1 REQUEST FOR PROPOSAL INTRODUCTION

1.1 The Connecticut TRB Teachers' Retirement Board ("the TRB") is conducting an active search of the marketplace for service providers that can partner with the TRB to provide dental benefits for approximately 31,400 Medicare Retirees and Medicare spouses on a self-funded basis, effective January 1, 2025.

The TRB will not entertain receiving intermediated proposals and will only consider proposals from licensed insurers and their full-time employees doing business in the State of Connecticut. The TRB requires that services are marketed every three to five years to ensure the best products and services are made available at the most competitive price.

All bidders must provide services in all fifty States and US territories.

Through the issuance of this Request for Proposal (RFP), the TRB is soliciting proposals from qualified vendors that can provide the services listed herein. If interested and able to meet the requirements described in this RFP, the TRB appreciates and welcomes your offer.

The TRB reserves the right to award any service in whole or in part, if proposals demonstrate that doing so would be in the TRB's best interest. The TRB also reserves the right to issue multiple awards, no award, cancel, or alter the procurement at any time. In addition, the TRB reserves the right to extend the proposed RFP period, if needed. Proposals provided in response to this RFP must comply with the submittal requirements set forth in later sections, including all forms and certifications, and will be evaluated in accordance with the criteria and procedures described herein. Based upon the results of the evaluation, the TRB will award the contract(s) to the most advantageous Vendor(s), based on cost and the technical evaluation factors in the RFP. Proposals containing the lowest cost will not necessarily be awarded as the TRB recognizes that factors other than costs are important to the ultimate selection of the provider. Any contract awarded hereunder shall be subject to the approval of the Office of the Attorney General in accordance with applicable State laws and regulations.

Please read the entire solicitation package and submit an offer in accordance with the instructions. All forms contained in the solicitation package must be completed in full and submitted along with the Responses to RFP Sections 1-4, which combined, will constitute the offer. **This RFP and your response, including all subsequent documents provided during this RFP process, will become part of the contract terms and policy between the parties.**

Connecticut Teachers' Retirement Board Dental RFP

The TRB has retained Segal to assist in the evaluation of the proposals for responsiveness to the RFP and to review such proposals with them. Each proposal shall be evaluated in accordance with the factors listed in Section 1.10 Evaluation of Proposals.

Currently, TRB offers a self-funded DPPO plan through Cigna. The Dental contract expires on December 31, 2024. TRB is seeking plans that will match the proposed benefit designs and provide high quality service to its covered members through a network of providers.

This RFP requests proposals for dental benefits only. Medical and pharmacy benefits are not part of this RFP. The TRB requests that you provide projected claims and fees separately for each benefit described below.

Entities responding to this RFP should also note that TRB is requiring access to certain information and monthly claims data must be provided to its healthcare consultants as may be required for the administration of the plan. Submission of your proposal will acknowledge acceptance of these requirements. The financial requirements include initial and renewal pricing and projection controls.

All Vendors must meet the General Proposal Conditions set forth in this RFP. Vendors are asked to respond only to the specific questions asked.

The current administration fees are not being released at this time.

Background

TRB is a governmental pension plan with approximately 52,700 active members, 16,550 inactive members, 38,000 retired members and beneficiaries, 250 disabled, 1,700 continuances, 320 QDRO and 500 persons receiving monthly survivor benefits.

TRB is governed by Chapter 167a of the Connecticut General Statutes as amended through the 2023 session of the TRB Legislature. The System is administered by the TRB, located in Hartford, CT. The TRB consists of sixteen members: four elected active teacher members, four elected retired teacher members, the Commissioner of the Department of Education, the TRB Treasurer, the Secretary of the Office of Policy and Management and five public members appointed by the Governor. All TRB members serve without pay but are reimbursed for necessary expenses. A subcommittee of the Board will review the responses to the RFP and make a recommendation of a firm(s) to the full Board. Upon Board approval, contract negotiations and execution will commence according to the State of Connecticut procurement policies and procedures. The Chief Administrative Officer is Helen Sullivan, who directs all activities of the system.

The TRB sponsors Medical, Pharmacy and Dental insurance programs for any member who is receiving retirement benefits or a disability allowance from the system, the spouse or surviving spouse of such member, or a disabled dependent of such member if there is no spouse or surviving spouse, and who are participating in Medicare Part A hospital insurance and Medicare Part B medical insurance.

Members pay the full cost of the Dental plan; TRB is responsible for collecting the premium from the members. Members enrolled after 2007 are required to purchase the complete benefit package that includes dental. Those members who enrolled prior to 2007 have the option to purchase dental during the annual enrollment period. If they elect to do so, they are not eligible to opt out of dental during any future open enrollment period. There are approximately 1,100 members enrolled prior to 2015 grandfathered in the program without dental. As of January 1, 2023, members were given a **one-time** option to drop the dental plan and all new members now have the option to waive the dental plan. If they elect to do so, they may not purchase the dental plan anytime in the future. Sixty-five (65) members dropped the dental plan as of January 1, 2024.

1.2 Current Dental Plans:

The **current dental plan** is summarized here:

Connecticut Teachers' Retirement Board Dental RFP

- Shared Deductible (in and out of network): \$50 all services
- Calendar Year Maximum: \$2,500
- Class I services coverage: 100%
- Class II services coverage: 80%
- Class III services coverage: 50%
- Orthodontia: No coverage
- Dental implants: No coverage
- Out of network maximum reimbursable charge: 80th percentile

In addition, the TRB is requesting that all bidders provide pricing for an **additional dental plan described below** that TRB may offer as a buy-down option. The buy-down dental plan would match the current plan in services covered but with the following alternative cost shares:

- Shared Deductible (in and out of network): \$50 all services
- Calendar Year Maximum: \$1,000
- Class I services coverage: 100%
- Class II services coverage: 70%
- Class III services coverage: 50%
- Orthodontia: No coverage
- Dental implants: No coverage
- Out of network maximum reimbursable charge: 80th percentile

Plan Enhancement Considerations: The TRB is also requesting that bidders provide a percentage claims cost increment, for each of the following alternatives to the Current Dental plan:

- Current dental plan with calendar year annual maximum increased from \$2,500 to \$3,000
- Current dental plan with dental implants covered as a Class III service and dental implants apply to \$2,500 calendar year maximum
- Current dental plan with dental implants covered as a Class III service and dental implants do not apply to \$2,500 calendar year maximum (i.e., there is no dollar maximum on dental implants)
- Current dental plan with (1) calendar year annual maximum increased from \$2,500 to \$3,000 and (2) dental implants covered as a Class III service and dental implants apply to \$3,000 calendar year maximum
- Current dental plan with (1) calendar year annual maximum increased from \$2,500 to \$3,000 and (2) dental implants covered as a Class III service and dental implants do not apply to \$3,000 calendar year maximum (i.e., there is no dollar maximum on dental implants)

1.21 Rights Reserved to the State

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

1.21.1. Timing Sequence. The timing and sequence of events associated with this RFP shall ultimately be determined by the TRB.

1.21.2. Amending or Canceling RFP. TRB reserves the right to amend or cancel this RFP on any date and at any time, if the TRB deems it to be necessary, appropriate, or otherwise in the best interests of the State.

1.20.3. No Acceptable Proposals. In the event that no acceptable proposals are submitted in response to this RFP, The TRB may reopen the procurement process, if it is determined to be in the best interests of the State.

1.21.4. Award and Rejection of Proposals. The TRB reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The TRB may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the TRB will be served. The TRB reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.

1.21.5. Sole Property of the State. All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.

1.21.6. Contract Negotiation. The TRB reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The TRB further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the TRB may seek Best and Final Offers (BAFO) on cost from proposers. The TRB may set parameters on any BAFOs received.

1.21.7. Clerical Errors in Award. The TRB reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void ab initio and of no effect as if no contract ever existed between the State and the proposer.

1.21.8. Key Personnel. When the State is the sole funder of a purchased service, TRB reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The TRB also reserves the right to approve replacements for key personnel who have terminated employment. The TRB further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the TRB.

1.22 Statutory and Regulatory Compliance

Connecticut Teachers' Retirement Board Dental RFP

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

1.22.1. Freedom of Information, C.G.S. § 1-210(b). The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, and identifies the applicable exemptions from the state FOI Act, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.

1.22.2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive. CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to ensure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.

1.22.3. Consulting Agreements, C.G.S. § 4a-81. Consulting Agreements Representation, C.G.S. § 4a-81. Pursuant to C.G.S. §§ 4a-81 the successful contracting party shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.

1.22.4. Campaign Contribution Restriction, C.G.S. § 9-612. For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at https://seec.ct.gov/Portal/data/forms/ContrForms/seec_form_11_notice_only.pdf

1.22.5. Gifts, Conn.Gen.Stat. § 4-252. Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz's Executive Order No. 21-2, the Contractor, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:

- (1) That no gifts were made by (A) the Contractor, (B) any principals and key personnel of the Contractor, who participate substantially in preparing bids, proposals or negotiating State contracts, or

Connecticut Teachers' Retirement Board Dental RFP

(C) any agent of the Contractor or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;

(2) That no such principals and key personnel of the Contractor, or agent of the Contractor or of such principals and key personnel, knows of any action by the Contractor to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Contractor to provide a gift to any such public official or State employee; and

(3) That the Contractor is submitting bids or proposals without fraud or collusion with any person.

Any bidder or proposer that does not agree to the representations required under this section shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

1.22.6 Iran Energy Investment Certification C.G.S. § 4-252(a). Pursuant to C.G.S. § 4-252(a), the successful contracting party shall certify the following: (a) that it has not made a direct investment of twenty million dollars or more in the energy sector of Iran on or after October 1, 2013, as described in Section 202 of the Comprehensive Iran Sanctions, Accountability and Divestment Act of 2010, and has not increased or renewed such investment on or after said date. (b) If the Contractor makes a good faith effort to determine whether it has made an investment described in subsection (a) of this section it shall not be subject to the penalties of false statement pursuant to section 4-252a of the Connecticut General Statutes. A "good faith effort" for purposes of this subsection includes a determination that the Contractor is not on the list of persons who engage in certain investment activities in Iran created by the Department of General Services of the State of California pursuant to Division 2, Chapter 2.7 of the California Public Contract Code. Nothing in this subsection shall be construed to impair the ability of the State agency or quasi-public agency to pursue a breach of contract action for any violation of the provisions of the resulting contract.

1.22.7. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a. If a bidder is awarded an opportunity to negotiate a contract, the proposer must provide the State agency with written representation in the resulting contract that certifies the bidder complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts - regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations. If a bidder or vendor refuses to agree to this representation, such bidder or vendor shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

1.22.8. Access to Data for State Auditors. The Contractor shall provide to OPM access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to OPM in a format prescribed by OPM [or the Client Agency] and the State Auditors of Public Accounts at no additional cost.

1.23 Standard Contract Terms and Conditions

Be advised that the State has certain contract requirements. Contractors responding to this RFP must be willing to adhere to the following contract requirements and must affirmatively state their adherence to these terms and conditions with a transmittal letter appended to their proposal response.

Connecticut Teachers' Retirement Board Dental RFP

The Contractor must agree that the contract shall be governed by, construed, and enforced in accordance with the laws and court decisions of the State of Connecticut without giving effect to its principles of conflicts of laws. Under no circumstances may a State of Connecticut contract contain limited liability and/or binding arbitration provisions. The State may not indemnify a Contractor or waive its sovereign immunity.

At all times, Contractor shall utilize approved, qualified personnel necessary to perform the services under this Agreement. If at any time the TRB in its sole discretion determines that the personnel/staff assigned to perform the services under this agreement is incompetent, dishonest or uncooperative, TRB reserves the right to request that Contractor reassign personnel/staff and arrange for an employee(s) or subcontractor(s) satisfactory to TRB to provide the services otherwise performable by the Contractor hereunder.

Contractor shall review any requests by TRB to reassign personnel/staff. In requesting such reassignment of personnel/staff, TRB shall give thirty days (30) notice to Contractor of TRB's desire for such reassignment. Contractor will then have fifteen (15) days to investigate the situation and attempt, if it so desires, to resolve the situation to the mutual satisfaction of the parties. Should the parties not reach a mutual resolution, then fifteen (15) days thereafter, or thirty (30) days from the date of the notice of reassignment, the TRB may terminate this agreement by providing written notice.

Contractor shall advise the TRB promptly, in writing, of any labor related occurrence known to Contractor involving Contractor's employees, which may reasonably be expected to affect Contractor's performance of services under this agreement. Notwithstanding such occurrence, the Contractor shall at all times assign competent personnel/staff to perform the services contracted for under this agreement.

4.17.3.2.4 Confirm your re-pricing is based on your current network provider contractual fee arrangements. "Current" is defined as the discounts the TRB would achieve through your network as of January 1, 2024. The re-repriced amounts should reflect what you would have paid a provider if the claim was incurred on January 1, 2024. The repriced amounts should also include any and all fees paid to providers for any risk-sharing arrangements with providers.

4.17.3.3 Network Discount Guarantee

4.17.3.3.1 Network Discount Guarantee - The guarantee should be structured so that your organization will be providing a guarantee based on a specific percentage ("the provider discounts realized by the TRB will be a minimum of X%") with a risk-free corridor of 1%. You will need to put a minimum of 10% of your fees at risk for this guarantee, and guarantees will be evaluated based on both the percentage discount and the dollars at risk. The formula for the discount measurement would be:

- a. Total of all provider submitted charges (excluding all ineligible charges, duplicate claims, non-covered benefits and any coordination of benefits) = Covered Billed Charges
- b. Covered Billed Charges minus Cost of Benefits (after negotiated provider discounts but before employee copays and cost-sharing) equals Network Savings prior to plan design
- c. Network Savings prior to plan design divided by Covered Billed Charges = Guaranteed % Savings

You must enter the guaranteed percentage in cell F7 of the Network Discount Guarantee chart. [See "3.3 Discount Guarantee" tabs in TRB - January 1, 2025 Dental RFP Attachment File.xlsx]

4.17.3.4 Claims Trend Guarantee

4.17.3.4.1 Provide the claims trend your organization is willing to guarantee for each year of the contract by completing the "4 Trend Guarantee" tab in the **TRB - January 1, 2025 Dental RFP Attachment File.xlsx**. Your guarantee should state the percentage of your administration fee that will be at risk.

Trend guarantee will be based on the following methodology:

- The trend guarantee will apply to all claims incurred through a DPPO dental plan administered by the selected carrier for all participants.
- The actual 2024 incurred claims number will be measured using claims that were incurred and paid during the 2024 calendar year and a six-month run-out period through June 2025. This total will be divided by the actual enrollment during the policy year. All the necessary supporting claims and enrollment data for the policy year beginning January 1, 2024, will be obtained by the TRB from its current administrator and provided to the Vendor.

Connecticut Teachers' Retirement Board Dental RFP

- The actual 2025 incurred claims number will be measured using claims that were incurred and paid during the 2025 calendar year and a six-month run-out period through June 2026. This total will be divided by the actual enrollment during the policy year. (Same methodology applies for contract periods beginning January 1, 2026, and 2027.)
- Claims will include the amounts that are the responsibility of both the member and the employer to mitigate distortions created by plan design changes. The actual 2025 trend will be calculated by dividing the adjusted 2025 incurred claims per member per month (calculated as described above) by the adjusted 2025 incurred claims per member per month (calculated as described above) less 1. (Same methodology applies for years beginning January 1, 2026, over 2025 and for 2027 over 2026.)
- A member continuously enrolled 12-months would count as 12-member months.
