leases a unit with assistance under the program.

The receiving PHA does not re-determine Section 8 eligibility for a family exercising portability when that family was already receiving assistance in the initial PHA's HCV program.

The PHA will issue a voucher according to its own subsidy standards. If the family experiences a change in family composition that would change the voucher size, the PHA will issue a voucher of the proper size based on its own subsidy standards.

#### **Income and Total Tenant Payment of Incoming Portables [982.353(d)]**

The receiving PHA will conduct a re-examination interview but will only verify the information provided if documents are missing or are over one-hundred twenty calendar days old, whichever is applicable, or there has been a change in the family's circumstances.

If the PHA conducts a re-examination of the family, it will not cause a delay in the issuance of a voucher.

If the family's income is such that a zero dollar subsidy amount is determined before lease-up in the PHA's jurisdiction, the PHA will refuse to enter into a contract on behalf of the family at zero dollar assistance.

#### **Requests for Tenancy Approval**

A briefing will be mandatory for all portability families.

When the family submits an RTA, it will be processed using the PHA's policies. If the family does not submit an RTA or does not execute a lease, the initial PHA will be notified before the expiration of the voucher.

If the family leases up successfully, the receiving PHA will notify the initial PHA within sixty business days and the billing process will commence.

The receiving PHA will notify the initial PHA if the family fails to submit an RTA for an eligible unit within the term of the voucher.

If the PHA denies assistance to the family, the receiving PHA will notify the initial PHA within sixty calendar days and the family will be offered a review or hearing.

The receiving PHA will notify the family of its responsibility to contact the initial PHA if the family wishes to move outside the receiving PHA's jurisdiction under continued portability.

### **Regular Program Functions**

The receiving PHA will perform all program functions applicable the tenant-based assistance program, such as:

1. Annual re-examinations of family income and composition;
2. Annual HQS inspection of the unit; and
3. Interim examinations when requested or deemed necessary by the receiving PHA.

### **Terminations**

The receiving PHA will notify the initial PHA in writing of any termination of assistance within thirty calendar days of the termination. If an informal hearing is required and requested by the family, the hearing will be conducted by the receiving PHA, using the regular hearing procedures included in this plan. A copy of the hearing decision will be furnished to the initial PHA.

The initial PHA will be responsible for collecting amounts owed by the family for claims paid and for monitoring repayment. If the initial PHA notifies the receiving PHA that the family is in arrears or the family has refused to sign a repayment agreement, the receiving PHA will terminate assistance to the family.

### **Required Documents**

As the receiving PHA, this PHA will require the documents listed on the HUD portability billing form from the initial PHA.

### **Billing Procedures**

As the receiving PHA, this PHA will bill the initial PHA quarterly for housing assistance payments. The billing cycle for other amounts including administrative fees and special claims will also be quarterly, unless otherwise requested by the initial PHA.

As receiving PHA, this PHA will bill one-hundred percent of the housing assistance payment, one-hundred percent of special claims and eighty percent of the initial PHA's administrative fee as indicated in the Federal Register's Annual Factors for Determining PHA Ongoing Fees, for each "portability" voucher leased as of the first day of the month.

As receiving PHA, this PHA will notify the initial PHA of changes in subsidy amounts and will expect the initial PHA to notify the receiving PHA of changes in the administrative fee amount to be billed.

## Chapter 14 CONTRACT TERMINATIONS [§ 24 CFR 982.311, 982.314]

### INTRODUCTION

The housing assistance payments (HAP) contract is the contract between the owner and the PHA that defines the responsibilities of both parties. This chapter describes the circumstances under which the contract can be terminated by the PHA and/or the owner and the policies and procedures for such terminations.

### CONTRACT TERMINATION [§ 24 CFR 982.311]

The term of the HAP contract shall be the same as the term of the lease. The HAP contract between the owner and the PHA may be terminated by the action of the PHA or it may be terminated by the owner or tenant terminating the lease.

No future subsidy payments on behalf of the family will be made by the PHA to the owner after the month that the HAP contract is terminated. The owner must reimburse the PHA for any subsidies paid in error by the PHA for any period after the contract termination date.

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up in another unit. The contract for the new unit may begin during the month that the family moved from the old unit.

### TERMINATION BY THE FAMILY: MOVES [§ 24 CFR 982.314(c)(2)]

Family termination of the lease must be in accordance with the terms of the lease.

### TERMINATION OF TENANCY BY THE OWNER: EVICTIONS [§ 24 CFR 982.310, 982.455]

If the owner wishes to terminate the lease, the owner must provide proper notice as stated in the lease.

During the term of the lease, the owner may not terminate tenancy except for the grounds stated in the HUD regulations.

During the term of the lease, the owner may only evict for:

1. Serious or repeated violations of the lease, including but not limited to failure to pay rent or other amounts due under the lease or repeated violation of the terms and conditions of the lease;
2. Violations of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises; or criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other

residents or persons residing in the immediate vicinity of the premises or any drug-related criminal activity on or near the premises.

3. Other good cause.

During the initial term of the lease, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do.

### **Evidence of Criminal Activity**

The owner may terminate tenancy and evict a family by judicial action for criminal activity by a covered person if the owner determines that the covered person has engaged in the criminal activity:

1. Regardless of arrest or conviction
2. Without satisfying the standard of proof used for a criminal conviction.

### **Termination of Tenancy Decisions**

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner can decide whether to take the action. Relevant circumstances for consideration include:

1. The seriousness of the offense
2. The effect on the community
3. The extent of participation by household members
4. The effect on uninvolved household members
5. The demand for assisted housing by families who will adhere to responsibilities
6. The extent to that the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action
7. The effect on the integrity of the program.
  - Termination of tenancy by landlord/owner does not necessarily mean termination of assistance. Termination of assistance is governed by Chapter 15 of this document.

### **Exclusion of Culpable Household Member**

The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit.

## Consideration of Rehabilitation

When determining whether to terminate tenancy for illegal drug use or alcohol abuse, the owner may consider whether the member:

1. Is no longer participating in the activity
2. Has successfully completed a supervised drug or alcohol rehabilitation program
3. Has otherwise been successfully rehabilitated

The owner may require the tenant to submit evidence of any of the three actions listed above. Termination by the owner must be consistent with fair housing and equal opportunities as stated in § 24 CFR 5.105.

The owner must provide the tenant with a written notice specifying the grounds for termination of tenancy, at or before the commencement of the eviction action. The notice may be included in or may be combined with, any owner eviction notice to the tenant.

The owner eviction notice means a notice to vacate, a complaint, or other initial pleading used under state or local law to commence an eviction action.

Housing assistance payments are paid to the owner under the terms of the HAP contract. If the owner has begun eviction and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

The PHA must continue making housing assistance payments to the owner in accordance with the contract as long as the tenant continues to occupy the unit and the contract is not violated. By endorsing the monthly check from the PHA, the owner certifies that the tenant is still in the unit that the rent is reasonable and that the tenant complies with the contract.

If an eviction is not due to a serious or repeated violation of the lease and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance.

TERMINATION OF THE CONTRACT BY PHA [§ 24 CFR 982.404(a), 982.453, 982.454, 982.552(a)(3), 982.455]

The term of the HAP contract terminates when the lease terminates, when the PHA terminates program assistance for the family or when the owner has breached the HAP contract (*see Chapter 16 of this Administrative Plan, "Owner Disapproval and Restriction"*).

### **Termination Due to Abatement of Unit**

The PHA will terminate the HAP contract thirty calendar days after the unit goes into abatement and the tenant will be issued a voucher to move. If the owner makes the required repairs after the HAP contract has been terminated, a new HAP contract and lease will be required for the family to remain.

The PHA may also terminate the contract if:

1. The family is required to move from a unit when the unit does not meet the HQS space standards because of an increase in family size or a change in family composition.
2. Funding is no longer available under the ACC.

The contract will terminate automatically if one-hundred eighty calendar days have passed since the last housing assistance payment has been made to the owner.

### **Termination of Assistance Due to Lack of Funding**

The PHA may terminate the HAP contract in accordance with HUD requirements, if the PHA determines that funding under the consolidated ACC is insufficient to support continued assistance for families in the program (*§ 24 CFR 982.454*)

When funding under the consolidated ACC is insufficient, the PHA may take the following steps:

1. The PHA will determine if there are any other non-Section 8 Housing Assistance Payment (*HAP*) financial resources available to continue housing assistance on behalf of families currently subsidized and whether those resources should be utilized.
2. In the event ACC funding is insufficient and other financial resources are not available or a decision has been made not to utilize them,
  - a. the PHA will determine the number of families that must be terminated using a “last on, first off” methodology.
  - b. Households selected will receive a minimum of a thirty-calendar day notice of termination of assistance.
  - c. Terminated families will be returned to the HCV waiting list in reverse order to that that they were removed. These families will receive first preference for vouchers from the waiting list.

When Section 8 funding becomes sufficient, families receiving subsidy through non-Section 8 funding will be reinstated first, before any assistance being offered to applicants on the waiting list.

## **Notice of Termination**

When the PHA terminates the HAP contract under the violation of HQS space standards, the PHA will provide the owner and family written notice of termination of the contract and the HAP contract terminates at the end of the calendar month that follows the calendar month that the PHA gives such notice to the owner.

Family Unification Program (FUP) youth vouchers and Foster Youth to Independence (FYI) Initiative

As required by statute, a FUP or FYI voucher issued to a youth may only be used to provide housing assistance for the youth for a maximum of 36 months. At the end of the 36th month, the FUP or FYI youth housing assistance will be terminated.

**Chapter 15 DENIAL OR TERMINATION OF ASSISTANCE [§ 24 CFR 5.902, 5.903, 5.905, 982.4, 982.54, 982.552, 982.553]**

**INTRODUCTION**

The PHA may deny or terminate assistance for a family because of the family's action or failure to act. The PHA will provide families with a written description of the family obligations under the program, the grounds under which the PHA can deny or terminate assistance and the PHA's informal hearing procedures. This chapter describes when the PHA is required to deny or terminate assistance and the PHA's policies for the denial of a new commitment of assistance and the grounds for termination of assistance under an outstanding HAP contract.

**GROUND FOR DENIAL OR TERMINATION [§ 24 CFR 982.54, 982.552, 982.553 982.455]**

If denial or termination is based on behavior resulting from a disability, the PHA may delay the denial or termination in order to determine if there is an accommodation that would negate the behavior resulting from the disability upon written request.

**Form of Denial or Termination**

Denial of assistance for an applicant may include any or all of the following:

1. Denial of placement on the PHA waiting list;
2. Denying or withdrawing a voucher;
3. Refusing to enter into a HAP contract or approve tenancy;
4. Refusing to process or provide assistance under portability procedures.

Termination of assistance for a participant may include any or all of the following:

1. Refusing to enter into a HAP contract or approve tenancy;
2. Terminating housing assistance payments under an outstanding HAP contract; and
3. Refusing to process or provide assistance under portability procedures.

**Mandatory Denial and Termination [§ 24 CFR 982.54(d), 982.552(b), 982.553(a), 982.553(b)]**

The PHA must deny assistance to applicants and terminate assistance to program participants convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing.

The PHA must deny admission to the program for applicants and terminate assistance for program participants if the PHA determines that any household member is currently engaging in illegal use of a drug. (*See Section B of this Chapter for the PHA's established standards.*)

The PHA must deny admission to the program for applicants and terminate assistance for program participants if the PHA determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety or right to peaceful enjoyment of the premises by other residents (*see Section B of this Chapter for the PHA's established standards*).

The PHA must deny admission to the program for applicants if the PHA determines that any member of the household is on a governmental sex offender registry (*see Section B of this Chapter for the PHA's established standards regarding criminal background investigation and determining whether a member of the household is on a governmental sex offender registry*).

The PHA must terminate program assistance for a family evicted from housing assisted under the voucher program for serious violation of the lease.

The PHA must deny admission to the program for an applicant or terminate assistance for a program participant if any member of the family fails to sign and submit consent forms for obtaining information in accordance with Part 5, subparts B and F.

The PHA must deny admission to the program for applicants or terminate program assistance when required under the regulations to establish citizenship or eligible immigration status.

#### **Grounds for Denial or Termination of Assistance** [§ 24 CFR 982.552(c)]

The PHA may deny program assistance for an applicant or terminate program assistance for a participant for any of the following reasons:

1. The family violates any family obligation under the program as listed in § 24 CFR 982.551.
2. Any family member violates the family obligation under § 24 CFR 982.551 not to engage in any drug-related activity.
3. Any family member violates the family obligation under § 24 CFR 982.551 not to engage in any violent criminal activity (*See Chapter 21 of this Administrative Plan, "Program Integrity Addendum", for specific procedure*).
4. Any family member has been evicted from federally assisted housing or a federal housing assistance program in the last three years.
5. Any PHA has ever terminated assistance under the program for any member of the family.
6. Any family member commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

7. The family refuses to enter into a repayment agreement because of monies owed due to a program violation.
8. The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.
9. The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
10. The family breaches an agreement with a PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA. At its discretion, the PHA may offer the family the opportunity to enter into a repayment agreement. The PHA will prescribe the terms of the agreement (*see Chapter 17 of this administrative plan, "Owner or Family Debts to the PHA"*).
11. The family participating in an FSS program fails to comply, without good cause, with the family's FSS contract of participation.
12. Any member of the family engages in drug or alcohol abuse that interferes with the health, safety or peaceful enjoyment of other residents (*see section B of this chapter*).
13. Any member of the family commits drug-related criminal activity or violent criminal activity (*see section B of this chapter and 982.553 of the regulations*).
14. The family has threatened or engaged in abusive or violent behavior toward PHA personnel. "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence. "Abusive or violent behavior towards PHA personnel" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate may be cause for termination or denial.
15. Actual physical abuse or violence of PHA personnel is cause for termination.

Refer to Chapter 2 of this administrative plan, "Eligibility for Admission," at section F, "Other Criteria for Admissions," for further information

## SCREENING AND TERMINATION FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY

### **Purpose**

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of the State of Connecticut Department of Housing to fully endorse and implement a policy that is designed to:

1. Help create and maintain a safe and drug-free community;

2. Keep our program participants free from threats to their personal and family safety;
3. Support parental efforts to instill values of personal responsibility and hard work;
4. Help maintain an environment where children can live safely, learn and grow up to be productive citizens; and
5. Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

### **Administration**

All screening procedures shall be administered fairly and in such a way as to not violate rights to privacy or discriminate based on race, color, nationality, religion, familial status, disability, gender or other legally protected groups.

This policy will be posted on the PHA's bulletin board and copies made readily available to applicants and participants upon request.

### **Screening of Applicants**

In an effort to prevent future drug-related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or right to peaceful enjoyment of the premises by other residents and as required by Notice 96-27, the PHA will endeavor to screen applicants as thoroughly and fairly as possible.

Such screening will apply to any member of the household who is 18 years of age or older or who is an emancipated minor.

### **HUD Definitions**

**Covered person**, for purposes of § 24 CFR Part 982 and this chapter, means a tenant, any member of the tenant's household, a guest or another person under the tenant's control.

**Drug** means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

**Drug-related criminal activity** means the illegal manufacture, sale, distribution or use of a drug or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

**Guest**, for purposes of this Chapter and § 24 CFR part 5, subpart A and § 24 CFR Part 982, means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. The requirements of part 982 apply to a guest as so defined.

**Household**, for the purposes of § 24 CFR Part 982 and this chapter, means the family and any PHA-approved live-in aide(s).

***Other person under the tenant's control***, for the purposes of the definition of covered person, for § 24 CFR Parts 5 and 982 and for this chapter, means that the person, although not staying as a guest (*as defined in this chapter*) in the unit, is (*or was at the time of the activity in question*) on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not under the tenant's control.

***Violent criminal activity*** means any criminal activity that has as one of its elements the use, attempted use or threatened use of physical force substantial enough to cause or be reasonably likely to cause, serious bodily injury or property damage.

### **Standard for Violation**

The PHA will deny participation in the program to applicants and terminate assistance to participants in cases where the PHA determines there is probable cause to believe that a household member is illegally using a drug or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where the PHA determines that there is a pattern of illegal use of a drug or a pattern of alcohol abuse.

Engaged in or engaging in violent criminal activity means any act by an applicant or participant or household member that involved criminal activity that has as one of its elements the use, attempted use or threatened use of physical force substantial enough to cause or be reasonably likely to cause, serious bodily injury or property damage that resulted in the conviction of the applicant, participant or household member.

In evaluating evidence of negative past behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents and/or the likelihood of favorable conduct in the future that could be supported by evidence of rehabilitation.

### **Denial of Assistance to Applicants**

The PHA shall deny program assistance for an applicant due to a variety of reasons.

Applicants and their household members with a criminal history may not participate in the Housing Choice Voucher Program for the following time frames because of information obtained through criminal history reports:

1. Denied admission for a maximum of three (3) years from the date of a court ordered sentence/fine, including probation, if applicable or court ordered or voluntary rehabilitation program as evidenced by proper certification:

- a. Persons evicted or terminated from any federally-funded housing because of a drug related criminal activity for personal use or possession from the date of such eviction/termination.
  - b. Persons applying for assisted housing who have been involved in drug-related criminal activity for the personal use or possession for personal use (exclusive of the illegal manufacture, sale, distribution, or possession with intent to manufacture, sell and distribute) from the date of such activity.
  - c. Intentionally mis representing income.
  - d. Intentionally misrepresenting family composition.
  - e. Any other intentional misrepresentation of information that affects eligibility.
2. Denied admission for a maximum of five (5) years from the date of a court ordered sentence/fine, including probation, if applicable or court ordered or voluntary rehabilitation program as evidenced by proper certification:
- a. Violent criminal activity
  - b. Any violent criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity if being engaging in by any family member.
  - c. Persons evicted or terminated from any federally-funded housing because of drug –related criminal activity for the illegal manufacture, sale, distribution or possession with the intent to manufacture, sell, or distribute.
  - d. Persons who have been convicted or have a history of drug-related criminal activity for the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute.
3. Denied admission for a minimum of ten (10) years from the date of conviction for
- a. Acts that would constitute fraud in connection with any State or Federal Assistance programs.
  - b. Criminal activity involving crimes of violence or injury to people.
4. Permanent denial of admission:
- a. Previous conviction of any family member for manufacture or production of methamphetamine (speed) on the premises of an assisted housing project in violation of any Federal or State law.

- b. No family member may be subject to a governmentally imposed lifetime sex offender registration requirement.

### **Exceptions to the Drug-Related Criminal Activity admission denials**

#### *Ineligibility for Admission if Evicted for Drug-Related Activity*

Persons evicted from federally assisted housing because of drug-related criminal activity are ineligible for admission to the Section 8 program for a three year period beginning on the date of such eviction.

However, the household may be admitted if, after considering the individual circumstances of the household, the PHA determines that:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PHA, or
2. The circumstances leading to eviction no longer exist because the criminal household member has died or is imprisoned.

### **Denial of Assistance for Sex Offenders**

The PHA will deny admission if any member of the household is on a governmental sex offender registry. In screening applicants, the PHA will perform criminal history background checks to determine whether any household member is on a governmental sex offender registry.

Disputes or conflicts concerning the applicability of a member of the household being on a governmental sex offender registry must be resolved by the family.

### **Termination of Assistance for Participants**

#### *Termination of Assistance for Drug-Related Criminal Activity or Violent Criminal Activity:*

Under the family obligations listed at § 24 CFR 982.551, the members of the household must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. HUD regulations at § 24 CFR 982.553(b) requires the PHA to establish standards for termination of assistance when this family obligation is violated. The PHA has established the following standards for termination of assistance for the family when a household member has violated the family obligation to refrain from participating in drug-related or violent criminal activity:

1. Assistance will be terminated for participants who have been convicted of drug-related or violent criminal activity during participation in the program.

2. If any member of the household violates the family obligations by engaging in drug-related or violent criminal activity, the PHA will terminate assistance.
3. In appropriate cases, the PHA may permit the family to continue receiving assistance if family members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, the PHA may consider individual circumstances with the advice of juvenile court officials.
4. The PHA will waive the requirement regarding drug-related criminal activity if the person demonstrates successful completion of a credible rehabilitation program approved by the PHA or the circumstances leading to the violation no longer exist because the person who engaged in drug-related criminal activity or violent criminal activity is no longer in the household due to death or incarceration.

### **Participation in illegal drug or violent criminal activity.**

#### *Termination for other than criminal conviction.*

If the PHA moves to terminate for a violation of this nature the following evidence and testimony must be presented by the PHA at the hearing.

1. A detailed police report outlining the nature of the arrest
2. The direct testimony of the arresting officer or any officer who was a party to the arrest and/or
3. Direct testimony by another party who was witness to the violation, (*i.e., owner, neighbor, etc.*) who can corroborate the specific violation in relation to the arrest.
4. Any other evidence to substantiate the violation.

#### *Termination for conviction.*

If the PHA moves to terminate for a violation of this nature one or more of the following should be presented at the hearing.

1. A court document outlining the specific offense and resulting conviction.
2. Department of Corrections incarceration record indicating the nature of the offense that resulted in incarceration and/ or probation.
3. Any other documentation that can attest to the conviction.

### **Terminating Assistance for Alcohol Abuse by Household Members**

Under the family obligations listed at § 24 CFR 982.551, the members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other

residents and persons residing in the immediate vicinity of the premises. Assistance will be terminated due to violation of a family obligation if the PHA determines that a member of the household has demonstrated a pattern of alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

In appropriate cases, the PHA may permit the family to continue receiving assistance if household members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, the PHA may consider individual circumstances with the advice of juvenile court officials.

### **Required Evidence (Standard of Proof)**

***Preponderance of evidence*** is defined as evidence that is of greater weight or more convincing than the evidence that is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is proven more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

***Credible evidence*** may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of arrest warrants and/or drug raids.

### **Confidentiality of Criminal Records**

The PHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated and destroyed once the purpose that it was requested is accomplished.

### **FAMILY OBLIGATIONS [§ 24 CFR 982.551]**

The family must supply any information that the PHA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status (*as provided by § 24 CFR 982.551*). “Information” includes any requested certification, release or other documentation.

1. The family must supply any information requested by the PHA or HUD for use in a regularly scheduled re-examination or interim re-examination of family income and composition in accordance with HUD requirements.
2. The family must disclose and verify Social Security numbers (*as provided by § 24 CFR 5.216*) and must sign and submit consent forms for obtaining information in accordance with § 24 CFR 5.230.
3. All information supplied by the family must be true and complete.

4. The family is responsible for an HQS breach caused by the family as described in 982.404(b).
5. The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice.
6. The family may not commit any serious or repeated violations of the lease.
7. The family must notify the owner and, at the same time, notify the PHA before the family moves out of the unit or terminates the lease upon notice to the owner.
8. The family must give the PHA a copy of any owner eviction notice within thirty calendar days of its receipt.
9. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
10. The composition of the assisted family residing in the unit must be approved by the PHA. The family must inform the PHA of the birth, adoption or court-awarded custody of a child within thirty calendar days. The family must request PHA approval to add any other family member as an occupant of the unit.
11. The family must notify the PHA if any family member no longer resides in the unit within thirty calendar days.
12. If the PHA has given approval, a foster child or a live-in aide may reside in the unit. If the family does not request approval or PHA approval is denied, the family may not allow a foster child or live-in aide to reside with the assisted family.
13. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family.
14. The family must not sublease or let the unit.
15. The family must not assign the lease or transfer the unit.
16. The family must supply any information or certification requested by the PHA to verify that the family is living in the unit or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose. The family must notify the PHA of absence from the unit within thirty calendar days.
17. The family must not own or have any interest in the unit.

18. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the Section 8 HCV program.
19. The household members may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
20. The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
21. An assisted family or members of the family may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any federal, state or local housing assistance program determined by HUD or in accordance with HUD requirements to be duplicative.

#### **Housing Authority Discretion [§ 24 CFR 982.552(c)]**

In deciding whether to deny or terminate assistance because of action or failure to act by members of the family, the PHA has discretion to consider all of the circumstances in each case, including the seriousness of the case. The PHA may use its discretion in reviewing the extent of participation or culpability of individual family members and the length of time since the violation occurred. The PHA may also review the family's recent history and record of compliance and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

The PHA may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure to act will not reside in the unit. The PHA may permit the other members of a family to continue in the program.

#### **Enforcing Family Obligations – Explanation and Terms**

Denial or termination of assistance is always optional except where this plan or the regulations state otherwise.

**HQS Breach:** The PHA will determine if an HQS breach as identified in § 24 CFR 982.404 (b) is the responsibility of the family. Families may be given extensions by the PHA to cure HQS breaches.

**Lease Violations:** The following criteria will be used to decide if a serious or repeated violation of the lease has occurred that will result in termination of assistance:

1. If the owner terminates tenancy through court action for serious or repeated violation of the lease.

2. If there are police reports, neighborhood complaints or other third party information that has been verified by the PHA.

**Proposed Additions to the Family:** The PHA will deny a family's request to add additional family members who are:

1. Persons who have been evicted from public housing within the past three years.
2. Persons who have previously violated a family obligation listed in § 24 CFR 982.551 of the HUD regulations.
3. Persons who have committed drug-related criminal activity or violent criminal activity within the past three years.
4. Persons who commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
5. Persons who currently owe rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.
6. Persons who have engaged in or threatened abusive or violent behavior toward PHA personnel.

**Family Members Move Out:** Families are required to notify the PHA if any family member leaves the assisted household. When the family notifies the PHA, they must furnish the following information.

1. The date the family member moved out.
2. The new address, if known, of the family member.
3. A statement as to whether the family member is temporarily or permanently absent.

**Limitation on Profit-Making Activity in Unit:**

1. If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom (*utilized for a business*) that is not available for sleeping, it will be considered a violation.
2. If the PHA determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a violation.
3. If the PHA determines the business is not legal, it will be considered a violation.

**Interest in Unit:** The owner may not reside in the assisted unit regardless of whether she or he is a member of the assisted family, unless the family owns the mobile home and rents the pad under the voucher program.

**Fraud:** In each case, the PHA will consider that family members were involved, the circumstances and any hardship that might be caused to innocent members.

**Use of Social Media:** Evidence of a violation of family obligations obtained solely from social media sources, without further corroboration, shall not be used as sole grounds for termination. If information is obtained from social media, it should be confirmed and supported by further additional evidence.

In the event of false citizenship claims (*refer to section D, below*)

PROCEDURES FOR NON-CITIZENS [§ 24 CFR 5.514, 5.516, 5.518]

### **Denial or Termination due to Ineligible Immigrant Status**

Applicant or participant families that all members are neither U. S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. The PHA must offer the family an opportunity for a hearing (*see Chapter 2 of this Administrative Plan, "Eligibility for Admissions," at section E, "Citizenship/Eligible Immigration Status"*).

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

#### *False or Incomplete Information*

If the individual is unable to verify his or her citizenship, the PHA will give him/her an opportunity to provide a new declaration as an eligible immigrant or an opportunity to elect not to contend his or her status.

The PHA will then verify eligible status, deny, terminate or pro-rate as applicable.

The PHA will deny or terminate assistance based on the submission of false information or on misrepresentation.

### **Procedure for Denial or Termination**

If the family (*or any member*) claimed eligible immigrant status and the CIS primary and secondary verifications failed to document the family status, the family may make an appeal to the CIS and request a hearing with the PHA either after the CIS appeal or in lieu of the CIS appeal.

After the PHA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for pro-rated assistance (*if applicable*).

## ZERO ASSISTANCE TENANCIES

### **HAP Contracts On or After 10/2/95** [§ 24 CFR 982.455 (a)]

The family may remain in the unit at zero assistance for up to one-hundred eighty calendar days after the last HAP payment. If the family is still in the unit after one-hundred eighty calendar days, the assistance will be terminated. If, within the one-hundred eighty calendar day period, an owner rent increase or a decrease in the total tenant payment causes the family to be eligible for a housing assistance payment, the PHA will resume assistance payments for the family.

In order for a family to move to another unit during the one-hundred eighty calendar days, the rent for the unit would have to be high enough to necessitate a housing assistance payment.

### MISSED APPOINTMENTS AND DEADLINES [§ 24 CFR 982.551, 982.552 (c)]

It is a family obligation to supply information, documentation and certification as needed for the PHA to fulfill its responsibilities. The PHA schedules appointments and sets deadlines in order to obtain the required information. The obligations also require that the family allow the PHA to inspect the unit and appointments are made for this purpose.

An applicant or participant who fails to keep an appointment or fails to supply information required by a deadline without notifying the PHA may be sent a notice of denial or termination of assistance for failure to allow the PHA to inspect the unit or for failure to provide required information.

The family will be given information about the requirement to keep appointments and the number of times appointments will be re-scheduled, as specified in this plan.

Appointments will be scheduled and time requirements will be imposed for the following events and circumstances:

1. Eligibility for Admissions;
2. Verification Procedures;
3. Voucher Issuance and Briefings;
4. Housing Quality Standards and Inspections;
5. Re-examinations; and
6. Appeals.

Acceptable reasons for missing appointments or failing to provide information by deadlines are:

1. Medical emergency;

2. Incarceration;
3. Family emergency; and
4. Work resulting from training obligations.

#### **Procedure When Inspection Appointments Are Missed or Information Is Not Provided**

For most purposes in this plan, the family will be given two opportunities to keep an inspection appointment or to provide inspection related information before being issued a notice of termination or denial for breach of a family obligation.

An inspection appointment shall be considered “missed” when the family has not contacted the PHA or its designee at least two hours before the proposed start time of the appointment. If contact is made within the prescribed time, then the missed appointment shall be considered rescheduled. A family will be allowed to reschedule twice. When a family reschedules a third time, it shall be considered a missed appointment. After two missed appointments, a notice of termination or denial for breach of a family obligation shall be issued.

After issuance of the termination notice, if the family corrects the breach within the time allowed for requesting a hearing, the notice will be rescinded if the family subsequently fulfills the attendance requirement for an inspection appointment or provides inspection-related information and the family does not have a history of non-compliance

## Chapter 16 OWNER DISAPPROVAL AND RESTRICTION [§ 24 CFR 982.54, 982.453]

### INTRODUCTION

It is the policy of the PHA to recruit owners to participate in the voucher program. The PHA will provide owners with prompt and professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of the PHA. The regulations define when the PHA must disallow owner participation in the program and they provide the PHA discretion to disapprove or otherwise restrict the participation of owners in certain categories. This chapter describes the criteria for owner disapproval and the various penalties for owner violations.

### DISAPPROVAL OF OWNER [§ 24 CFR 982.306, 982.54(d)(8)]

The owner does not have a right to participate in the program. For purposes of this section, the term “owner” includes a principal or other interested party.

The PHA will disapprove the owner for the following reasons:

1. HUD or another agency directly related has informed the PHA that the owner has been disbarred, suspended or subject to a limited denial of participation under § 24 CFR part 24.
2. HUD has informed the PHA that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and that such action is pending.
3. HUD has informed the PHA that a court or an administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements.
4. Unless their lease was effective before June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. The PHA will waive this requirement as a reasonable accommodation for a family member who is a person with a disability.
5. In cases where the owner and tenant bear the same last name, the PHA at its discretion, may require the family and/or the owner to certify whether they are related to each other in any way.
6. The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (*42 U.S.C. 1437f*).
7. The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner’s obligations to maintain the unit to HQS, including any standards the PHA has adopted in this policy.

8. The owner has committed fraud, bribery or any other corrupt act in connection with any federal housing program.
9. The owner has engaged in drug-related criminal activity or any violent criminal activity.
10. The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program.
11. The owner has a history or practice of renting units that fail to meet state or local housing codes.
12. The owner has failed to comply with regulations, the mortgage, note or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

#### OWNER RESTRICTIONS AND PENALTIES [§ 24 CFR 982.453]

If an owner commits or has committed fraud, abuse or is guilty of frequent or serious contract violations, the PHA will restrict the owner from future participation in the program for a period commensurate with the seriousness of the offense. The PHA may also terminate some or all contracts with the owner.

Before imposing any penalty against an owner, the PHA will review all relevant factors pertaining to the case and will consider such factors as the owner's record of compliance and the number of violations.

See the Program Integrity Addendum for guidance as to how owner fraud will be handled.

#### CHANGE IN OWNERSHIP

A change in ownership does not require the execution of a new contract however, a new HAP contract and lease must be executed upon the tenant's reexamination date.

The PHA will process a change of ownership only upon the written request of the new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title and the Federal Employee Identification Number or Social Security Number of the new owner.

If the new owner does not want an assignment of the contract, the PHA will terminate the HAP contract with the old owner, since she or he is no longer the owner. The new owner may offer the family a new assisted lease. The family may elect to enter into the new lease or move to another unit.

## Chapter 17 OWNER OR FAMILY DEBTS TO THE PHA [§ 24 CFR 982.552]

### INTRODUCTION

This chapter describes the PHA's policies for the recovery of monies that have been overpaid to owners on behalf of families. It describes the methods that will be utilized for the collection of monies and the guidelines for different types of debts. It is the PHA's policy to meet the informational needs of owners and families and to communicate the program rules in order to avoid an owner or a family incurring debt due to PHA overpayment. Before a debt is assessed against a family or owner, the family file must contain documentation to support the PHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner, the family or other interested parties.

When families or owners owe money to the PHA, the PHA will make every effort to collect the debt. The PHA will use a variety of collection tools to recover debts including, but not limited to:

1. Requests for lump sum repayments;
2. Repayment agreements;
3. Suspensions of housing assistance payments;
4. Reductions of housing assistance payments;
5. Referral to the Department of Housing that may employ the following additional collection tools
  - a. Credit agency reporting
  - b. Seizure of personal assets accounts
  - c. Lien of personal property

### REPAYMENT AGREEMENT FOR FAMILIES [§ 24 CFR 982.552 (c)(v-vii)]

A repayment agreement as used in this plan is a document signed by both parties outlining an agreement entered into between the PHA and a person who owes a debt to the PHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of repayment, any special provisions of the agreement and the remedies available to the PHA upon default of the agreement.

The terms of this repayment agreement will not exceed 60 months.

Only two repayment agreements within a rolling sixty months will be permitted.

If a third incident occurs that requires a third repayment, the family must repay the entire amount due or a notice of termination or denial for breach of a family obligation shall be issued.

#### DEBTS DUE TO PROGRAM FRAUD AND ABUSE [§ 24 CFR 982.163]

Program fraud and abuse is defined as a single act or a pattern of actions that constitutes false statement, omission or concealment of a substantive fact, made with intent to deceive or mislead and that results in overpayment of Section 8 Program funds.

The PHA will enter into a repayment agreement with the family (*see Section E*) if the HAP overpayment is under five-thousand dollars. Program assistance will be terminated for families when the HAP overpayment exceeds five-thousand dollars. The PHA will use the following collection tools to attempt to recover debts including but not limited to:

1. Requests for lump sum repayments
2. Repayment agreements

HAP overpayments in excess of five-thousand dollars will be referred to the Department of Housing for collection. That department will use a variety of collection methods to collect the debt or may allow for execution of a repayment agreement.

#### DEBTS DUE TO MINIMUM RENT TEMPORARY HARDSHIP

If the family owes the PHA money for rent arrearages incurred during the minimum rent period, the PHA will calculate the total amount owed to arrive at a reasonable payback amount that the family will be required to pay to the PHA monthly in addition to the family's regular monthly rent repayment to the owner. The family will be required to pay the increased amount until the arrearage is paid in full to the PHA.

The term of this repayment agreement will not exceed 60 months.

If the family defaults on a repayment agreement during a minimum rent period, the PHA will re-evaluate the family's financial situation and determine whether the family has the ability to pay the increased rent amount and, if not, restructure the existing repayment agreement.

#### GUIDELINES FOR REPAYMENT AGREEMENTS [§ 24 CFR 982.552 (c)(v-vii)]

The PHA shall use its judgment and shall negotiate individual agreements with families. The negotiated agreement shall include a mutually acceptable initial payment, all subsequent payments and a term of repayment that may not exceed 60 months (*five years*). As a standard, the length of repayment agreements shall reflect the amount to be repaid and, when possible, shall not cause the family to pay more than forty-five percent of its income in rent and repayment.

Repayment agreements will only be executed between the PHA and the head of household or another household member who is at least eighteen years of age.

Repayments may only be made by money order, cashier's check and personal check. The PHA has the right to refuse personal checks for cause.

A repayment will be considered to be in arrears if the payment is not received within ten business days after the due date.

If the family has an existing indebtedness to the PHA and incurs an additional debt to the PHA, the additional indebtedness will be consolidated with the existing indebtedness and a new repayment agreement shall be executed.

If the family requests a move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family will be permitted to move.

If the family requests a move to another unit and is in arrears on a repayment agreement, they will be permitted to move, if they pay the past due amount.

The amount of the monthly repayments may be decreased in cases of family hardship if requested with reasonable notice from the family, verification of the hardship and the approval of the PHA.

Any monthly repayment amounts that are deferred, for a financial hardship, shall extend the repayment agreement for an equivalent number of months. Only in this instance may the repayment agreement be extended beyond the 60 month maximum period.

#### OWNER DEBTS TO THE PHA [§ 24 CFR 982.453(b)]

If the PHA determines that the owner has retained housing assistance or repayments to that the owner is not entitled, the PHA may reclaim the amounts from future housing assistance repayments owed to the owner for any unit or units under contract.

If future housing assistance or repayments are insufficient to reclaim the amount owed, the PHA will:

1. Enter into a repayment agreement with the owner for the amount owed or
2. Restrict the owner from future participation.

#### WRITING OFF DEBTS

Debts will be written off in the following manner:

1. For debts under two-thousand dollars,
  - a. The debtor's whereabouts are unknown, and
  - b. the debt is more than three years old, or

2. For debts of two-thousand dollars but less than five-thousand dollars,
  - a. The debtor's whereabouts are unknown, and
  - b. The debt is more than five years old, or
3. For debts of five-thousand dollars but less than ten-thousand dollars,
  - a. The debtor's whereabouts are unknown, and
  - b. The debt is more than seven years old

Debts, regardless of amount, shall be written off if the debtor is deceased.

All outstanding debts owed by an applicant, or any member of the applicant's household, shall be fully discharged before they may be selected for a voucher.

## Chapter 18 PROJECT-BASED VOUCHERS

### INTRODUCTION

This chapter describes HUD regulations and PHA policies related to the project-based voucher (PBV) program in nine parts:

Part I: General Requirements. This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Owner Proposals. This part includes policies related to the submission and selection of owner proposals for PBV assistance. It describes the factors the PHA will consider when selecting proposals, the type of housing that is eligible to receive PBV assistance, the cap on assistance at projects receiving PBV assistance, subsidy layering requirements, site selection standards, and environmental review requirements.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Rehabilitated and Newly Constructed Units. This part describes requirements and policies related to the development and completion of rehabilitated and newly constructed housing units that will be receiving PBV assistance.

Part V: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at the PHA's discretion.

Part VI: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VII: Occupancy. This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any project) are also discussed.

Part VIII: Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

Part IX: Payments to Owner. This part describes the types of payments owners may receive under this program.

## PART I: GENERAL REGULATORY REQUIREMENTS

### **OVERVIEW [24 CFR 983.5; FR Notice 1/18/17; Notice PIH 2017-21]**

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the PHA's Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

#### PHA Policy

The PHA will operate a project-based voucher program using up to 20 percent of its authorized units for project-based assistance, including the potential for project-basing VASH vouchers.

PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, the PHA is not required to reduce the number of these units if the number of authorized units is subsequently reduced. However, the PHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC, regardless of whether the PHA has vouchers available for project-basing [FR Notice 1/18/17].

### **Additional Project-Based Units [FR Notice 1/18/17; Notice PIH 2017-21]**

The PHA may project-base an additional 10 percent of its units above the 20 percent program limit. The units may be distributed among one, all, or a combination of the categories as long as the total number of units does not exceed the 10 percent cap. Units qualify under this exception if the units:

- Are specifically made available to house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
- Are specifically made available to house families that are comprised of or include a veteran.
  - *Veteran* means an individual who has served in the United States Armed Forces.
- Provide supportive housing to persons with disabilities or elderly persons as defined in 24 CFR 5.403.
- Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.

Only units that that are under a HAP contract that was first executed on or after April 18, 2017, are covered by the 10 percent exception.

## **TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]**

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the PHA policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

### PHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the PHA policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

## **RELOCATION REQUIREMENTS [24 CFR 983.7]**

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. PHAs may not use voucher program funds to cover relocation costs, except that PHAs may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of the PHA to ensure the owner complies with these requirements.

## **17-I.D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]**

The PHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, the PHA must comply with the PHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

## PART II: PBV OWNER PROPOSALS

### OVERVIEW

With certain exceptions, the PHA must describe the procedures for owner submission of PBV proposals and for PHA selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, the PHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56], and meets the site selection standards [24 CFR 983.57]. The PHA may not commit PBVs until or unless it has followed the proposal selection requirements defined in 24 CFR 983.51 [Notice PIH 2011-54].

### OWNER PROPOSAL SELECTION PROCEDURES [24 CFR 983.51(b)]

The PHA must select PBV proposals in accordance with the selection procedures in the PHA administrative plan. The PHA will select PBV proposals as follows:

- The PHA will select proposal that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. The PHA need not conduct another competition.

### Units Selected Non-Competitively [FR Notice 1/18/17; Notice PIH 2017-21; 24 CFR 983.51(b)]

For certain public housing projects where the PHA has an ownership interest or, the PHA may attach PBV assistance non-competitively without following one of the two processes above.

This exception applies when the PHA is engaged in an initiative to improve, develop, or replace a public housing property or site. The public housing units may either currently be in the public housing inventory or may have been removed from the public housing inventory within 5 years of the date on which the PHA entered into the AHAP or HAP.

If the PHA is planning rehabilitation or new construction on the project, a minimum threshold of \$25,000 per unit in hard costs must be expended.

If the PHA plans to replace public housing by attaching PBV assistance to existing housing in which the PHA has an ownership interest or control, then the \$25,000 per unit minimum threshold does not apply as long as the existing housing substantially complies with HQS.

The PHA must explain in the administrative plan the work it plans to do on the property or site and how many units of PBV it plans to add.

The PHA must include in the administrative plan what work it plans to do on the property or site and how many PBV units will be added to the site.

#### PHA Policy

The PHA will not attach PBVs to projects owned by the PHA as described above.

The PHA will ensure that units are eligible for PBV assistance and meet all statutory and regulatory requirements for the PBV program. The existing housing will substantially comply with HQS, which the PHA defines as units with no life-threatening violations that will pass HQS the earlier of [insert number of months] months of PBV HAP contract execution or at the end of the construction period.

The following policies in this chapter on solicitation and selection of owner proposals do not apply to units selected under this option.

#### **Solicitation and Selection of PBV Proposals [24 CFR 983.51(c)]**

PHA procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by the PHA. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of the PHA request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

#### PHA Selection of Proposals Subject to a Previous Competition under a Federal or State Housing Assistance Program

The PHA will only accept proposals for PBV assistance from owners that were competitively selected under another federal or state housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis.

In place of advertising, the PHA will directly contact specific owners that have already been selected for Federal or state housing assistance based on a previously held competition and meet the following PHA specific selection criteria:

- Property is located in a high or very high opportunity area, as determined by the PHA, and identified as such on the PHA website; and
- Property is requesting ≤ 20 project-based units.

Proposals will be reviewed on a first-come first-served basis. The PHA will evaluate each proposal on its merits using the following factors:

Extent to which the project furthers the PHA goal of deconcentrating poverty and expanding housing and economic opportunities; and

Extent to which the proposal complements other local activities such as the redevelopment of a public housing site, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.

#### **PHA Notice of Owner Selection [24 CFR 983.51(d)]**

The PHA must give prompt written notice to the party that submitted a selected proposal and must also give prompt public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

#### **PHA Policy**

Within 30 business days of the PHA making the selection, the PHA will notify the selected owner in writing of the owner's selection for the PBV program. The PHA will also notify in writing all owners that submitted proposals that were not selected and advise such owners of the name(s) of the selected owner(s).

The PHA will post the notice of owner(s) selection on its electronic web site.

The PHA will make available to any interested party its rating and ranking sheets and documents that identify the PHA basis for selecting the proposal. These documents will be available for review by the public and other interested parties for one month after publication of the notice of owner selection. The PHA will not make available sensitive owner information that is privileged, such as financial statements and similar information about the owner.

The PHA will make these documents available for review at the PHA during normal business hours. The cost for reproduction of allowable documents will be \$.25 per page.

#### **HOUSING TYPE [24 CFR 983.52]**

The PHA may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of PHA selection, the units substantially comply with HQS. Units for which new construction or rehabilitation began after the owner's proposal submission but prior to the execution of the HAP do not subsequently qualify as existing housing. Units that were newly constructed or rehabilitated in violation of program requirements also do not qualify as existing housing.

The PHA must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. The PHA choice of housing type must be reflected in its solicitation for proposals.

## **PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS**

### **Ineligible Housing Types [24 CFR 983.53]**

The PHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing. In addition, the PHA may not attach or pay PBV assistance for a unit occupied by an owner and the PHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program. A member of a cooperative who owns shares in the project assisted under the PBV program is not considered an owner for purposes of participation in the PBV program. Finally, PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

### **Subsidized Housing [24 CFR 983.54]**

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;

A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or the PHA in accordance with HUD requirements.

## **SUBSIDY LAYERING REQUIREMENTS [24 CFR 983.55, FR Notice 11/24/08, FR Notice 7/9/10, and FR Notice 6/25/14]**

The PHA may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

Subsidy layering requirements do not apply to existing housing. A further subsidy layering review is not required for new construction or rehabilitation if HUD's designee has conducted a review that included a review of PBV assistance in accordance with the PBV subsidy layering guidelines.

The PHA must submit the necessary documentation to HUD for a subsidy layering review. Except in cases noted above, the PHA may not enter into an agreement to enter into a HAP contract or a HAP contract until HUD, or a HUD-approved housing credit agency (HCA), has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements. However, in order to satisfy applicable requirements, HCAs must conduct subsidy layering reviews in compliance with the guidelines set forth in the *Federal Register* notice published July 9, 2010.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

### **CAP ON NUMBER OF PBV UNITS IN EACH PROJECT**

#### **25 Percent per Project Cap [24 CFR 983.56, FR Notice 1/18/17, and Notice PIH 2017-21]**

In general, the PHA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

#### PHA Policy

The PHA will award no more than twenty (20) PBV units for any project.

#### **Exceptions to 25 Percent per Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]**

As of April 18, 2017, units are not counted against the 25 percent or 25-unit per project cap if:

- The units are exclusively for elderly families

- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project
  - If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services. Projects where these caps were implemented prior to HOTMA (HAP contracts executed prior to April 18, 2017) may continue to use the former exceptions and may renew their HAP contracts under the old requirements, unless the PHA and owner agree to change the conditions of the HAP contract. However, this change may not be made if it would jeopardize an assisted family's eligibility for continued assistance in the project.

### ***Supportive Services***

PHAs must include in the PHA administrative plan the type of services offered to families for a project to qualify for the exception and the extent to which such services will be provided. As of April 18, 2017, the project must make supportive services available to all families receiving PBV assistance in the project, but the family does not actually have to accept and receive supportive services for the exception to apply to the unit, although the family must be eligible to receive the supportive services. It is not necessary that the services be provided at or by the project, but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible. A PHA may not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered.

### **PHA Policy**

The PHA will not provide assistance for excepted units.

### **Projects not Subject to a Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]**

PBV units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD are exempt from the project cap. In other words, 100 percent of the units in these projects may receive PBV assistance.

### **PHA Policy**

The PHA does not have any PBV units that are subject to the per project cap exception.

### **Promoting Partially-Assisted Projects [24 CFR 983.56(c)]**

A PHA may establish local requirements designed to promote PBV assistance in partially assisted projects. A *partially assisted project* is a project in which there are fewer units covered by a HAP contract than residential units [24 CFR 983.3].

A PHA may establish a per-project cap on the number of units that will receive PBV assistance or other project-based assistance in a multifamily project containing excepted units or in a single-family building. A PHA may also determine not to provide PBV assistance for excepted units, or the PHA may establish a per-project cap of less than 25 units or 25 percent of units.

#### PHA Policy

The PHA will not provide assistance for excepted units.

The PHA will award no more than twenty (20) PBV units for any project.

### **SITE SELECTION STANDARDS – Compliance with PBV Goals, Civil Rights Requirements, and HQS Site Standards [24 CFR 983.57(b)]**

The PHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the PHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the PHA Plan under 24 CFR 903 and the PHA administrative plan.

In addition, prior to selecting a proposal, the PHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the HQS site and neighborhood standards at 24 CFR 982.401(l)

#### PHA Policy

It is the PHA goal to select sites for PBV housing that provide for deconcentrating poverty, expanding housing and economic opportunities, and providing opportunities for housing choice and mobility. In complying with this goal, the PHA will limit selection of sites to very high or high opportunity areas, as identified using the PHA's [Opportunity Mapping model](#).

The PHA will not provide assistance for excepted units.

The PHA will award no more than twenty (20) PBV units for any project.

### **Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]**

The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

### **New Construction Site and Neighborhood Standards [24 CFR 983.57(e)]**

In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;
- The site must not be located in an area of minority concentration unless the PHA determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;
- The site must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

## **ENVIRONMENTAL REVIEW [24 CFR 983.58]**

The PHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The responsible entity is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

The PHA may not enter into an agreement to enter into a HAP contract or a HAP contract with an owner, and the PHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

The PHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. The PHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

## PART III: DWELLING UNITS

### OVERVIEW

This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

### HOUSING QUALITY STANDARDS [24 CFR 983.101]

The housing quality standards (HQS) for the tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

### Lead-based Paint [24 CFR 983.101(c)]

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

### HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

### INSPECTING UNITS [24 CFR 983.103]

#### Pre-selection Inspection [24 CFR 983.103(a)]

The PHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, the PHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date. However, the PHA may not execute the HAP contract until the units fully comply with HQS.

### **Pre-HAP Contract Inspections [24 CFR 983.103(b), FR Notice 1/18/17, and Notice PIH 2017-20]**

The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with HQS. The PHA may not provide assistance on behalf of the family until the unit fully complies with HQS, unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions or if the unit passed an alternative inspection.

#### PHA Policy

The PHA will not provide assistance in turnover units until the unit fully complies with HQS.

### **Turnover Inspections [24 CFR 983.103(c)]**

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit.

### **Annual/Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]**

At least once every 24 months during the term of the HAP contract, the PHA must inspect a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this inspection requirement.

#### PHA Policy

The PHA will inspect on an annual basis a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

### **Other Inspections [24 CFR 983.103(e)]**

The PHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting PHA supervisory quality control HQS inspections, the PHA should include a representative sample of both tenant-based and project-based units.

**Inspecting PHA-Owned Units [24 CFR 983.103(f)]**

In the case of PHA-owned units, the inspections must be performed by an independent entity designated by the PHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the PHA and to the HUD field office where the project is located. The PHA must take all necessary actions in response to inspection reports from the independent entity, including exercise of contractual remedies for violation of the HAP contract by the PHA-owner.

## PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS

### **OVERVIEW [24 CFR 983.151]**

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

### **AGREEMENT TO ENTER INTO HAP CONTRACT**

In order to offer PBV assistance in rehabilitated or newly constructed units, the PHA must enter into an agreement to enter into HAP contract (Agreement) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(b)]. The PHA may not enter into an Agreement if commencement of construction or rehabilitation has commenced after proposal submission [24 CFR 983.152(c)]. Construction begins when excavation or site preparation (including clearing of the land) begins for the housing. Rehabilitation begins with the physical commencement of rehabilitation activity on the housing.

In the Agreement the owner agrees to develop the PBV contract units to comply with HQS, and the PHA agrees that upon timely completion of such development in accordance with the terms of the Agreement, the PHA will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(a)].

### **Content of the Agreement [24 CFR 983.152(d)]**

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (size) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Description of the work to be performed under the Agreement. For rehabilitated units, the description must include the rehabilitation work write up and, where determined

necessary by the PHA, specifications and plans. For new construction units, the description must include the working drawings and specifications.

- Any additional requirements for quality, architecture, or design over and above HQS.

### **Execution of the Agreement [24 CFR 983.153]**

The Agreement must be executed promptly after PHA notice of proposal selection to the selected owner. The PHA may not enter into the Agreement if construction or rehabilitation has started after proposal submission. Generally, the PHA may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, the PHA may not enter into the Agreement until the environmental review is completed and the PHA has received environmental approval. However, the PHA does not need to conduct a subsidy layering review in the case of a HAP contract for existing housing or if the applicable state or local agency has conducted such a review. Similarly, environmental reviews are not required for existing structures unless otherwise required by law or regulation.

### **PHA Policy**

The PHA will enter into the Agreement with the owner within 30 business days of receiving both environmental approval and notice that subsidy layering requirements have been met, and before construction or rehabilitation work is started.

## **CONDUCT OF DEVELOPMENT WORK**

### **Labor Standards [24 CFR 983.154(b)]**

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The PHA must monitor compliance with labor standards.

### **Equal Opportunity [24 CFR 983.154(c)]**

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

### **Owner Disclosure [24 CFR 983.154(d) and (e)]**

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

### **COMPLETION OF HOUSING**

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

### **Evidence of Completion [24 CFR 983.155(b)]**

At a minimum, the owner must submit the following evidence of completion to the PHA in the form and manner required by the PHA:

- Owner certification that the work has been completed in accordance with HQS and all requirements of the Agreement; and
- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

At the PHA's discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

### **PHA Policy**

The PHA will determine the need for the owner to submit additional documentation as evidence of housing completion on a case-by-case basis depending on the nature of the PBV project. The PHA will specify any additional documentation requirements in the Agreement to enter into HAP contract.

### **PHA Acceptance of Completed Units [24 CFR 983.156]**

Upon notice from the owner that the housing is completed, the PHA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HQS and any additional requirements imposed under the Agreement. The PHA must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the Agreement, the PHA must not enter into the HAP contract.

If the PHA determines the work has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, the PHA must submit the HAP contract for execution by the owner and must then execute the HAP contract.

## PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)

### OVERVIEW

The PHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. With the exception of single-family scattered-site projects, a HAP contract shall cover a single project. If multiple projects exist, each project is covered by a separate HAP contract. The HAP contract must be in the form required by HUD [24 CFR 983.202(a)].

### HAP CONTRACT REQUIREMENTS

#### Contract Information [24 CFR 983.203]

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set aside for occupancy by qualifying families (elderly and/or disabled families and families receiving supportive services); and
- The initial rent to owner for the first 12 months of the HAP contract term.

#### Execution of the HAP Contract [24 CFR 983.204]

The PHA may not enter into a HAP contract until each contract unit has been inspected and the PHA has determined that the unit complies with the Housing Quality Standards (HQS), unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions. For existing housing, the HAP contract must be executed promptly after the PHA selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after the PHA

has inspected the completed units and has determined that the units have been completed in accordance with the agreement to enter into HAP, and the owner furnishes all required evidence of completion.

#### PHA Policy

For existing housing, the HAP contract will be executed within 30 business days of the PHA determining that all units pass HQS.

For rehabilitated or newly constructed housing, the HAP contract will be executed within 30 business days of the PHA determining that the units have been completed in accordance with the agreement to enter into HAP, all units meet HQS, and the owner has submitted all required evidence of completion.

#### **Term of HAP Contract [24 CFR 983.205, FR Notice 1/18/17, and Notice PIH 2017-21]**

The PHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than 20 years. In the case of PHA-owned units, the term of the HAP contract must be agreed upon by the PHA and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

#### PHA Policy

The term of all PBV HAP contracts will be negotiated with the owner on a case-by-case basis.

At the time of the initial HAP contract term or any time before expiration of the HAP contract, the PHA may extend the term of the contract for an additional term of up to 20 years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families. A HAP contract extension may not exceed 20 years. A PHA may provide for multiple extensions; however, in no circumstances may such extensions exceed 20 years, cumulatively. Extensions after the initial extension are allowed at the end of any extension term, provided that not more than 24 months prior to the expiration of the previous extension contract the PHA agrees to extend the term, and that such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Extensions after the initial extension term shall not begin prior to the expiration date of the previous extension term. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. In the case of PHA-owned units, any extension of the term of the HAP contract must be agreed upon by the PHA and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

#### PHA Policy

When determining whether or not to extend an expiring PBV contract, the PHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;

- The owner’s record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

***Termination by PHA [24 CFR 983.205(c) and FR Notice 1/18/17]***

The HAP contract must provide that the term of the PHA’s contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the PHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

In times of insufficient funding, HUD requires that PHAs first take all cost-saving measures prior to failing to make payments under existing PBV HAP contracts.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

***Termination by Owner [24 CFR 983.205(d)]***

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to the PHA. In this case, families living in the contract units must be offered tenant-based assistance.

**Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]**

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the PHA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner’s required notice period ends. The PHA must provide the family with a voucher and the family must also be given the option by the PHA and owner to remain in their unit with HCV tenant-based

assistance as long as the unit complies with inspection and rent reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the PHA HCV tenant-based program, and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

### **Remedies for HQS Violations [24 CFR 983.208(b)]**

The PHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If the PHA determines that a contract does not comply with HQS, the PHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

### **PHA Policy**

The PHA will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 10, Consequences If Owner Is Responsible.

## **AMENDMENTS TO THE HAP CONTRACT**

### **Substitution of Contract Units [24 CFR 983.207(a)]**

At the PHA's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same project for a previously covered contract unit. Before any such substitution can take place, the PHA must inspect the proposed unit and determine the reasonable rent for the unit.

### **Addition of Contract Units [FR Notice 1/18/17 and Notice PIH 2017-21]**

The PHA and owner may amend the HAP contract to add additional PBV contract units in projects that already have a HAP contract without having to fulfill the selection requirements found at 24 CFR 983.51(b) for those additional PBV units, regardless of when the HAP contract was signed. The additional PBV units, however, are still subject to the PBV program cap and individual project caps. Prior to attaching additional units without competition, the PHA must submit to the local field office information outlined in FR Notice 1/18/17. The PHA must also detail in the

administrative plan their intent to add PBV units and the rationale for adding units to the specific PBV project.

### PHA Policy

The PHA will not add contract units to the HAP contract.

### **HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.207(b) and 983.302(e)]**

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

### **OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT [24 CFR 983.210]**

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (does not apply to family's membership in a cooperative); and

- Repair work on the project selected as an existing project that is performed after HAP execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

## **ADDITIONAL HAP REQUIREMENTS**

### **Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.208(a)]**

The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the PHA and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner.

The PHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with HQS.

#### PHA Policy

The PHA will identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. The PHA will specify any special design standards or additional requirements in the invitation for PBV proposals, the agreement to enter into HAP contract, and the HAP contract.

### **Vacancy Payments [24 CFR 983.352(b)]**

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the PHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

#### PHA Policy

The PHA will decide on a case-by-case basis if the PHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement, including the amount of the vacancy payment and the period for which the owner will qualify for these payments.

## PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS

### OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

### ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

The PHA may select families for the PBV program from those who are participants in the PHA's tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be redetermined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The PHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

#### PHA Policy

The PHA will determine an applicant family's eligibility for the PBV program in accordance with the policies in Chapter 3.

### In-Place Families [24 CFR 983.251(b)]

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the PHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the PHA's waiting list. Once the family's continued eligibility is determined (the PHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the PHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

### **ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]**

The PHA may establish a separate waiting list for PBV units or it may use the same waiting list for both tenant-based and PBV assistance. The PHA may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by the PHA. If the PHA chooses to offer a separate waiting list for PBV assistance, the PHA must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance.

If a PHA decides to establish a separate PBV waiting list, the PHA may use a single waiting list for the PHA's whole PBV program, or it may establish separate waiting lists for PBV units in particular projects or buildings or for sets of such units.

#### PHA Policy

The PHA will establish a single waiting list for PBV assistance.

### **SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]**

Applicants who will occupy units with PBV assistance must be selected from the PHA's waiting list. The PHA may establish selection criteria or preferences for occupancy of particular PBV units. The PHA may place families referred by the PBV owner on its PBV waiting list.

### **Income Targeting [24 CFR 983.251(c)(6)]**

At least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

### **Units with Accessibility Features [24 CFR 983.251(c)(7)]**

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the PHA must first refer families who require such features to the owner.

### **Preferences [24 CFR 983.251(d), FR Notice 11/24/08]**

The PHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. The PHA must provide an absolute selection preference for eligible in-place families as described above.

The PHA may establish a selection preference for families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units, provided that preference is consistent with the PHA plan. The PHA may not, however, grant a preference to a person with a specific disability [FR Notice 1/18/17].

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy.

If the PHA has projects with “excepted units” for elderly families or supportive services, the PHA must give preference to such families when referring families to these units [24 CFR 983.261(b); FR Notice 1/18/17].

### PHA Policy

The PHA will provide a selection preference when required by the regulation (e.g., eligible in-place families). The PHA will not offer any additional preferences for the PBV program.

## **OFFER OF PBV ASSISTANCE**

### **Refusal of Offer [24 CFR 983.251(e)(3)]**

The PHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant’s place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA’s selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

### **Disapproval by Landlord [24 CFR 983.251(e)(2)]**

If a PBV owner rejects a family for admission to the owner’s units, such rejection may not affect the family’s position on the tenant-based voucher waiting list.

### **Acceptance of Offer [24 CFR 983.252]**

#### ***Family Briefing***

When a family accepts an offer for PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the PHA must provide a briefing packet that explains how the PHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

#### ***Persons with Disabilities***

If an applicant family’s head or spouse is disabled, the PHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In

addition, the PHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

### ***Persons with Limited English Proficiency***

The PHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

## **OWNER SELECTION OF TENANTS**

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2) and (a)(3)].

### **Leasing [24 CFR 983.253(a)]**

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the PHA from the PHA's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

### **Filling Vacancies [24 CFR 983.254(a)]**

The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the PHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The PHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

### **PHA Policy**

The owner must notify the PHA in writing (mail, fax, or email) within ten business days of learning about any vacancy or expected vacancy.

The PHA will make every reasonable effort to refer families to the owner within 10 business days of receiving such notice from the owner.

### **Reduction in HAP Contract Units Due to Vacancies [24 CFR 983.254(b)]**

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

### PHA Policy

If any contract units have been vacant for 120 days, the PHA will give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. The PHA will provide the notice to the owner within 10 business days of the 120th day of the vacancy. The amendment to the HAP contract will be effective the 1st day of the month following the date of the PHA's notice.

### **TENANT SCREENING [24 CFR 983.255]**

#### **PHA Responsibility**

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

### PHA Policy

The PHA will not conduct screening to determine a PBV applicant family's suitability for tenancy.

The PHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by the PHA) of the family's current landlord and any prior landlords.

In addition, the PHA may offer the owner other information the PHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The PHA must provide applicant families a description of the PHA policy on providing information to owners, and the PHA must give the same types of information to all owners.

The PHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

### PHA Policy

The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

#### **Owner Responsibility**

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
- Compliance with other essential conditions of tenancy.

## PART VII: OCCUPANCY

### OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

### LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

### Form of Lease [24 CFR 983.256(b)]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a PHA model lease.

The PHA may review the owner's lease form to determine if the lease complies with state and local law. If the PHA determines that the lease does not comply with state or local law, the PHA may decline to approve the tenancy.

### PHA Policy

The PHA will not review the owner's lease for compliance with state or local law.

### Lease Requirements [24 CFR 983.256(c)]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.

### **Tenancy Addendum [24 CFR 983.256(d)]**

The tenancy addendum in the lease must state:

- The program tenancy requirements;
- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease.

The terms of the tenancy addendum prevail over other provisions of the lease.

### **Initial Term and Lease Renewal [24 CFR 983.256(f)]**

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g. month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The PHA terminates the HAP contract
- The PHA terminates assistance for the family

### **Changes in the Lease [24 CFR 983.256(e)]**

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment.

The PHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

### **Owner Termination of Tenancy [24 CFR 983.257]**

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

### **Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]**

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by PHA policy. According to program requirements, the

family's assistance must be terminated if they are absent from the unit for more than 180 consecutive days. PHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 981.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

#### **Continuation of Housing Assistance Payments [24 CFR 982.258]**

Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family's other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last housing assistance payment by the PHA. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

#### PHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a resumed HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

#### **Security Deposits [24 CFR 983.259]**

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

#### PHA Policy

The PHA will allow the owner to collect a security deposit amount the owner determines is appropriate in compliance with all applicable laws and regulations.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

## **MOVES**

### **Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260]**

If the PHA determines that a family is occupying a wrong size unit, based on the PHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

#### PHA Policy

The PHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 30 business days of the PHA's determination. The PHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same building or project;
- PBV assistance in another project; and
- Tenant-based voucher assistance.

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance payments for a wrong-sized or accessible unit at the earlier of the expiration of the term of the family's voucher (including any extension granted by the PHA) or the date upon which the family vacates the unit. If the family does not move out of the wrong-sized unit or accessible unit by the expiration of the term of the family's voucher, the PHA must remove the unit from the HAP contract.

If the PHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the PHA and remove the unit from the HAP contract.

#### PHA Policy

When the PHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, the PHA will terminate the housing assistance payments at the expiration of this 30-day period.

The PHA may make exceptions to this 30-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

### **Family Right to Move [24 CFR 983.261]**

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. If the family wishes to move with continued tenant-based assistance, the

family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

### **Emergency Transfers under VAWA [Notice PIH 2017-08]**

Except where special consideration is needed for the project-based voucher program, the PHA will follow VAWA policies as outlined in Chapter 3 of this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA.

HUD requires that the PHA include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

#### **PHA Policy**

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, the PHA will provide several options for continued assistance.

The PHA will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV). Such families must be selected from the waiting list for the applicable program.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the PHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

## PART VIII: DETERMINING RENT TO OWNER

### OVERVIEW

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner's request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

### RENT LIMITS [24 CFR 983.301]

Except for certain tax credit units (discussed below), the rent to owner must not exceed the lowest of the following amounts:

- An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

### Certain Tax Credit Units [24 CFR 983.301(c)]

For certain tax credit units, the rent limits are determined differently than for other PBV units. Different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same project, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds 110 percent of the fair market rent or any approved exception payment standard;

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

## ***Definitions***

A qualified census tract is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the project that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

## **Reasonable Rent [24 CFR 983.301(e) and 983.302(c)(2)]**

The PHA must determine reasonable rent in accordance with 24 CFR 983.303. The rent to owner for each contract unit may at no time exceed the reasonable rent, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. However, the rent to owner must be reduced in the following cases:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR 983.55
- If a decrease in rent to owner is required based on changes in the allocation of the responsibility for utilities between owner and tenant

If the PHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

## **PHA Policy**

The PHA will elect within the HAP contract not to reduce rents below the initial level, with the exception of circumstances listed in 24 CFR 983.302(c)(2). If, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent, the PHA will use the higher initial rent to owner amount.

## **Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]**

When determining the initial rent to owner, the PHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, the PHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment stand amount for use in the PBV program.

Likewise, the PHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.

#### PHA Policy

Upon written request by the owner, the PHA will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. The PHA will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, the PHA may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent, if the PHA determines it is necessary due to PHA budgetary constraints.

#### **Use of Small Area FMRs (SAFMRs) [24 CFR 888.113(h)]**

While small area FMRs (SAFMRs) do not apply to PBV projects, PHAs that operate a tenant-based program under SAFMRs may apply SAFMRs to all future PBV HAP contracts. If the PHA adopts this policy, it must apply to all future PBV projects and the PHA's entire jurisdiction. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy.

Further, the PHA may apply SAFMRs to current PBV projects where the notice of owner selection was made on or before the effective date of PHA implementation, provided the owner is willing to mutually agree to doing so and the application is prospective. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy. If rents increase as a result of the use of SAFMRs, the rent increase may not be effective until the first anniversary of the HAP contract.

#### PHA Policy

The PHA will not apply SAFMRs to the PHA's PBV program.

#### **Redetermination of Rent [24 CFR 983.302]**

The PHA must redetermine the rent to owner upon the owner's request or when there is a 10 percent or greater decrease in the published FMR.

#### ***Rent Increase***

If an owner wishes to request an increase in the rent to owner from the PHA, it must be requested at the annual anniversary of the HAP contract (see Section 17-V.D.). The request must be in writing and in the form and manner required by the PHA. The PHA may only make rent increases

in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

#### PHA Policy

An owner's request for a rent increase must be submitted to the PHA 60 days prior to the anniversary date of the HAP contract and must include the new rent amount the owner is proposing.

The PHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

#### ***Rent Decrease***

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment, except where the PHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

#### ***Notice of Rent Change***

The rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent. The PHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

#### PHA Policy

The PHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

#### **PHA-Owned Units [24 CFR 983.301(g)]**

For PHA-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. The PHA must use the rent to owner established by the independent entity.

## REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA, except where the PHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

### **When Rent Reasonable Determinations Are Required**

The PHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a 10 percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- The PHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building or project; or
- There is any other change that may substantially affect the reasonable rent.

### **How to Determine Reasonable Rent**

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

### **Comparability Analysis**

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the PHA. The comparability analysis may be performed by PHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

### **PHA-Owned Units**

For PHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the PHA and to the HUD field office where the project is located.

### **Owner Certification of Reasonable Rent**

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, the PHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

#### EFFECT OF OTHER SUBSIDY AND RENT CONTROL

In addition to the rent limits discussed in the previous section, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance.

#### **Other Subsidy [24 CFR 983.304]**

To comply with HUD subsidy layering requirements, at the discretion of HUD or its designee, a PHA shall reduce the rent to owner because of other governmental subsidies, including tax credits or tax exemptions, grants, or other subsidized funding.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

#### **Combining Subsidy**

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

#### **Rent Control [24 CFR 983.305]**

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

## PART IX: PAYMENTS TO OWNER

### HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

### VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

#### PHA Policy

If the PHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to keep the housing assistance payment, the PHA will notify the landlord of the amount of housing assistance payment that the owner must repay. The PHA will require the owner to repay the amount owed in accordance with the respective policies.

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner.

The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

#### PHA Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the PHA of the vacancy in accordance with the policy in the Owner Selection of Tenants section regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and the PHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the PHA within 10 business days of the PHA's request, no vacancy payments will be made.

#### TENANT RENT TO OWNER [24 CFR 983.353]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

#### Tenant and PHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA.

Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

#### Utility Reimbursements

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

#### PHA Policy

The PHA will make utility reimbursements to the family.

#### OTHER FEES AND CHARGES [24 CFR 983.354]

##### ***Meals and Supportive Services***

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

##### ***Other Charges by Owner***

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

## Chapter 19 COMPLAINTS AND APPEALS

### INTRODUCTION

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision or inaction of the PHA (*note that the terms "hearing" and "informal hearing" shall be used interchangeably throughout this chapter*). This chapter describes the policies, procedures and standards to be used when families disagree with a PHA decision. The procedures and requirements for preference denial meetings, informal reviews and hearings are explained. It is the policy of the PHA to ensure that all families have the benefit of all protections due them under the law.

### COMPLAINTS TO THE PHA

The PHA will respond to complaints from families, owners, employees and members of the public in thirty calendar days. All complaints will be documented. The PHA may require that complaints other than HQS violations/those concerning housing quality standards or HQS be put in writing. HQS complaints may be reported by telephone.

### Categories of Complaints

1. Complaints from families:
  - a. If a family disagrees with an action or inaction of the PHA or owner.
  - b. Complaints from families will be referred to the supervisor.
2. Complaints from owners:
  - a. If an owner disagrees with an action or inaction of the PHA or a family.
  - b. Complaints from owners will be referred to the supervisor.
3. Complaints from the public:
  - a. Complaints or referrals from persons in the community with regard to the PHA, a family or an owner.
  - b. Complaints from the public will be referred to the supervisor.

The PHA hearing and complaint procedures will be provided to families in the briefing packet.

## INFORMAL REVIEW PROCEDURES FOR APPLICANTS [§ 24 CFR 982.54(d)(12), 982.554]

Informal reviews are provided for applicants who are denied assistance before the effective date of the HAP contract. The exception is that when an applicant is denied assistance for citizen or eligible immigrant status, the applicant is entitled to an informal hearing.

An informal review for applicants, as provided for by 24 C.F.R. Section 982.554, is an official proceeding before an impartial review officer who will receive evidence and testimony from the PHA and the applicant, will review the facts and applicable law, and will issue a binding final decision upholding or reversing the applicant's denial from the program. The denial letter and informal review request materials should include this definition/explanation of an informal review.

When the PHA determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice must contain:

1. The reason(s) that they are ineligible,
2. The procedure for requesting an informal review if the applicant does not agree with the decision and
3. The time limit for requesting an informal review.

When denying admission due to engaging in criminal activity by a household member, the PHA will include in the notice a statement that the applicant may request a copy of the criminal record that the decision to deny admission was based.

The PHA must provide applicants with the opportunity for an informal review of decisions denying:

1. Listing on the PHA's waiting list,
2. Issuance of a voucher,
3. Participation in the program or
4. Assistance under portability procedures.

Informal reviews are not required for established policies, procedures and PHA determinations such as:

1. Discretionary administrative determinations by the PHA,
2. General policy issues or class grievances,
3. A determination of the family unit size under the PHA subsidy standards,

4. Refusal to extend or suspend a voucher,
5. Disapproval of a lease,
6. Determination that a unit is not in compliance with HQS or
7. Determination that a unit is not in accordance with HQS due to family size or composition.

### **Procedure for Informal Review**

A request for an informal review must be sent to the assigned hearing officer or another impartial PHA staff member. Applicants should be directed in the informal review request materials to do so. A request for an informal review must be received in writing by the close of business, no later than twenty business days from the date of the PHA's notification of denial of assistance.

The informal review will be scheduled within thirty business days from the date the request is received and notice of such will be sent to the tenant a minimum of twenty-one business days in advance of the hearing. Notice of the informal review shall be sent by the assigned review officer or other impartial employee of the PHA, and not by the caseworker or office proposing the denial.

The informal review may not be conducted by the person who made or approved the decision under review or by a subordinate of such person.

The informal review may be conducted by:

1. A staff person who is at the hearing officer or supervisor level or above or
2. A qualified individual from outside the PHA.

The applicant will be given the option of presenting oral and/or written objections to the decision. Both the PHA and the family may present evidence and witnesses. The family may use an attorney or other representative to assist them at their own expense.

A notice of review findings will be provided in writing to the applicant within twenty-one business days of/after the review. The notice shall include the decision of the review officer and an explanation of the reasons for the decision.

All requests for a review, supporting documentation and a copy of the notice of review findings/final decision will be retained in the family's file.

### **INFORMAL HEARING PROCEDURES [§ 24 CFR 982.555(a-f), 982.54(13)]**

When the PHA makes a decision regarding the eligibility and the amount of assistance, applicants and participants must be notified in writing. The PHA will give the family prompt notice of such determinations that will include:

1. The proposed action or decision of the PHA;

2. A brief description of the grounds upon which the PHA's action or decision is based, with reference to the relevant administrative plan provisions and the factual basis for the decision.
3. The date that the proposed action or decision will take place;
4. The family's right to further explanation of the basis for the PHA's decision;
5. The procedure for requesting a hearing if the family disputes the action or decision;
6. The time limit for requesting the hearing; and,
7. To whom the hearing request should be addressed.

When terminating assistance for engaging in criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the tenant/participant/head of household with a copy of the criminal record upon which the decision to terminate was based.

When denying admission for engaging in criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the applicant with a copy of the criminal record upon which the decision to deny was based.

The PHA must provide participants with the opportunity for an informal hearing for decisions related to any of the following PHA determinations:

1. Determination of the family's annual or adjusted income and the computation of the housing assistance payment.
2. Appropriate utility allowance computation from the approved schedule
3. Family unit size determination under PHA subsidy standards.
4. Determination to terminate assistance for any reason.
5. Determination to terminate a family's FSS contract, withhold supportive services or propose forfeiture of the family's escrow account.

The PHA must always provide the opportunity for an informal hearing before termination of assistance. A request for an informal hearing must be submitted to the assigned hearing officer or another impartial PHA staff member. Participants should be directed in the hearing request materials to do so. The request for an informal hearing must be received in writing by the close of the business day no later than twenty business days from the date of the PHA's notification of action. The informal review/hearing will be scheduled within thirty business days from the date the request is received.

An informal hearing for participants, as provided for by 24 C.F.R. Section 982.555, is an official proceeding before an impartial hearing officer who will receive evidence and testimony from the PHA and the participant, will review the facts and applicable law, and will issue a binding final decision upholding or reversing the termination or PHA's decision. The termination letter and informal hearing request materials should include this definition/explanation of an informal hearing.

Informal hearings are not required for established policies, procedures and PHA determinations such as:

1. Discretionary administrative determinations by the PHA.
2. General policy issues or class grievances.
3. Establishment of the PHA schedule of utility allowances for families in the program.
4. A PHA determination not to approve an extension or suspension of a voucher term.
5. A PHA determination not to approve a unit or lease.
6. A PHA Determination that an assisted unit is not in compliance with HQS because of the family size (*the PHA must provide an informal hearing for family breach of HQS because that is a family obligation determination*).
7. A PHA determination either to exercise or not to exercise any right or remedy against the owner under a HAP contract.

### **Notification of Hearing**

It is the PHA's objective to resolve disputes at the lowest level possible and to make every effort to avoid the most severe remedies. However, if this is not possible, the PHA will ensure that applicants and participants will receive all of the protections and rights afforded by the law and the regulations.

Notice of the hearing shall be sent to the participant by the assigned hearing officer or other impartial employee of the PHA, and not by the caseworker or office proposing the termination or other action.

The notification of hearing will contain:

1. The date and time of the hearing;
2. The location where the hearing will be held;
3. The detailed description of the violation(s) that, in detail, should include the exact nature of the violation (*e.g., unreported income of \$7,500.00 from Wal-Mart from 01/08 thru*

06/08). Additionally, this notification will include reference to said violation in the administrative plan.

4. The family's right to bring evidence, witnesses and legal or other representation to the hearing at the family's expense;
5. The right to review any documents or evidence in the possession of the PHA that the PHA based the proposed action and, at the family's expense, to obtain a copy of such documents before the hearing. Requests for copies of such documents or evidence must be received no later than two business days before the hearing date; and
6. A notice to the family that the PHA will request a copy of any documents or evidence the family will use at the hearing. Requests for copies of such documents or evidence must be received no later than two business days before the hearing.
7. The PHA will send the notice of hearing a minimum of twenty-one calendar days in advance of the hearing.

#### **The PHA's Hearing Procedures**

After a hearing date is agreed upon, the family may request to re-schedule only upon showing "good cause," that is defined as an unavoidable conflict that seriously affects the health, safety or welfare of the family. Such rescheduling requests should be directed to the assigned hearing officer or another impartial PHA staff member.

If a family does not appear at a scheduled hearing and has not re-scheduled the hearing in advance, the family must contact the assigned hearing officer or other impartial PHA staff member within two business days. The hearing will be rescheduled only if the family can show good cause for the failure to appear.

Families have the right to:

1. Present written or oral objections to the PHA's determination;
2. Examine the documents in the file that are the basis for the PHA's action and all documents submitted to the hearing officer;
3. Copy any relevant documents at their expense;
4. Present any information or witnesses pertinent to the issues of the hearing;
5. Request that PHA staff be available or present at the hearing to answer questions pertinent to the case; and
6. Be represented by legal counsel, an advocate or another designated representative at the family's own expense.

If a family requests copies of documents relevant to the hearing, the PHA will make the copies for the family and assess a charge of twenty-five cents per page for all copies in excess of twenty. In no case, will the family be permitted to remove the file from the PHA's office.

In addition to other rights contained in this chapter, the PHA has a right to:

1. Present evidence and any information pertinent to the issue of the hearing;
2. Be notified if the family intends to be represented by legal counsel, an advocate or another designated representative;
3. Examine and copy any documents to be used by the family before the hearing;
4. Have its attorney present; and
5. Have staff persons and other witnesses familiar with the case present.

The informal hearing shall be conducted by the hearing officer appointed by the PHA who is neither the person who made or approved the decision, nor a subordinate of that person. The PHA appoints hearing officers who:

1. Are managers from other departments within the PHA;
2. Are managers from other PHAs;
3. Are professional mediators or arbitrators; or
4. A trained hearing officer.

All hearings are to be recorded and such recording is to be maintained electronically by the PHA.

### **Required Evidence (Standard of Proof)**

***Preponderance of evidence*** is defined as evidence that is of greater weight or more convincing than the evidence that is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is proven more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Evidence of a violation of family obligations obtained solely from social media sources, without further corroboration, shall not be used as sole grounds for termination. If information is obtained from social media, it should be confirmed and supported by further additional evidence.

Preparation by the PHA staff for the administrative fair hearing will include:

1. A narrative statement of facts for the hearing officer. The summary of which will include a synopsis of the events leading up to the adverse action as well as a listing of all exhibits that will be used to substantiate the allegations.
2. Evidence in support of the HA decision to terminate
3. Any witness(s) to corroborate the HA's position

**SUBMISSION OF ALL MATERIALS TO THE FAIR HEARING OFFICER AS WELL AS THE APPELLANT FOR REVIEW BEFORE THE INFORMAL REVIEW OR INFORMAL HEARING**

The hearing shall concern only the issues that the family has been given the opportunity for a hearing. The hearing and hearing decision will only consider alleged violations or facts included in the termination letter. Evidence presented at the hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

No documents may be presented that have not been provided to the other party before the hearing if these documents have been requested by the other party. "Documents" include records and regulations. If additional documents or materials relevant to the issues addressed at the hearing are provided subsequent to the hearing, such material will be promptly shared with all parties, and the hearing officer may reconvene the hearing if necessary to address such additional materials.

The hearing officer may ask the family for additional information and may adjourn the hearing, with the option of reconvening on a future date, before reaching a decision.

If the family misses an appointment or deadline ordered by the hearing officer, the hearing is held, absent the family, and a decision is rendered based on the available evidence presented, and a decision is issued and transmitted to the family, including their right to seek a request for reconsideration.

The hearing officer will determine whether the action, inaction or decision of the PHA is legal in accordance with HUD regulations and this Administrative Plan, based upon the evidence and testimony provided at the hearing or subsequent to the hearing at the direction or request of the hearing officer. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the hearing.

A notice of hearing findings shall be provided in writing to the PHA and the family within twenty-one business days and shall include:

1. A clear summary of the decision and the reasons for the decision;
2. An explanation of how the findings of fact related to and support the conclusions of law.
3. If the decision involves money owed, the amount owed; and

4. The date that the decision goes into effect.

The PHA is not bound by hearing decisions of the following sort:

1. those concerning matters that the PHA is not required to provide an opportunity for a hearing;
2. those that conflict with or contradict HUD regulations or requirements;
3. those that conflict with or contradict federal, state or local laws; or
4. those that exceed the authority of the person conducting the hearing.

The PHA shall send a letter to the family within twenty-one business days if it determines that the PHA is not bound by the hearing officer's determination. The letter shall include the PHA's reasons for the decision.

All requests for a hearing, supporting documentation and a copy of the notice of hearing findings will be retained in the family's file.

An aggrieved party may request reconsideration of the PHA's decision (request for a desk review) no later than twenty-one business days from the date of the hearing decision (*notice of such will be included in the termination notification*).

A request for reconsideration must be submitted to the PHA in writing. All requests for desk review must include a reason as to why the decision should be overturned.

Electronic mail is the preferred method of making such a request, and should be sent to [DeskReview.IFSP@ct.gov](mailto:DeskReview.IFSP@ct.gov) . Paper copy requests will also be accepted and must be sent to:

Director  
Individual and Family Support Programs Division  
Department of Housing  
505 Hudson Street – 2<sup>nd</sup> Floor  
Hartford, CT 06106-7107

The Department of Housing will make its decision on requests for reconsideration based on a review of the hearing materials and the case file. All decisions will be made within twenty-one business days of the date the request is received by the Director. Inquiries regarding the status of a request for reconsideration must also be in writing.

## MITIGATING CIRCUMSTANCES FOR APPLICANTS/PARTICIPANTS WITH DISABILITIES [§ 24 CFR 982.204, 982.552(c)]

When applicants are denied placement on the waiting list or the PHA is terminating assistance, the presence of a disability may be considered as a mitigating circumstance during the informal hearing or informal review process. Examples of mitigating circumstances include, but are not limited to:

1. A person with a cognitive disorder may not have understood the requirement to report increases in income;
2. A person may not understand the need to make regular repayments on a promissory note;
3. Minor criminal records for public drunkenness may actually be due to medication reactions; or
4. Prior incarcerations for disorderly conduct due to an emotional disorder.

## HEARING AND APPEAL PROVISIONS FOR “RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS” [§ 24 CFR Part 5, Subpart E]

Assistance to a family may not be terminated or denied while the PHA hearing is pending but assistance to an applicant may be delayed pending the PHA hearing.

### **CIS Determination of Ineligibility**

If a family member claims to be an eligible immigrant and the CIS SAVE system and manual search do not verify the claim, the PHA notifies the applicant or participant within ten business days of their right to appeal to the CIS within thirty business days of notification or to request an informal hearing with the PHA either in lieu of or subsequent to the CIS appeal.

If the family appeals to the CIS, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within twenty-one business days of receipt of the notice offering the hearing or, if an appeal was made to the CIS, within twenty-one business days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in section D of this Chapter for both applicants and participants. If the hearing officer decides the individual is not eligible and there are no other eligible family members, the PHA will either:

1. Deny the applicant family or

2. Defer termination, if the family is a participant and qualifies for deferral or
3. Terminate participation, if the family does not qualify for deferral.

If there are eligible members in the family, the PHA will offer to pro-rate assistance or give the family the option to remove the ineligible member(s).

Regarding all other complaints related to eligible citizen/immigrant status:

1. If any family member fails to provide required documentation or certification regulation, that member is treated as ineligible. If all family members fail to provide documentation or certification, the family will be denied or terminated for failure to provide documentation.
2. Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing before the termination.
3. Participants whose assistance is pro-rated (*either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above*) are entitled to a hearing based on the right to a hearing regarding determinations of tenant rent and total tenant payment.
4. Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

## **Chapter 20    SPECIAL HOUSING TYPES [§ 24 CFR 982.601]**

### **INTRODUCTION**

The PHA will permit a family to lease a manufactured home and space with assistance under the program. The PHA will also provide assistance for a family that owns a manufactured home and leases only a space. In addition, the PHA will allow HCVs to be used in other special types of housing as a reasonable accommodation for a person with a disability.

### **MANUFACTURED HOMES**

#### **Housing Quality Standards [§ 24 CFR 982.621]**

A manufactured home must meet all the HQS requirements outlined in Chapter 10 of this Administrative Plan and regulated by § 24 CFR 982.401. In addition, the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner and must be free from hazards such as susceptibility to sliding or wind damage.

A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning or sliding due to the action of wind.

#### **Manufactured Home Space Rental [§ 24 CFR 982.622]**

The rent to owner for a manufactured home space will include payment for maintenance services that the owner must provide to the tenant under the terms of the lease for the space.

The rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

#### **Reasonable Rent**

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by the PHA.

The PHA will not approve a lease for a manufactured home space until the PHA has determined that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the PHA will re-determine that the rent is reasonable. The PHA will determine whether the rent to owner for a manufactured home space is a reasonable rent in comparison to rents for other comparable manufactured home spaces. The PHA will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the terms of the lease.

By accepting each monthly housing assistance payment from the PHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for the unassisted rental of comparable spaces in the same manufactured home park or elsewhere. If requested by the PHA, the owner must provide the PHA with information on rents for other manufactured home space that the owner has available.

### **Housing Assistance Payments for Manufactured Home Space [§ 24 CFR 982.623]**

#### *HAP for the Voucher*

There is a separate FMR for a family renting a manufactured home space. The payment standard is used to calculate the monthly housing assistance payment for a family. The FMR for rental of a manufactured home space is generally forty percent of the published FMR for a two-bedroom unit.

#### **Subsidy Calculation for the Voucher Program**

During the term of a voucher tenancy, the amount of the monthly housing assistance payment for a family will equal the lesser of:

1. The payment standard minus the total tenant payment or
2. The rent paid for rental of the real property that the manufactured home owned by the family is located (*i.e., the space rent*) minus the total tenant payment.

The space rent is the sum of the following as determined by the PHA:

1. Rent to owner for the manufactured home space and
2. Owner maintenance and management charges for the space and
3. The utility allowance for tenant-paid utilities.

#### *Amortization Cost*

The amortization cost may include debt service to amortize costs (*other than furniture costs*) included in the purchase price of the manufactured home. The debt service includes the payment for principal and interest on the loan. The debt service amount will be reduced by fifteen percent to exclude debt service to amortize the cost of furniture, unless the PHA determines that furniture was not included in the purchase price.

Any debt service due to refinancing the manufactured home after purchase of the home is not included in the amortization costs.

The PHA will not approve as part of the monthly amortization payment any set-up charges to be included in the debt service incurred by a family that relocates its home.

The PHA will not include as part of the monthly amortization payment any set-up charges incurred before the family became an assisted family, if monthly payments are still being made to amortize such charges.

#### **Utility Allowance Schedule for Manufactured Home Space Rental [§ 24 CFR 982.624]**

The PHA will establish utility allowances for manufactured home space rental. For the first twelve months of the initial lease term only, the allowances will include a reasonable amount for utility hook-up charges payable by the family, if the family actually incurs the expenses because of a move.

Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place.

Utility allowances for manufactured home space will not be applied to cover the costs of digging a well or installation of a septic system.

#### **SPECIAL HOUSING TYPES AS REASONABLE ACCOMMODATION**

In addition to manufactured housing, the PHA will allow HCVs to be used in the following types of housing as a reasonable accommodation for a person with a disability:

1. Single Room Occupancy (SRO) units

Defined at CFR 982.605 as a single room with access to a bathroom that contains at least one-hundred ten square feet of floor space.

2. Group homes

A group home must be licensed, certified or otherwise approved in writing by the state as a group home for elderly persons or persons with disabilities.

3. Congregate housing

Defined at CFR 982.609 as a single room or multiple rooms (*e.g. sitting room*). The unit must contain a refrigerator and there must be a central kitchen and dining facilities on the premises.

4. Shared housing

Defined at CFR 982.618, each unit must contain private space for each assisted family, plus appropriate common space for shared use by the residents of the unit. The private space for each family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family may not be less than the family size. A zero or one bedroom unit may not be used for shared housing.

**Chapter 22    PROGRAM INTEGRITY ADDENDUM [§ 24 CFR 792.101 to 792.204, 982.54]**

**INTRODUCTION**

The U. S. Department of Housing and Urban Development conservatively estimates that six-hundred million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental assistance than they are entitled to under the law. HUD further estimates that twelve percent of all HUD-assisted families are either totally ineligible or are receiving benefits that exceed their legal entitlement.

The PHA is committed to assuring that the proper level of benefits is paid to all participating families and that housing resources reach only income-eligible families so that program integrity can be maintained.

The PHA will take all steps necessary to prevent fraud, waste and mismanagement so that program resources are utilized judiciously.

This Chapter outlines the PHA's policies for the prevention, detection and investigation of program abuse and fraud.

**Consideration of Remedies**

In the case of family-caused errors or program abuse, the PHA will take into consideration

1. the seriousness of the offense and the extent of participation or culpability of individual family members, and
2. special circumstances surrounding the case,
3. any mitigating circumstances related to the disability of a family member,
4. the effects of the particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the PHA will take into consideration

1. the seriousness of the offense,
2. the length of time since the violation has occurred and
3. the effects of a particular remedy on family members who are not involved in the offense.

**CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD**

Under no circumstances will the PHA undertake an inquiry or an audit of a participating family arbitrarily. The PHA's expectation is that participating families will comply with HUD

requirements, provisions of the voucher and other program rules. The PHA staff will make every effort (*formally and informally*) to orient and educate all families in order to avoid unintentional violations. However, the PHA has a responsibility to HUD, to the community and to eligible families in need of housing assistance to monitor participants and owners for compliance and, when indicators of possible abuse come to the PHA's attention, to investigate such claims.

The PHA will initiate an investigation of a participating family only in the event of one or more of the following circumstances:

1. **Referrals, Complaints or Tips.** The PHA will follow up on referrals received by mail, by telephone or in person from other agencies, companies or persons that allege that a family is in non-compliance with or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.
2. **Internal File Review.** A follow-up will be made if PHA staff discovers (*as a function of a certification or recertification, an interim redetermination or a quality control review*), information or facts that conflict with previous file data, the PHA's knowledge of the family or statements made by the family.
3. **Verification of Documentation.** A follow-up will be made if the PHA receives independent verification or documentation that conflicts with representations in the family's file (*such as public record information or reports from credit bureau or other agencies*).

#### STEPS THE PHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The PHA management and staff will utilize various methods and practices (*listed below*) to prevent program abuse, non-compliance and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by families.

**Things You Should Know (HUD-1140-OIG).** This program integrity bulletin (*created by HUD's inspector general*) will be furnished and explained to all applicants to promote understanding of program rules and to clarify the PHA's expectations for cooperation and compliance.

**Program Orientation Session.** Mandatory orientation sessions will be conducted by the PHA staff for all prospective program participants, either before or upon issuance of a voucher. At the conclusion of all program orientation Sessions, the family representative will be required to sign a "program briefing certificate" to confirm that all rules and pertinent regulations were explained to them.

**Resident Counseling.** The PHA will routinely provide participant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

**Review and Explanation of Forms.** Staff will explain all required forms and review the contents of all re-certification documents before signature.

**Use of Instructive Signs and Warnings.** Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse

**Participant Certification.** All family representatives will be required to sign a participant certification form.

#### STEPS THE PHA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The PHA staff will maintain a high level of awareness to indicators of possible abuse and fraud by assisted families.

**Quality Control File Reviews.** Before initial certification and at the completion of all subsequent re-certifications, five percent of the participant file will be reviewed. Such reviews shall include, but are not limited to:

1. Assurance that verification of all income and deductions is present.
2. Changes in reported Social Security Numbers or dates of birth.
3. Authenticity of file documents.
4. Ratio between reported income and expenditures.
5. Review of signatures for consistency with previously signed file documents.
6. All forms are correctly dated and signed.

**Observation.** The PHA management and occupancy staff (*to include inspection personnel*) will maintain high awareness of circumstances that may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Observations will be documented in the family's file.

**Public Record Bulletins** may be reviewed by management and staff.

**State Wage Data Record Keepers.** Inquiries to state wage and employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits

**Credit Bureau Inquiries.** Credit bureau inquiries may be made (*with proper authorization by the participant*) in the following circumstances:

1. At the time of final eligibility determination
2. When an allegation is received by the PHA wherein unreported income sources are disclosed

#### THE PHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The PHA staff will encourage all participating families to report suspected abuse to the Housing Director. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the participant's file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The Housing Director will not follow up on allegations that are vague or otherwise non-specific. They will only review allegations that contain one or more independently verifiable facts.

**File Review.** An internal file review will be conducted to determine whether the subject of the allegation is a client of the PHA and, if so, to determine whether the information reported has been previously disclosed by the family.

The PHA will then determine whether it is the most appropriate authority to do a follow-up (*more so than police or social services*). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

**Conclusion of Preliminary Review.** If at the conclusion of the preliminary file review there are facts contained in the allegation that conflict with file data and the fact(s) are independently verifiable, the supervisor will initiate an investigation to determine if the allegation is true or false.

#### OVERPAYMENTS TO OWNERS

If the owner has been overpaid because of fraud, misrepresentation or violation of the HAP contract, the PHA may terminate the contract and arrange for restitution to the PHA and/or family as appropriate.

The PHA will make every effort to recover any overpayments made because of owner fraud or abuse. Payments otherwise due to the owner may be debited in order to repay the PHA or the tenant, as applicable.

#### HOW THE PHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the PHA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file or a person designated by the executive director to monitor the program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the PHA will secure the written authorization from the program participant for the release of information.

Credit Bureau Inquiries. In cases involving previously unreported income sources, a credit bureau inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.

Verification of Credit. In cases where the financial activity conflicts with file data, a *Verification of Credit* form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages that may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the PHA's review may be interviewed.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. If relevant, the PHA will review public records kept in any jurisdictional courthouse. Examples of public records that may be checked are:

1. real estate records,
2. marriage and divorce records,
3. uniform commercial code financing statements,
4. voter registration rolls,
5. judgments,
6. court or police records,
7. state wage records,
8. utility records and
9. postal records.

Interviews with Head of Household or Family Members. The PHA will discuss the allegation (*or details thereof*) with the head of household or family member by scheduling an appointment at the appropriate PHA office. A high standard of courtesy and professionalism will be maintained by the PHA staff person who conducts such interviews. Under no circumstances will inflammatory language, accusation or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE PHA

Documents and other evidence obtained by the PHA during the course of an investigation will be considered “work product” and will either be kept in the participant's file or in a separate “work file.” In either case, the participant's file or work file shall be kept in a locked file cabinet. Such cases under review will not be discussed among PHA staff that are involved in the process or have information that may assist in the investigation.

#### CONCLUSION OF THE PHA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the executive director or designee. It will then be determined whether the facts are inconclusive and if so, whether a violation has or has not occurred.

#### EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

1. What type of violation has occurred (*procedural, non-compliance, fraud*)
2. Whether the violation was intentional or unintentional.
3. What amount of money (*if any*) is owed by the family.
4. If the family is eligible for continued occupancy.

#### ACTION PROCEDURES FOR VIOLATIONS THAT HAVE BEEN DOCUMENTED

Once a program violation has been documented, the PHA will propose the most appropriate remedy based upon the type and severity of the violation.

**Procedural Non-compliance.** This category applies when the family “fails to” observe a procedure or requirement of the PHA , but does not misrepresent a material fact and there is no retroactive assistance payments owed by the family.

Examples of non-compliance violations are:

1. Failure to appear at a pre-scheduled appointment.
2. Failure to return verification in period specified by the PHA.

*Warning Notice to the Family.*

In such cases, a notice will be sent to the family that contains the following:

1. A description of the non-compliance and the procedure, policy or obligation that was violated.

2. The date that the violation must be corrected or the procedure complied with.
3. The action that will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA.
4. The consequences of repeated (*similar*) violations.

**Procedural Non-compliance - Overpaid Assistance.** When the family owes money to the PHA for failure to report changes in income or assets, the PHA will issue a notification of overpayment of assistance. This notice will contain the following:

1. A description of the violation and the date(s).
2. Any amounts owed to the PHA.
3. Notification of a ten-calendar day response period.
4. Acknowledgement of the family's right to disagree and to request an informal hearing with instructions for the request of such hearing.

*Participant Fails to Comply with PHA's Notice.* If the Participant fails to comply with the PHA's notice and a family obligation has been violated, the PHA will initiate termination of assistance.

*Participant Complies with PHA's Notice.* When a family complies with the PHA's notice, the staff person responsible will meet with him/her to discuss and explain the family obligation or program rule that was violated. The staff person will complete a participant counseling report, give one copy to the family and retain a copy in the family's file.

**Intentional Misrepresentations.** When a participant falsifies, misstates, omits or otherwise misrepresents a material fact that results (*or would have resulted*) in an overpayment of housing assistance by the PHA, the PHA will evaluate whether or not:

1. The participant had knowledge that his/her actions were wrong and
2. The participant willfully violated the family obligations or the law.

*Knowledge.* This will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certifications, briefing certificate, personal declaration and are adequate to establish knowledge of wrong-doing.

*Willful Intent.* Any of the following circumstances will be considered adequate to demonstrate willful intent:

1. An admission by the participant of the misrepresentation.
2. Repetition of the misrepresentation.

3. Using a false name or Social Security Number.
4. Admissions of the illegal action or omission by the participant to others.
5. Omission of material facts known to the participant (*e.g., employment of the participant or other household member*).
6. Falsification, forgery or altering documents.
7. Uttering and certifying to statements at an interim re-determination that were later independently verified to be false.

**Dispositions of Cases Involving Misrepresentations.** In all cases of misrepresentations involving efforts to recover monies owed, the PHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

*Criminal Prosecution:* If the PHA has established criminal intent and the case meets the criteria for prosecution, the PHA will:

Refer the case to the local State's Attorney, notify HUD's Regional Inspector General for Investigation (RIGI) and terminate rental assistance.

*Administrative Remedies:* The PHA will at its discretion:

1. Terminate assistance and demand payment of restitution in full.

Terminate assistance and execute an administrative repayment agreement in accordance with the PHA's Repayment Policy

2. Terminate assistance and pursue restitution through civil litigation.
